POLICE COURT, Monday.—If times outside the Police Court are dull, those inside are duller still. There were no prisoners this morning. The only case was that of John Larkin, charged with selling butchers meat on the market without owning a stall in the shambles. He denied being a butcher, and after a single witness was examined, the case was adjourned until Thursday next.

AGRICULTURAL MACHINERY FOR CANADA AND THE STATES.

The very high duties levied upon English agricultural machinery by the Canadian government have almost entirely prevented its export to that important colony. The duties under the commercial treaty with the United States were so much more lower that the Americans had a monopoly of the market. The leading makers of English agricultural machinery have recently memorialised the Colonial Office upon the subject of lower duties, setting forth the hardship of being practically shut out from one of our largest colonies, and the loss sustained by the colonist in being debarred the use of our improved implements. The Hon. Mr. Cardwell has transmitted the memorial of the Governor of Canada for the consideration of the provincial government. English agricultural machinery is also by the high scale of duties imposed shut out of the United States, whilst England receives American reaping and other agricultural machinery duty free. We learn that Mr. James Howard is about to proceed to America with a view to obtain some concession. He has our hearty wishes for his success.—Bell's Messenger.

AGUA DE MAGNOLIA.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1.00 in large bottles, and by DYMAS BARNES & Co., New York, Wholesale Agents.
SARATOGA SPRING WATER, sold by all Druggists.

"Jes' so!"—"Exactly!"—Solon Shingle said; they were there "every time." If he felt "owley" in the morning, he took Plantation Bitters; if he felt weary at night, he took Plantation Bitters; if he lacked appetite, was weak, languid or mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pins square and firm.

Few persons want any better authority; but as some may, just read the following:

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGONER, Mad'ld, N.Y."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
REV. C. A. MILLWOOD, New York City."

"* * * * I had lost all appetite—was so weak and emaciated I could hardly walk, and had a perfect dread of society. * * * The Plantation Bitters have set me all right.
JAMES HEMINWAY, St. Louis, Mo."

"* * * * The Plantation Bitters have cured me of a derangement of the Kidneys and Urinary Organs, that distressed me for years. They act like a charm.
C. C. MOORE, 254 Broadway, N.Y."
Mrs. O. M. DEVOE, manager of the Union Home School for Soldiers' Children, says she "has given it to the weak and invalid children under her charge with the most happy and gratifying results." We have received over a hundred cases of such testimonies, but no advertisements are so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original quality and high character of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a good article cannot be sold as low as a poor one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

OVER A MILLION DOLLARS SAVED!

Gentlemen:—I had a negro man worth $1,200 who took cold from a bad hurt in his leg, and was useless for over a year. I had used everything I could hear of without benefit, until I tried the Mexican Mustang Liniment. It soon effected a permanent cure."
Montgomery, Ala., June 17, 1865. J. L. DOWNING.

"I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensible article for Sprains, Sores, Scratches or Galls on Horses. Our men have used it for Burns, Sores, Rheumatism, &c., and all say it acts like magic."
J. W. HEWITT,
Late Quartermaster for American, Wells, Fargo's and Harnden's Express.

"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after she commenced using your celebrated Mustang Liniment."
Gloucester, Mass., Aug. 1, 1865. ED. SEELEY."

It is an admitted fact that the Mexican Mustang Liniment performs more cures in shorter time, on man and beast, than any article ever discovered. Families, livery men and planters should always have it on hand. Quick and sure it certainly is.—All genuine is wrapped in steel-plate engravings, bearing the signature of G. W. Westbrook, Chemist, and the private U.S. stamp of DYMAS BARNES & Co. over the top.

An effort has been made to counterfeit it with a cheap stone plate label. LOOK CLOSELY.
SARATOGA SPRING WATER, sold by all Druggists.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair from turning grey and falling off.
It restores hair upon prematurely bald heads.
This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the ear load, and yet its almost incredible demand is daily increasing, still there is hardly a country store that does not keep it, or a family that does not use it.
E. THOMAS LYON, Chemist, N. Y.
SARATOGA SPRING WATER, sold by all Druggists.

Who would not be beautiful? Who would not add to their beauty? What gives that marble purity and distinguished appearance we observe upon the stage, and in the city belle? It is no longer a secret. They use Hagan's Magnolia Balm. Its continued use removes tan, freckles, pimples and roughness, from the face and hands, and leaves the complexion smooth, transparent, blooming and ravishing. Unlike many cosmetics, it contains no material injurious to the skin. Any Druggist will order it for you, if not on hand, at 50 cts. per bottle.
W. E. HAGAN, Troy, N.Y., Chemist.

SARATOGA SPRING WATER, sold by all Druggists.

Heimstreet's Infinitable Hair Coloring is not a dye. All instantaneous dyes are composed of lunar caustic, and more or less destroy the vitality and beauty of the hair. This is the original Hair Coloring, and has been growing in favor over twenty years. It restores grey hair to its original color by gradual absorption, in a most remarkable manner. It is also a beautiful hair dressing. Sold in two sizes—50 cents and $1—by all dealers.

WORMS! WORMS!

Now is the season of the year when parents cannot be too careful of the health of their little ones, and drive from their system all impurities which feed and harbor WORMS.

Dr. McKenzie's Dead Shot Worm Candy Stick

Will prove an effectual remedy, and can be safely administered to the most feeble infant, having no CALOMEL or other MINERAL SUBSTANCES CONTAINED IN IT.

Too much cannot be said in its praise, and we would earnestly advise all who need a safe, pure and reliable worm-destroyer, to use it in their families, well knowing that once given a fair trial, it will soon become a permanent institution in every household.

Sold by all dealers. GET OUR ALMANAC.

CLEANLINESS.—A Stove most brilliantly polished in two minutes for less than one farthing!—W. G. NIXBY'S celebrated Registered Black Lead (a new domestic discovery) cannot be wasted, and is a preservative of Furniture from the injurious effects of the common article now in use, as it creates no dust, and requires comparatively no labor.

SOLD EVERYWHERE, in Solid Blocks, 1d, 2d, 4d, and 1s.

The advantages of this Elegant Chemical Preparation are—great saving of time, cleanliness of application, smallness of quantity required, and the prevention of waste, dust, and its destructive consequences. Further, it ultimately produces a pure metallic coating of a high degree of brilliancy and durability, reflecting both light and heat. (See specimen on the side of each block.)
