Flesherton 5, Markdale 3

Central Ontario League hockey was introduced in Flesherton for this year on New Year's Day, with Markdale as visitors, and Flesherton were the winners when the last period was finished. Markdale scored in the first period, when Fitzsimmons took a pass at centre ice and went in to beat Andrews at the eight minute mark, and that ended the scoring with both teams having chances to score. The second period saw Flesherton pressing right from the start and their efforts were rewarded with a goal at the two-minute mark by G. Chard, on assists by Boyd and Bannon to tie the score. Cairns put the locals ahead on a pass from Turney ten minutes later. Markdale tied it up when A. Wodehouse scored on a long shot from centre ice and three minutes after Fitzsimmons shot his secood goal of the afternoon, on a pass from McCullough on a face-off in the corner, and Markdale was again in the lead by one goal.

The last period was all Flesherton and K. Chard tied the game up in the first minute of play. Hartley was banished for tripping Boyd and H. Best soon followed him to the cooler for a trip. Ken Chard then added another four minutes later from G. Chard and Boyd, and then put the game on ice from a face-off just before the period ended. Cairns and Ken Chard notched two goals, with Boyd and G. Chard one each.

It was a different aggregation on New Year's Day that allowed Dundalk to walk over them 8-1, although the roster of players was about the same. "Pete" Dargavel was out for this game, and when he gets into condition should be a real centre ice star, although he always played a wing prior to this year.

Markdale — goal, McRae; defence, Lawrence, Mayne; centre, Hartley; wings, Fitzsimmons, Alton; alternates, A. Wodehouse, H. Wodehouse, Proctor, G. Cherry, McCullough, Brooks, Falls.

Flesherton — goal, Andrews; defence, H. Best, Bannon; centre, D. Cairns, wings, R. Best, R. Turney; alternates, Teeter, Dargavel, Piper, Boyd, G. Chard, K. Chard, E. MacTavish.

Referee: Jack Magee, Markdale.

Shelburne 9, Flesherton 2

Shelburne had the Indian sign on the Flesherton team Monday evening when they romped home with a 9-2 score. The first period was all Shelburne, with Paget scoring three goals and J. Woods and Brooks one each. The second period Shelburne made the score 6-0 when Grainger counted and K. Chard notched the first tally for Flesherton from Boyd's pass. Paget and Grainger each counted for Shelburne. At 4:33 in the third period Turney took a pass from H. Best at the Flesherton blue line, wove through the defence and Rayburn stopped his shot and then Bob slammed home the rebound. It was the nicest try of the evening. Four minutes later Grainger added the ninth for Shelburne to end scoring.

Three penalties were handed out H. Best, Brooks and Rolston taking the counts.

Referee — Springgay; linesman Scilley.

Shelburne — goal, Rayburn; defence, Firth, McConnell; centre, Grainger; wings, Banks, Paget; alternates, Wood, Rolston, McKelvey, McMullen, J. Woods.

Flesherton — goal, Ferris; defence, H. Best, McTavish; centre, Boyd; wings, K. Chard, G. Chard; alternates, Cairns, R. Best, Turney, Dargavel, Piper, Teeter, Gorrell and Bannon.

Two Indians had been much interested in the building of a lighthouse on the rock coast near their western reservation. When it was pompleted, they stood watching it every night. A thick fog came in one evening, and the siren blew continuously.

"Ugh," said one Indian to the other, "the light she shine, the bell she ding-dong, the horn she whoo-whoo, but the fog she come just the same."

Snow Plowing And The Rural Mail Courier

In Culross, as elsewhere, farmers ars asked to move their mail boxes back from the roadway a sufficient distance to enable snow plow operators to wing back the snow. Immediately the request was made rural mail couriers voiced disapproval, claiming that it's difficult enough making winter delivery ordinarily—but with boxes moved back from the road it is an added hardship.

This is quite a problem. Both parties have legitimate complaints, and it looks as if Mr. Farmer is going to be left to iron out the situation. For successful snow plowing there should be clear sailing, unhindered by too-close obstacles such as mail boxes. On the other hand, there is no occupation carrying more winter hardships than that of the rural mailman.

In order to satisfy both parties, the farmers will have to devise a system of mounting the box on a higher pole well back from the road, to swing on a pivot either sideways or perpendicular by a rope handy to the roadside, or some such system. — Teeswater News.

Mother (noting her torn dress and tear streaked face, and remembering the Jones boy was twice her size): "And what did you do?"

A negro minister discovered two men playing cards on Sunday and for money. "Rastus," said the minister, "don't you know it's wrong to play cards on the Sabbath."

"Yes, passon," answered Rastus ruefully, "but believe me, I's payin' for mah sins."

"Does your husband always live up to his promise of his courtship days?"

"Always. In those days he said he was not good enough for me, and he's been proving it ever since."
