ARRIVAL OF THE SHANDON.—The ship Shandon, Captain McConnell, from Glasgow, June 20, arrives in port at noon yesterday, thus making the run from Glasgow to this port in one month and two days. The Shandon is the first arrival from sea on her second voyage this year. Capt. McConnell deserves great praise in keeping up the name of the Shandon for being always the first arrival from sea.—Quebec Chronicle, Monday.

CLEANLINESS.—A Stove most brilliantly polished in two minutes for less than one farthing!—W. G. NIXEY'S celebrated Registered Black Lead (a new domestic discovery) cannot be wasted, and is a preservative of Furniture from the injurious effects of the common article now in use, as it creates no dust, and requires comparatively no labor.

SOLD EVERYWHERE, in Solid Blocks, 1d, 2d, 4d, and 1s.

The advantages of this Elegant Chemical Preparation are—great saving of time, cleanliness of application, smallness of quantity required, and the prevention of waste, dust, and its destructive consequences. Further, it ultimately produces a pure metallic coating of a high degree of brilliancy and durability, reflecting both light and heat. (See specimen on the side of each block.)

PERRY DAVIS' VEGETABLE PAIN KILLER, (AT THE OLD PRICE.)

Beware of Counterfeits and Worthless Imitations.

March, 1866.

AGUA DE MAGNOLIA.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1.50, in large bottles, and by DEMAS BARNES & Co., New York, Wholesale Agents.

SARATOGA SPRING WATER, sold by all Druggists.

"Jes' so!"—"Exactly!"—Solon Shingle said; they were there "every time." If he felt "owley" in the morning, he took Plantation Bitters; if he felt weary at night, he took Plantation Bitters; if he lacked appetite, was weak, languid or mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pins square and firm.

Few persons want any better authority; but as some may, just read the following:

"* * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGONER, Mad id, N.Y."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. C. A. MILLWOOD, New York City.

"* * * I had lost all appetite—was so weak and enervated I could hardly walk, and had a perfect dread of society. * * * The Plantation Bitters have set me all right.

JAMES HEIMINWAY, St. Louis, Mo

"* * * The Plantation Bitters have cured me of a derangement of the Kidneys and Urinary Organs, that distressed me for years. They act like a charm.

C. C. MOORE, 254 Broadway, N.Y."

Mrs. O. M. DEVOE, manager of the Union Home School for Soldiers' Children, says she "has given it to the weak and invalid children under her charge with the most happy and gratifying results." We have received over a hundred reams of such certificates, but no advertisements so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original quality and high character of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a good article cannot be sold as low as a poor one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

OVER A MILLION DOLLARS SAVED!

Gentlemen:—I had a negro man worth $1,200 who took cold from a bad hurt in his leg, and was useless for over a year. I had used everything I could hear of without benefit, until I tried the Mexican Mustang Liniment. It soon effected a permanent cure."

Montgomery, Ala., June 17, 1859. J. L. DOWNING.

"I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensible article for Sprains, Sores, Scratches or Galls on Horses. Our men have used it for Burns, Sores, Rheumatism, &c., and say it acts like magic."

J. W. HEWITT, Agent American, Wells, Fargo's and Harnden's Express.

"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after she commenced using your celebrated Mustang Liniment.

Gloucester, Mass., Aug. 1, 1865. ED. SERLEY."

It is an admitted fact that the Mexican Mustang Liniment performs more cures in shorter time, on man and beast, than any article ever discovered. Families, livery men and planters should always have it on hand. Quick and sure it certainly is.—All genuine are wrapped in steel-plate engravings, bearing the signature of G. W. Westbrook, Chemist, and the private U.S. stamp of DEMAS BARNES & Co. over the top.

An effort has been made to counterfeit it with a cheap stone plate label. LOOK CLOSELY.

SARATOGA SPRING WATER, sold by all Druggists.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning grey and falling off.
It restores hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

SARATOGA SPRING WATER, sold by all Druggists.

Who would not be beautiful? Who would not add to their beauty? What gives that marble purity and distinguished appearance we observe upon the stage, and in the city belle? It is no longer a secret. They use Hagan's Magnolia Balm. Its continued use removes tan, freckles, pimples and roughness, from the face and hands, and leaves the complexion smooth, transparent, blooming and ravishing. Unlike many cosmetics, it contains no material injurious to the skin. Any Druggist will order it for you, if not on hand, at 50 cts. per bottle.

SARATOGA SPRING WATER, sold by all Druggists.

Heimstreet's inimitable Hair Coloring is not a dye. All instantaneous dyes are composed of lunar caustic, and more or less destroy the vitality and beauty of the hair. This is the original Hair Coloring, and has been growing in favor over twenty years. It restores gray hair to its original color by gradual absorption, in a most remarkable manner. It is also a beautiful hair dressing. Sold in two sizes—50 cents and $1—by all dealers.

Frontenac Brewery.

PALE ALE

Farmer Jollyboy sat in his old arm-chair,
Ruddy as a cheek and his brow was clear,
Over his glass his spirits were light,
None ever was filled with ale more bright.
To his Wife at the wheel, he joyously spoke,
Enlivening her with his mirth and his joke.
Need I tell you the ale that his stars beamed o'er
And kept grief and disease far away from his door,
Crichton 't was brewed by?—'tis readily guess'd,

Best brewer by far, search from east to the west,
Right cheerful, he said to his wife by his side,
Jen, if ever in life by ill feelings we're tried,
We'll resort to this ale, for I truly can say,
Envy, hatred and malice 'twill banish away,
Right certain I am that the world will agree,
Youth and age have no friend like their friend Jo.C.
