FIRE DEPARTMENT.

The Company commenced business in October, 1861, as a Fire Office, and was called up to existence to modify the excessive rates demanded by the combined Offices after the Great Fire in Tooley Street, London. The success which has attended the Company's operations has been such as fully to realize the most sanguine expectations of the Directors, and has induced them to extend their operations to Canada, where the General Agents are prepared to take proposals for Insurance against Loss by Fire of Property of every description.

LIFE DEPARTMENT.

The marked preference shown for an Office which studies the interests of the Public as well as of its Proprietary, induced the Directors to transact Life Business with the intention not to favor one class of Policy-holders at the expense of another, but, resolved that the same liberal views which have gained for the Office the confidence of the Public in its Fire Branch, shall guide them in the management of the Life Department, they extend to the Assured every benefit which science warrants or experience suggests.

Among the benefits of this Company may be enumerated—Moderate Rates o Premium—Eighty per cent of the Profits divided among the Assured—Very liberal surrender value given after three years—Thirty days allowed for payment of Premiums, and further extension of time on easy terms—Unchallengeable Policies—Credit System—Service permitted in Volunteer Corps—Convenient and liberal terms, whereby no Policy need lapse, through any temporary difficulty, in the payment of a Premium.

Further and fuller information may be obtained by calling at the Office, Nos. 221 and 223 St. Paul Street.

AYER'S
**Sarsaparilla**
FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints:

**Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.**

OAKLAND, Ind., 6th June, 1860.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous diathesis, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from anything. In fact, the disorder grew worse. At length I was induced to read in the Gospel Messenger that I had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. I sent to Cincinnati and got it and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you that I hold you to be one of the benefactors of the age. Yours, Yours,
ALFRED B. TALLEY.

**St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.**

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same. He says he cures the common *Eruptions* by it constantly.

**Bronchocele, Goitre or Swelled Neck.**

Zebulon Sloan, of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

**Leucorrhea or White, Ovarian Tumor, Uterine Ulceration, Female Diseases.**

Dr. J. B. Chenault, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhea by it, and some where the complaint was caused by *ulceration of the uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous *cancerous tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

**Syphilis and Mercurial Disease.**

NEW ORLEANS, 20th August, 1859.

—DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate, and the top of his mouth. Your Sarsaparilla steadily-taken cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to the administration of your Sarsaparilla, the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from the pains in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from the formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, D. V. LARIMER, M. D.

**Rheumatism, Gout, Liver Complaint.**

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER—Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Juley Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried everything, and everything failed to relieve me, and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Kopp, advised me to try your Sarsaparilla, because he said he knew you, and anything you made was worth trying. By the blessing of God it has cured me, and I am now made my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

**Schirrus, Cancer Tumors, Enlargement, Ulcerations, Caries and Exfoliation of the Bones.**

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

**Dropepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.**

Many remarkable cures of these diseases have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do, for them all that medicine can do.

**Ayer's Cherry Pectoral,**

FOR THE RAPID CURE OF

**Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.**

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidences of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities or even families, among those who have had some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know too the efficacy of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass.

THAT THE

GREAT SHOSHONEES REMEDY

OF THE CELEBRATED INDIAN, DR. LEWIS JOSEPHUS, OF THE DISTINGUISHED TRIBE OF SHOSHONEES, BRITISH COLUMBIA, IS NOW FOR SALE IN CANADA.

THIS all-possessing Great Indian Remedy is warranted, and in broad and emphatic language, we can safely say may be relied upon to make a permanent cure of all Diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, excepting the third stage of Consumption. In the Western Country, where this Great Remedy has been in use for a short time, it has indeed affected some of the most Marvellous Cures, ever recorded in the annals of Historical Medicine. Such being the case, in addition to its former renown and celebrity, we defy humanity to dispute the fact, that this, the Great Shoshonees Remedy, in connection with the Shoshonees Vegetable Restorative Pills, is the Remedy of Remedies of the 19th Century, and the greatest boon ever laid at the alter of suffering humanity. For the discovery of this Wonderful Remedy, the world is indebted to Dr. Jasper, formerly of St. Louis, Mo., who spent, before he succeeded, over two long years in Columbia, endeavoring to obtain from Dr. Josephus the life-long secret of preparing it. Dr. Jasper, with Dr. Hall and several other physicians of St. Louis, witnessing the astounding curative effects of the Great Shoshonees Remedy, entered into combined cogitation for the purpose of ascertaining the peculiar mode of action of this Great Remedy, and the result of their researches was that the wonderful healing properties of the Remedy were due, not only to its salutary effect upon the blood and the organs themselves, for diseases of which it is recommended, but also on the Digestive Organs and more particularly upon the Lacteal Vessels, which Lacteal Vessels constituting the New Theory of Disease, as well as history of the Discovery of the Remedy, Certificates of Cures, &c., &c., are fully laid down in the Treatise accompanying each bottle of the Remedy.
