Poppy Day In Flesherton Saturday

The local Branch of the Canadian Legion is making its annual Poppy Day appeal to the people of this community on Saturday, Nov. 8th. The Poppy Fund is now a recognized institution wherever the Canadian Legion exists in Canada and serves a two-fold purpose of much merit. The money which is raised by the distribution of the Poppy — the symbol of sacrifice — is used entirely to relieve unusual distress among War Veterons of the last war and the recent conflict, and their families. At all times it has been found that the Veterans, in view of the fact that many of them have disabilities and handicaps, suffer even more than others who are out of employment, since many of them require special care and attention which they are unable to provide. This is where the Poppy Fund, raised through the sale of Poppies by the local Branch of the Legion, steps in and provides relief for the situation.

There is another reason why every citizen should wear a Poppy for Remembrance Day. These Poppies are manufactured in the Vetcraft shops of Canada, worksbips in which handicapped Veterans are given sheltered employment, and in which they manufacture the hundreds of thousands of Poppies which are distributed every year at this time. By wearing a Poppy, citizens can find much satisfaction in knowing that they are helping these handicapped Veterans to obtain a livelihood, which they would otherwise lack on account of their special disabilities.

This two-fold appeal should find a ready response in the hearts and minds of the people of this ommunity, which has always been ready to make the way easier for those of its citizens who served Country and Empire in the Great War, and in the recent conflict. We recommend it to your sympathetic consideration, in the hope that you will respond generously and thus help to hold the torch flung to you by those who did not come back.

Card of Thanks

Local Member Merits Appointment

Walter E. Harris, member of Parliament for South Grey, has received the appointment of parliamentary assistant to the Secretary of State, Mr. Gibson, and will represent that department of government when the Minister is not in the House.

Following service with the Grey & Simcoe Foresters during the war,

when he was wounded in the fighting around Caen, France, Mr. Harris returned to his duties in the House of Commons and his ability and energy resulted in steady recognition of his worth. He was chairman of the special joint committee of the House and Senate which dealt with the controversial question of a distinctive Canadian flag. At present he is one of Canada's observers at the meeting of the United Nations Assembly at Lake Success, where he has been since the Assembly opened.

NEW ONTARIO TRAFFIC LAW HAS REAL "BITE"

Suspension of the drivers' licenses and car permits of some 200 Ontario motorists since July 1st, 1947, may be attributed to the amendments to the Highway Traffic Act which came into effect on that date, highway department officials say. The new legislation provides for the automatic suspension of driver's license and car permit, pending the filing of proof of financial responsibility, of any person convicted of any offence under the Act if involved in an accident.

Offences that resulted in suspension included: improper lights, defective lights, defective windshield wipers, failure to stop at through highway. Forty-four persons were convicted of careless driving, and though not involved in accidents, were temporarily prohibited by the magistrate from operating their vehicles.

Highways Department records for the first nine months of this year, show that 317 more persons had their licenses and permits suspended than for the same period last year. Comparative records for this period also show a noticeable decrease in convictions for drunk driving, 747 as compared to 836 for 1946.

While traffic safety officials agree that the new legislation has done much good, they point out that only the constant use of care and common sense by motorists and pedestrians can greatly reduce the toll of traffic accidents.

Card of Thanks

I wish to express my thanks and appreciation to my friends and relatives for acts of kindness, letters and cards during my recent illness, especially thanking Dr. Carefoot and staff of Markdale Hospital.

Holiday In Osprey For Royal Wedding

The Osprey Municipal Council had to commence its regular meeting on Saturday without the presence of its Reeve, Mr. Fred Hale, who (he could not give an entirely satisfactory excuse) was unavoidably detained. However, Mr. Archie Buie, the Deputy-Reeve, very ably filled the duties of the chair and conducted the business until Mr. Hale arrived.

For the past ten years or more, certain bridges and culverts have been promised to either be repaired or rebuilt, yet it always seemed that more pressing work was required to be done, which always absorbed the preference in time, materials and money. However, it came to the time when some of the structures decided to yield to old age and heavy traffic, and simply sank to rest usually into the creek beds). This necessitated the Council to prepare and pass a supplementary By-law to appropriate a further $5,000.00 to carry work to the end of the year.

Snow plowing and Snow Clubs came in for considerable discussion, and still having in mind the heavy expenditure of last winter, it was decided that any clubs being formed to snow plow roads for motor tarffic during the coming winter, must first present their inidvidual case for approval, before any work is undertaken.

The old saying "Everybdoy Loves a Lover" was again borne out, as the forthcoming Royal Wedding on November 20th, will be declared a Public Holiday within the Municipality.

Road Superintendant, Mr. Jas. McKenzie, presented accounts for payment to the amount of $1480.12.

General accounts ordered paid were: Mrs. Smith, care of E. Miller for October $54.25; V. Brown, sheep claim $15.00; B. Nec, valuer $1.50; H. Fenwick, claim $21.00; H. Courvoisier, claim $6.00; K. Hawkins, valuer $3.00; Jas. Davidson, placarding $5.00; Whillier & Co., supplies $108.00; F. Hale, W. L. Taylor and C. N. Long $5.00 each selecting Jurors. Council adjourned to meet on Saturday, December 6th.

IN FLANDERS' FIELDS

In Flanders' fields the poppies blow
Between the crosses, row on row
That mark our place; and in the sky
The larks still bravely singing fly
Scarce heard amidst the guns below.

We are the dead.
Short days ago we lived, felt dawn,
saw sunset glow,
Loved and were loved and now we lie
In Flanders' fields.

Take up our quarrel with the foe,
To you from failing hands we throw
The Torch—be yours to hold it high;
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders' fields.
