H. Richardson Float Took Prize at Old Home Week

The calithumpian parade at the Flesherton Old Home Week had many fine floats, but one of the best was that of Harold Richardson's Transport, shown in the picture above. Th truck was pulled by tractor, driven by Seth Thompson. A full size wooden horse, owned by the Rockford garage, was hitched to a buggy on top of the truck. Marjorie Richardson was dressed as a groom and Glenora McGee as a bride, and they made a fine young married couple. The float received 1rst prize.

Rally Day Service Was Day Of Promotions

A large congregation gathered on Sunday morning September, 28th. at St. John's United Church to join the Sunday School in the annual promotoin and Rally Day service.

The Sunday school supt., Mr. Jack Brackenbury, conducted the service which was outlined on printed sheets under the theme, "Crusading in Our Church School." The junior choir under Mrs. J. E. Milne led the singing. The scripture lesson was read by Mary Jane McTavish, and the story "The Church of the Friendly Heart," was given by Eleaor Sparks.

The promotion service was the highlight of the occasion, and a large number of scholars passed through the white gate on the platform, typifying their entrance into more advanced work. As each class passed through, a verse of "Open the Gates" was sung by a trio consisting of Donna Hamilton and Margaret and Janet Macpherson.

The minister, Rev. A. G. Macpherson, made some brief remarks, emphasizing the importance of the Sunday School classes, and urged the fathers and mothers to stand by the work by practical support and interest. He made a special appeal to the dads to encourage the older boys.

A splendid offering was received and dedicated to the project of securing a new boat for the Pacific Coast Mission.

One of the duties of a college administrative officer is to write letters of recommendation. Once one of these adminstrators was at a loss to know what to write concerning a doubtful applicant. A retired faculty member suggested that he write as follows:

"Dear Sir: When you come to know the applicant as we know him, you will come to appreciate him as we appreciate him."

Navy League Tag Day Being Held Saturday

The peacetime activities of the Navy League are increasing; its opportunities for services are unlimited. For more than fifty years the Navy League has been the official agency dealing with the men of the sea.

The Navy League operates clubs and hostels at the principal Ocean points where merchant seamen Ocean naval ratings are made welcome while ashore. When a seaman is awaiting his ship he finds homelike surroundings in Navy League centres, and he knows that kindly nursing care awaits him in the Sick Bay if he requires medical attention.

Canada's position as an exporting nation is of vital importance to eve citizen. According to the Department of Trade and Commerce "foreign trade creates one third of all canadian jobs, builds one-third of every dollar you make." The real meaning of this lies in the fact that we are dependent upon the merchant seamen who man the ships that carry the merchandise to and from the markets of the world.

Through its educational services the Navy League makes Canadians conscious of their dependence upon the Sea, and in addition, sponsors a nation-wide youth training program that gives guidance to many thousads of 'teen age boys.

The Navy League will hold its Tag Day in Flesherton this coming Saturday, October 4th. A generous response will assist the League to meet its responsibility on behalf of the Men and the Youth of Canada.

The East Grey Agricultural Society was re-organized at a meeting held in the town hall, which was largely attended. A. E. Sparks was elected president of the new organization. The East Grey Fair, held at Flesherton for so many years, was discontinued about 13 years ago and whether a Fair will be held next year remains to be seen, although there are many who wish to see the annual exhibition resumed. The following officers were elected for this year:

2nd Vice Pres.—Frank Taylor.

Some good exhibits were shown in horses. In Heavy Draught T. Ferris secured first place for best matched team and D. Ring was first in Agricultural Team, with Wm. The hall exhibits were exceptionally good and all classes were very well filled. Worthy of mention was the exhibit of products grown on the farm shown by Mrs. Wilfred Inkster. There were 143 items in the exhibit and everyone was taken from their farm, and brought a lot of attention. The flower show was real good, but the baking and ladies' work classes were down a bit in number from last year, but of good quality. In speaking to Mrs. Inkster in regard to her exhibit of farm products, The Advance editor was informed that she could have shown a few more items that were forgotten in preparing the exhibit.

Eugenia Took Game 3-2

Eugenia came through with their best game of the season and won the fourth of the play-off series against Dundalk with a last inning rally which gave them two runs and the contest. Les. Seeley allowed Dundalk only four hits, while Eugenia collected five off McKenzie, who also gave up two walks, none of them resulting in scores. In the first four frames only fourteen men on each team came to bat. The fielders on both teams did some spectacular fly catching, but Dundalk fell down with four errors, two runs resulting.

Dundalk opened the scoring in the fifth when Heard hit a two-bagger to left field. Grummett and Bradley we e out at first and Arnil hit a slow roller and Heard scored, Haw was out, Seeley to Johnson. Eugenia tied the game when Bob Clark secured a two-bagger, Russell went out on a foul fly, Bemrose was out at first and with two out, Boyce walked and Seeley reached first on Staffords error at short stop, Clark scoring, and the side retired when Johnson was out at first, McKenzie to Springgay

Dundalk again took the lead in the last inning, when Aitcheson hit a home run to left field with none down. Then the big Eugenia inning that brought joy to the villagers and their supporters. Dorland Campbell came in as a pinch hitter, broken thumb and all, took a hefty swing at the ball and it sizzled out into left field. Then Fred Boyce bunted down the first base line, Campbell going to second. Then Les Ceeley came up again with his big bat and hit one so fast to Stafford that he couldn't handle it and the ball caromed off and Campbell came in with the tieing run and Boyce was on third. With exhortations ringing in his ears to bring Boyce in, Johnson scorched one down to Heard, off second base, who juggled it momentarily, and Boyce came across the plate standing up but Johnson was out at first. That ended the ball game, and it was a dilly, too. Everybody was pleased to see Eugenia paying heads-up ball. They now feel that they can take Dundalk, and they might, too.

Somehow Bus Springgay, their fine all-round player, received an injury to his foot that was not known during the game, when a bone in his instep was misplaced and he had to go to hospital for repairs next day.

Bob Clark took the batting honors for Eugenia in this game, with three out of three trips to the plate, out of the five hits Eugenia secured.

Score by ininngs:

Dundalk — 0 0 0 0 1 0 1—2
Eugenia — 0 0 0 0 1 0 2—3

Dundalk — Haw, Stafford, McKenzie, Springgay, Aitcheson, Heard, Grummett, Bradley, Arnil.

Eugenia — L. Russell, G. Bemrose, F. Boyce, L. Seeley, R. Johnson, A. Proctor, D. Cairns, L. Partridge, R. Clark.

The fifth game of the series was to have been played at Dundalk Monday afternoon, but wet grounds forced a postponement.
