Markdale Took Series

On of the fastest and best games of the series was played at Markdale Thursday night, when Flesherton Majors went down to defeat by the Markdale Lumber Kings in a thrilling 7-6 overtime game. This win put Markdale into the final series of the Central Ontario League with Dundalk, who had defeated the Shelburne, team, undefeated in the league schedule.

The first period ended 4-2 for Markdale, the Flesherton goals being scored by G. Chard, one on an assist from Dargavel. The second period was mainly composed of close checking all through, with both goalies making some sensational saves, and there was no scoring.

Flesherton tied up the contest at the start of the third, which was a Cairns-Boyd agair. Hartley and McCullough put Markdale two up and with Hank Best and Fitzsimmons serving penalties, Cairns took two more with only four seconds between, Boyd having both assists. In the ten minute overtime period the local lads worked extra hard but a goal scored by Fitzsimmons while on his stomach was disheartening and another by H. Wodehouse put Markdale two up and it looked as though this was the end but Cairns had another kick with the old stick and with six seconds to go added his fourth goal of the night on a nice pass from G. Chard. It was curtains for Flesherton, but they never gave up trying.

VANDELEUR

(Intended for Last Week)

Vandeleur Farm Forum met on Monday, March 1st, at the home of Carl Wilson and discussed the question "What the machine has done for us." The Forum felt that it was almost a necessity to mechanize the small farm, because of the shortage of manpower and the efficiency of machinery, but heavy, expensive machinery should be co-operatively owned or made available to the farmers by the government or municipiltay. The president, Will Ratcliffe, presided and two groups were formed with Billie Johnston ond Mrs. Wilson as secretaries, and Alex. Gilray and Miss Wakefield as leaders. Arrangements were made to convas the school section for the Canadian Appeal for Children, and the canvassers appointed were: Billie Johnston, Alex. Gilray and Vernon Fawcett. Plans were made for the fowl supper for members, to be held at the close of the series.

MORE RURAL LINES!

THIS YEAR ALONE we are spending $4,000,000 so that more farms will have telephones with fewer people on each line.

• • •

For the best telephone service, remember the master rule, "Do unto others as you would like them to do to you—and do it first!"

For best results from your telephone:
1. Keep calls brief.
2. Space your calls.
3. Avoid "listening in."
4. Give right-of-way to emergency calls.
