a Bank

THE VEIN proves rich, a shaft is sunk, and a new mining town springs into life. The main street takes form. Commercial buildings rise.

When such a development occurs, the services of a bank are needed — to handle payrolls, to keep savings accounts and, as the town grows, to furnish bank credit for the needs of the community.

This is a basic pattern in Canada's development. And part of it is the local bank manager, providing those financial services which help Canadian men and women to win the rewards of modern enterprise and modern living.

Bus Killed Deer

A large buck deer was struck by the morning Grey Coach Lines bus on Tuesday while coming from Markdale and was almost instantly killed. The animal bounded onto the road ahead of the bus and then whirled to return to the side of the road, but not in time to escape being struck by the large vehicle. The hind legs of the deer were smashed, besides internal injuries. The carcass was brought to Flesherton by the bus driver and then it was turned over to the Grey County Home at Markdale. Experienced hunters who saw the deer stated that it was one of the largest they had ever seen and would weigh about 300 pounds.

Will Ratcliffe President Vandeleur Farm Forum

Vandeleur Farm Forum met on Monday evening, November 10th at the home of Mr. and Mrs. Will Johnston and discussed the subject "The Farmer Takes a Wife." Discussion centred on the position of women on the farm, her likes and dislikes etc., and there was a marked difference of opinion on some things. Some of the ladies felt that the farmer and his wife should have a joint bank account, while others thought that seperate accounts would be better. All were agreed however that modern conveniences such as electrification and running water, better health services, higher income with shorter hours and better educational and recreational facilities would make farm life more attractive for the average woman.

A good many names were signed to a petition asking that treatment for the prevention of warble fly be made compulsory in the township of Artemesia. There was a sing song with Mrs. Carl Wilson at the piano. Crokinole was played and lunch was served.

The following officers were elected:

President, Will Ratcliff
Vice Pres., Alex Gilray
Secretary Treas., Howard Graham
Assistant, Carl Wilson

In Memoriam

WICKENS — In loving memory of our mother, who died November 15th, 1934.

We mourp for one we dearly loved,
For one we could not save,
Beloved in life and mourned in death,
Remembered in the grave.

Her loving voice we'll ne'er forge
Though years may pass away,
The loss of her we sadly feel
As keen as that first day.

When all is still and silent
And sleep forsakes our eyes,
Our thoughts are in the silent grave
Where our dear Mother lies.

What happy hours we once enjoyed,
How sweet their memories still.
But they have left an aching void
The world can never fill.

—Ever remembered by Mr. and Mrs. John Wickens and family.

Overseas Gifts Were Appreciated

Letters have been received expressing appreciation of recipients for the clothing sent overseas last spring to assist those in need in other countries. Among those received was the following from Arata Guiseppina of Cremona, Italy, by Mrs. G. A. Hutchinson of Flesherton. The letter was written in Italian and was translated in Toronto.

Dear Madam: A letter in debt to offer you my sincerest gratitude. I have received the overcoat contained in the U.N.R.R.A. package that you forwarded. My gift arrived and is more appreciated, since I have need of it to give to a family out of work and sick. Thank you again and cordial greetings to you.

—Arata Guiseppina.

Two other short letters were received by Reeve K. G. Betts from residents of London, England, on forms supplied by the Ontario British Flood Relief, the agency which distributed the supplies, as follows: Very many thanks for the clothing that I received for my baby and myself. I appreciated it very much. Thank you. — Mrs. E. Whitehead, 25 Antill Road, S. Tottenham, London N. 15, England. The other was from Mrs. M. Dring, 20 Antill Road, S. Tottenham, London N. 15: With many thanks for the clothing which I received from the people of Canada.

It is gratifying for the people to receive these letters and to know that their efforts in relieving distress reached the people for whom the gifts were intended and that they were greatly appreciated.

McLeod and respones was made by Af. Down, Past D.D.G.M. The toast to Grand Lodge was proposed by H. A. McCauley, Past D.D.G.M., and response was made by Wm. Morrow of Owen Sound, Past D.D.G.M., who spoke on the benevolent work of Grand Lodge, and of the helping hand extended to the widows and orphans of former members. He also mentioned the work done by the Grand Lodge of Canada in the Province of Ontario in relieving distress among Masons in England, Scotland and Northern Ireland.

Remembrance Day Service In Flesherton

Lowering skies with a light rain greeted those who took part in the memorial service at the cenotaph in Memorial Park at 11 o'clock Tuesday morning. Despite the inclement weather there was a very good attendance. Reeve K. G. Betts read the honor roll, followed by the Last Post and Reveille by Jack Perkins, and the laying of wreaths by Mrs. Robt. Thompson and Mrs. C. Doupe. The veterans and Public School children then marched to the town hall, headed by the pipe band.

Comrade Rev. W. A. White, E.D., was chairman for the occasion and following the call to Remembrance the hymn "O God Our Help in Ages Past" was sung by the gathering. Comrade Rev. A. G. Macpherson gave the address and asserted that Germany and Japan knew definitely waht they were fighting for. Did we? We knew that we were fighting against the definite ideas advanced by those two countries. He stated that with democracy we are free to criticise, as democracy was freely admitted to be of, for and by the people, and if government has fallen down on their democracy, it was the fault of the people, as government is no better than public opinion, so it was the task to raise public opinion.

Mr. Macpherson declared in closing his address that if democracy does not work it is our own fault. While we were fighting for the continuation of Christian civilization we have never had it, and that there is not much of the good-will of Christ in the world of today. It is up to you and me whether this country will have Christian civilization worthy of the highest principles. Mr. Macpherson asked the question "How many of us are pulling our weight in behalf of Christian civilization?" If every person pulled their own weight, then we would have a Christian civilization or true democracy.

Rev. Macpherson was guest speaker at a memorial service held by the pupils of Dundalk High School on Monday morning. Tuesday evening the members of Flesherton Branch of the Canadian Legion held their annual fowl supper in Fraternal Hall.
