THE GOOD MAN

Almost every day you can pick up some paper and read an editorial on the subject of the badness of the human race. It may be juvenile delinquency, adult depravity, the increase of violent crimes or something similar, but it will be depressing to read and distressing to think about and maybe it will do a lot of good if thought leads to action. That is the general idea in writing editorials.

But just go about your day's work trying to do good, and you probably never make the editorial page. So once we are going to try to place a bit of credit where credit is due and to give a hand to the vast majority of fellow citizens who never contemplate crimes, who nive their daily lives in at least the semblance of good fellowship, and in whom charity greatly overshadows the minor faults of gossip and envy and maybe a bit of malice to which sins we are all heirs and all too prone to take up our inheritance.

This is about Bill Jones and John Smith who wake up in the morning, probably groan a bit and then go about the daily business of earning their bread and that of their families as a matter of fact They steal nothing more serious than an extra hour of sleep, they do a good job and go home at night, glad to see their wives and families, happy to know the events of the day and more ready for sleep in preparation for the next day's work. Nobody ever takes any notice of them unless they go on strike or die, and neither is a very happy occasion.

And yet, for every criminal who makes the headlines there are thousands and thousands of Smiths and Jones and other Canadian families of good repute who only get there when they become material for an obituary. It just isn't fair.

So we are paying tribute to the good, God bless them. All the little men in little towns and big men in big towns and honest men in both, who are the warp and woof of the fabric of our living, who fight for us in war and live for us in peace. They are the life and the hope of Canada.—Elora Express.

"Bobby," said the teacher sternly, "you know that you have broken the eighth commandment by stealing John's apple?"

"Well, miss," replied the unrepentant boy, "I thought I might as well break the eighth and have the apple as break the tenth and only covet it."

Markdale 10, Flesherton 6

Markdale took the second game of the quarter final series played at Markdale Wednesday night last by the score 10-6, after Flesherton had led in the first period 4-3. The game was one of the fastest played this winter and the large crowd enjoyed a real good game. Penalties and injuries had their effect on the local team in the dying minutes of the game when Markdale rapped in five goals in the last period.

Cherry opened the scoring at the 39 second market and then Boyd tied it up unassisted, followed by Turney taking Cairns pass to place the team ahead. Wodehouse tied it up again and then two goals by Cairns from Turney and R. Best from H. Best placed them two adead and H. Wodehouse took Hartley's pass to leave Markdale one down. H. Best received a tripping penalty.

In the second period Markdale ended the period one up when H. Wodehouse notched two goals. Three minor penalties were handed Flesherton in this period, Bannon, Boyd and Dargavel.

Cairns tied up the game again for Flesherton when Cairns converted Turney's pass and K. Chard sent the Majors ahead when he beat Stewart on G. Chard's pass. "Hank" Best plowed into the Markdale net and hit the goal post with his bad shoulder, which slowed him down and Doug Cairns lifted the Markdale net from its fastenings and injured his side with five minutes to go and that was the end for Flesherton. Cherry tied up the contest again and four more goals were scored to bag the game, H. Wodehouse unassisted, Fitzsimmons from the two Wodehouse boys, Hartley unassisted and McCullough from Cherry.

Flesherton — goal, Ferris; defence Bannon, Best; centre, Boyd; wings, G. Chard, K. Chard; alternates: Turney, Cairns, R. Best, Piper, Gorrell, Dargavel, Teeter.

Markdale — goal, Stewart; defence, Fitzsimmons, Mayne; centre, McCullough; wings, Cherry, Falls; alternates: H. Wodehouse, Hartley, D. Wodehouse, Alton, Proctor.

Referee: Art. Hayward. Owen Sound; Linesman: Banks, Shelburne.

FLESHERTON

Markdale 9, Flesherton 8

Flesherton Majors lost their second game in the Central Ontrio playoffs Saturday night, when they dropped a close 9-8 game to Markdale Lumber Kings in a driving finish. The game was featured with seven penalties handed to Flesherton by Referee Bob Phillips and two to Markdale. Phillips was pressed into service when Banks and Grainger of Shelburne failed to arrive due to the severe storm prevailing. It was not a fair deal to either Phillips or the Flesherton team, but Bob refereed a good game and dealt out the penalties where they were deserved and while he missed on a couple of Markdale crashes into the boards and butt-ends by one Markdale player. especially, the penalties he gave out were earned. However, it was not Phillips who lost the game, but the players, themselves, who received the penalties. They had a fair chance to beat Markdale Saturday night but a penalty in the third period gave Markdale two goals after the game had been tied up by Flesherton.

The first period was all Markdale when Fitzsimmons, Cherry and McCullough counted before the Majors came through with one by G. Chard from Boyd. Then Alton and A. Wodehouse scored, and Boyd added another for Flesherton, the period ending 5-2 for Markdale. Penalties were given to Cairns, Turney and Bannon for Flesherton and McCullough for Markdale.

The second period was more even with each team counting twice when Flesherton made the score 5-4 on goals by G. Chard from K. Chard and Boyd and Cairns from Turney. Two more were counted by Markdale to make the count 7-4 at the end of the second period by Alton from McCullough and Cherry from McCullough. Penalties were awarded to Fitzsimmons of Markdale and MacTavish and Turney of Flesherton.

Three goals by Flesherton in the first eleven minutes of the third period tied the score at 7-7, these being tapped home by Turney from H. Best, G. Chard from Dargavel and Cairns from Turney. "Hank" Best then took a trip to the penitent bench, and we mean just that, when he took the feet from under an opponent, and then Markdale put on the pressure with the result that Fitzsimmons and McCullough put them 2 up. At 18.47 of the period Boyd handed Cairns a lovely pass that put Flesherton in the run-again, but in the remainder minute and 13 seconds were unable to tie it up, when Cairns was forced to retire when he was put into the boards by Fitzsimmons, aggravating the injury received in Markdale Wednesday.

While it was a tough game to lose, it was only caused by penalties. The team is not down and out yet and if they play the hockey of which they capable this Wednesday night in the Markdale arena, will win the game.

"Hank" Best did not come into the game until the third period, which was played under protest by Markdale, as he has had considerable illness in his family during the past week and was securing a nurse for his little son in Markdale hospital with pneumonia. We doubt if we have heard a player given such an ovation on Flesherton ice as when "Hank" skated out to take his place in the third period. The cheers were not punctured with jeers as is the usal custom of his opponents. Both friend and foe lauded his appearance in order to help the team along, despite the worry he has been under.
