A Message of Importance

to Cream Producers

Since Ceram is an exceptionally good price, it is worth-while to maintain the maximum production of your dairy herd. Nothing will cut produrtion more sharply than the producing cows being left out during the unexpected cold nights. It is, therefore, advisable to stable the milch cows at night from now.. on.

Poultry

We are in the market for large quantities of poultry. We buy them alive or dressed, or do custom killing.

Proper Lights On Autos

Announcement that reglations with respect to lights on automobiles will in future be strictly enforced, shuld meet with approval. Faulty lights on motor cars have been the cause of many an accident that otherwise would not have occurred.

The "one light" car has been a menace on the highways long enough. There has been altogether too much leniency shown offenders in this respect, and the sooner the police take measures to bring the offenders to time, the better it will be for all concerned.

If the highways are to be made safe, it must be insisted on that every car be equipped with headlights and tail lights, and seen to that they are properly adjusted and properly focussed, so they will function.

A driver who makes a practice of travelling the roads with faulty lighting equipment is just as much a menace to traffic as the driver who tears along at a reckless speed to the danger of everyone he meets.

Motorists who offend in this connection have only themselves to blame if made an example of by the police. If the practice of driving "proper lights" is stopped, it will greatly improve motoring conditions. Responsible motorists no doubt will endorse any action that may be taken by the traffic officers to discourage breaches of this regulation.

United Church Notes

Rev. A. G. Macpherson, B.A.
Minister

World-Wide Communion Sunday will be observed this Sunday, Oct. 5, at Flesherton, Inistioge and Eugenia. Every member in full Communion is urged to join with their fellow-Christians the world over in the Sacrment of the Lord's Supper. "Do this in remembrance of me." New Communicants, whether by profession of faith or by certicfiate, are asked to contact Rev. A. G. Macpherson as early as possible.

The Bible Society meeting Sunday evening, Oct. 5, in St. John's Church is for all denominations. See advertisement elsewhere in The Advance for particulars.

There are classes for adults, young people and children at your Sunday School. It's yours. Make use of it to the full.

ROOFS

INSUL-BRIC SIDING

We are starting next week to put on roofs in your district. It is an opportunity whilst our expert applicators are in your district, to have your roof re-shingled or have that Insul-bric job done.
