A despatch, dated London, July 26, says Parliament will be asked to guarantee four millions sterling for the construction of the Intercolonial Railway from Halifax.

The steamer Cleveland of the Northern Transportation Company's Line, which sunk off Bar point some three weeks since, was raised on Monday, but immediately after capsized and sunk owing to the escape of air from her boiler. She was raised again on Tuesday, but sunk again, owing to the same cause. Efforts are being made to bring her to the surface again.—Cleveland Plaindealer.

SALMON FISHING EXTRAORDINARY.—The Quebec Chronicle publishes the score of this season's fly-fishing on the River Moisie which, so far as we know, surpasses anything on record. Two rods fished for nineteen days and killed 124 fish weighing 2517 lbs., an average of over 20½ lbs. The 10 largest fish averaged 32 lbs., and the 20 largest 29½ lbs. We have never seen such heavy weights chronicled. Six grilses are added into the published statement which (corrected) shows in all 130 salmon, weighing 2569 lbs. The sportsmen ceased fishing on the 8th July—in the very middle of the season. In the same river, in 1862, three rods fished 25 days, killing 318 fish averaging about 15 lbs.; in 1863 three rods fished 16 days, killing 139 fish averaging 16½ lbs. The weights thus increasing from year to year.

SARATOGA SPRING WATER, sold by all Druggists

"Yes! so I"—"Exactly!"—Solon Shingle said; they were there every time." If he felt "owley" in the morning, he took Plantation Bitters; if he felt weary at night, he took Plantation Bitters; if he lacked appetite, was weak, languid or mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pins square and firm.

Few persons want any better authority; but as some may, Justice of the following:

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.
"REV. W. H. WAGONER, Med. Id. N.Y."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
"REV. C. A. MILLWOOD, New York City.

"* * * I had lost all appetite—was so weak and emaciated I could hardly walk, and had a perfect dread of society. * * * The Plantation Bitters have set me all right.
"JAMES HEIMINWAY, St. Louis, Mo.

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and Urinary organs, that distressed me for years. They act like a charm.
"C. C. MOORE, 224 Broadway, N.Y."

"Mrs. O. M. DEVOE, manager of the Union Home School for Soldiers' Children, says she "has given it to the weak and invalid children under her charge with the most happy and gratifying results." We have received over a hundred testimonials of such character, but no advertisement is so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original quality and high character of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village, parish and hamlet among civilized nations. Base imitators try to come in near our name and style as they can, and because a good article cannot be sold as low as a poor one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

OVER A MILLION DOLLARS SAVED!

Gentlemen:—I had a negro man worth $1,200 who took cold from a bad hurt in his leg, and was useless for over a year. I had used everything I could hear of without benefit, until I tried the Mexican Mustang Liniment; it soon effected a permanent cure."

Montgomery, Ala., June 17, 1859. J. L. DOWNING.

"I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensible article for Sprains, Sores, Scratches or Galls on Horses. Our men have used it for Burns, Sores, Rheumatism, &c., and all say it acts like magic."
J. W. HEWITT,
Ferryman for American, Wells, Fargo & Harnden's Express.

"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after she commenced using your celebrated Mustang Liniment.
Gloucester, Mass., Aug. 1, 1865. ED. SEELEY."

It is an admitted fact that the Mexican Mustang Liniment performs more cures in shorter time, on man and beast, than any article ever discovered. Families, livery men and planters should always have it on hand. Quick and sure it certainly is.—All genuine is wrapped in steel-plate engravings, bearing the signature of G. W. Westbrook, Chemist, and the private U.S. stamp of DEMAS BARNES & Co. over the top.

An effort has been made to counterfeit it with a cheap stone plate label. LOOK CLOSELY.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning grey and falling off.
It restores hair upon prematurely bald heads.
This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

Who would not be beautiful? Who would not add to their beauty? What gives that mable purity and distingue appearance we observe upon the stage, and in the city belle? It is no longer a secret. They use Hagan's Magnolia Balm. Its continued use removes tan, freckles, pimples and roughness, from the face and hands, and leaves the complexion smooth, transparent, blooming and ravishing. Unlike many cosmetics, it contains no material injurious to the skin. Any Druggist will order it for you, if not on hand, at 50 cts. per bottle.

Helmstreet's inimitable Hair Coloring is not a dye. All instantaneous dyes are composed of lunar caustic and more or less destroy the vitality and beauty of the hair. This is the original Hair Coloring, and has been growing in favor over twenty years. It restores gray hair to its original color by gradual absorption, in a most remarkable manner. It is also a beautiful hair dressing. Sold in two sizes—50 cents and $1—by all dealers.

The Richmond Whig said: Herr Lengel's feats with the wild animals furnish a wonderful evidence of what nerve, cool courage and determination can achieve. The animals are splendid specimens of the genus feline, and having been but recently captured and caged, retain the major portion of their innate ferocity. All the animals of this species that "lion kings" have handled were trained, and to a certain extent rendered docile. But these creatures know but little of caressing, and appear to be opposed to either kindness or familiarity. Herr Lengel enters the den with apparent unconcern, and although they growl, spit (cat-like) and strike at him, he makes them keep their distance. He feeds them, and absolutely tears A PIECE OF MEAT from THE CLUTCHES OF THE LION. 'Tis when he is about to retire that the danger becomes so apparent. As he passes through the barred gate they all spring towards it, but failing to catch him they set up a series of howls and roars that are almost deafening. Great as the performance is, one cannot behold it without a shudder, and experience a dread least it might terminate fatally.

THE GRAND PROCESSION

will be given at 11 o'clock a.m., and will, without exception, be found to be the Largest and Most Gorgeous Pageant ever given as a Public Gratuity. Led by Heralds and Marshals—a long Caravan of Mounted Knights, clad in Steel Armour, attending the Ladies of the Court, attired in Robes of regal splendor—will precede the Queen's Carriage of State, the only one ever imported to America, having been purchased in England by the European Agent of Dan Castello's Great Show for the express purpose of transporting Herr Lengel, the Lion King. Succeeding this will come the Transatlantic Golden Car of Orpheus, containing Olmanshaw's Cornet Band, the finest Orchestra ever attached to a travelling establishment. This will be followed by the Crusaders of the Age of Chivalry, all appropriately costumed, and riding magnificent animals. Then will be exhibited the Colossal Lion's Den, a beautiful and exquisitely painted Vehicle, drawn by Four Span of Black Horses. The cost of this one feature alone was $80,000. The long line of Animated Splendors will terminate with the

Blooded, Highly Trained Acting Horses, and the Elfin Ponies and Mules.
