St. Mary's Guild Hold Their Christmas Party

The St. Mary's Ladies' Guild of Maxwell held their Christmas party at the home of Mrs. G. Seeley. The meeting opened with the Lord's Prayer and the singing of the hymn sung at the wedding of Princess Elizabeth. Mrs. Dodds gave a reading "Get right with yourself, followed by a Christmas quizz contest and a reading by Mrs. A. Grummett. The drawing of gifts was made, after which Mrs. Pinkerton cut the Christmas cake. An enjoyable afternoon was spent by all present.

In Memoriam

LEVER—In loving memory of the late Mr. T. R. Lever who passed away on Dec. 8, 1939.

Dear dad, you are not forgotten
Though on earth you are no more,
Still in memory you are with us
As you always were before.
—Ever remembered by daughter Elva.

HAD JOYFUL FUN

You folk did get such joyful fun
Out of the prose of Council's run,
That I am tempted now to try
To prove I wrote it, and that I
Wrote it in fun and for the livin'
And expected it taken in the spirit given.
It was not meant for jibe or slight,
If you can't lose, you shouldn't fight.
The new year could be a wonderful time
To start anew and try to climb
Back to a height we once did know
When once good-feeling we did show.
We used to try and help the one
Whose luck was down and never shun
Our duty in a manly way
Alas! It is ot so to-day.
Yet if we all took heart and tried
I'm sure those feelings have not died,
We've just allowed a callous state
To let in greed and maybe hate.
Let's start anew, let's have a plan
In our treatment of the other man.
Let's help him up, not treat him spare
And really make him think we care.
No one thing that we could do
Would make the world brighter to you,
Let's start right now, come off the shelf
And next year will look after itself.
—Shake Stauff

Central Ontario Hockey Loop Has Six Teams

Central Ontario Hockey League will comprise six teams this year: Markdale, Flesherton, Dundalk, Shelburne, Grand Valley and Erin. the latter being a new entry.

At a well attended meeting at Shelburne Thursday evening, plans for the coming winter's activities were made and officers elected, as follows: Hon. Pres., Dr. S. A. McKelvie, Shelburne; President, Dr. R. L. Carefoot, Markdale; 1st Vice, Dr. S. C. Sudden, Dundalk; 2nd Vice, Bob Phillips, Flesherton; Secretary, Earl Rayburn, Shelburne.

The league voted $25 to Flesherton to assist in fitting up the arena which is undergoing extensive alterations and repairs. A further meeting will be held at Dundalk Monday night, Dec. 15th, to draw up a chedule. A complete list of players must be presented at this meeting. Non-resident students will be permitted to play. Arrangements for play-offs will also be made at this meeting.

Gesture Of Good-Will Appreciated Here

The action of the Central Ontario Hockey League in donating $25.00 to assist in the renovation of the Flesherton rink is greatly appreciated by those in charge locally. The job has been a tremendous one and during the past week over 350 yards of earth has been removed from the playing surface of the rink, by men shovelling into trucks. Each afternoon and night gangs of residents donated their survices in order to have the job done as cheeply as possible and nobody can deny that they did not do a good job. This Tuesday the County grader was being used to level the ground. The men in charge should be given a real hand, too. The lighting system of the rink has been changed and will be one of the best lighted on the circuit, as 24 lights will be available for hockey games.

Financial Statement Of Service Club Committee

In view of the progress which has been made in renovating the local skating rink to a condition of safety and permanance, it is felt that the residents of this community should be kept properly informed in respect to the condition of the finances, the method of financing and objectives.

At the time the Flesherton Service Club was formed, the first urgent project undertaken was that of providing adequate skating and hockey facilities. The local skating rink, privately owned, was not in suitable condition for operation and it was the unanimous opinion of the Club to purchase it, and effect such repairs as would make it a permanent or semi-permanent going concern. There was some doubt as to whether the building could be satisfactorily repaired. Present condition of the building and the method of repairs effected, clearly indicate that the building can now be positively considered sound and permanent.

Owing to the fact that other interests were prepared to immediately negotiate for the purchase of the buildng from the vendor, it was a matter of expedience for the Service Club to raise the required funds necessary for the cash purchase on very short notice. The finance committee of Flesherton Old Home Week unanimously approved of the transfer of $850.00 of cash on hand, to be applied toward the purchasing of the building. To complete the agreement it appeared that the plausible method .under the pressing time factor) lay in the securing of a large number of collateral notes from citizens of tangible assets, which in turn could be immediately converted into bank credit. Approximately $3000.00 of collateral security was obtained in a matter of a few days on which the local bank approved a loan of $2000.00. The purchase of the rink was satisfactorily negotiated.

It is now the intention of the finance committee to make this project solvent and to this end efforts will be directed:

(1) To public donation within the local community.
(2) To financial support from companies and individuals outside the community.
(3) To financial assistance f the local municipality.

The canvas of the local community has now commenced. It is hoped that everyone will be given an portunity to assist this worth-while project.

A list of all those who have given financial assistance will be published periodically.

—Finance Committee: R. J. MacDougall, Doug. MacArthur, Howard McGee, Frank Taylor, K. G. Goheen.

U. F. Co-operative Had Successful Year

(By Hugh Bailey)

At a time when the farmers of Ontario are at the crossroads regarding the future, when they face uncertainty regarding markets, supplies and delivery of feed, prices for their livestock, dairy and poultry products and in estimating their cost of production, and when they face adjustments in tariffs and quotas, your central wholesale is able to report progress — progress, which, I believe, if extended far enough, would assist very materially in solving these problems.

Our volume for the year, including livestock sales on a commission basis, was $27,414,439.78. Net savings for the year, after providing for depreciation, interest on loan capital and employees' bonus, amounted to $322,-$871.34. The liquid position has improved during the year and now stands at $585,802.22.

The proportion of our total sales made to affiliated co-operatives has increased, so that it now stands at 70 percent. Distribution of earnings to members amounted to $140,971.36, half of which was paid in cash. In addition, individual shippers of eggs, pou try and cream are bing paid $80,068.28.

A copy of the consolidated balance sheet and statement of earnings has been mailed to shareholders, along with interest cheques and a full report of the company's affairs was presented to the annual meeting held in Toronto on December 3rd and 4th.

Rod And Gun Club Hunt

Although 14 hunters turned out to the jackrabbit hunt last Saturday, the catch was small, only four jacks and two foxes being taken. Frank Taylor's bus has been charted for Saturday, so there should be a good turn-out, the fare being only 35 cents each. The hunt is still open to everyone., but you are invited to join the club at only $1 a year for membership.

A meeting of the Rod and Gun Club will be held at the Munshaw House next Tuesday evening, Dec. 16, at 8:15, so be on hand.
