Mrs. Robt. Vause Passes

(By Priceville Reporter)

A well known and highly respected resident of this community, Mrs. Robert Vause, passed away Saturday moning, March 13th, at her home on the O.D.R., in her 69th year.

The late Mrs. Vause had been in failing health since last August, when their home was struck by lightning and she received a shock, following which she was in hospital for ten days. She has been tenderly cared for by Mrs. Ritz of Dundalk for the past 14 weeks.

Deceased was born in London, England, and came to Canada when she was eight years of age. She was married to Robert Vause 41 years ago and she and her husband farmed successfully on the O.D.R. since that time. Her husband predeceased her last November. She was of a kind and loving disposition, a good neighbor and friend.

She leaves to mourn her passing one daughter Sadie, Mrs. Thos. Currie, and one son, Lloyd, at home.

The funeral of the late Mrs. Vause was held Monday afternoon, with service being held at her late residence, conducted by Rev. A. G. Macpherson, pastor of St. John's United Church, Flesherton, who delivered a splended message and left words of comfort to those bereaved. Despite a wet and disagreeable day many friends and neighbors gathered to pay their last tribute of respect to one who was held in the highest esteem by all who knew her. Interment was made in Evergreen Cemetery, South Line.

The casket was surrounded by many beautiful floral tributes, which bore silent messages of sympathy, and were carried by John Oliver, John Ritchie, Leroy Meads, Bob Corbett, Jas. Oliver and I. Turner.

The pallbearers were: Messrs. W. R. Meads, Robt. Oliver, John Meads, Dalton Corbett, Hadden Hutchinson and Jas. Oliver.

Those from a distance who attended the funeral were: Mr. and Mrs. Gordon Smith, Mr. and Mrs. Calvin Smith, Hanover; Mr. and Mrs. Robt Vause, Dundalk; Mrs. John Vause and Mr. and Mrs. F. J. Vause of Cooksville.

THE MIXING BOWL

BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers With many people looking over seed catalogues in anticipation of succulent garden-fresh vegetables, it is difficult to settle lown to the prosaic task of talking about carrots and potatoes and turnips. However, we find that there are many new ways of handling these stand-bys to make lenten meals interesting. Ther are other foods recommended that we often neglect because the family were not enthused at first—namely parsnips, dried peas beans, and canned pumpkin.

SPICED PUMPKIN

3½ cups pumpkin (1 can) 1 tbsp. butter, 1 tsp. salt, ⅛ tsp. pepper, ¼ tsp. ginger, 1 egg, beaten.

Pour pumpkin into saucepan and add beaten egg and seasonings. Heat thoroughly, stirring freqently. Six servings.

CARROTS IN ORANGE BUTTER

4 cups cooked diced carrots, 2 tbsps. butter, 2 tbsps. orange juice, 1 grated orange rind, 1 tbsp. corn syrup.

Combine all ingredients and heat.

PARSNIPS WITH TOMATO SAUCE

4 large parsnips, 1½ cups tomato juice, 1 bay leaf, ½ onion, sliced, 2 whole cloves, 1 tsp. salt and ⅛ tsp. pepper.

Wash and parboil parsnips. Drain and skin, then dice. Combine with other ingredients and simmer 20 mins. Pick out cloves and bay leaf. Serves 6.

TURNIP AND APPLE CASSEROLE

2 cups thinly sliced turnip strips, 1 cup sliced raw apples, 1½ tbsps. brown sugor, 1 tsp. salt, 1 tsp. lemon rind, 3 tsps. lemon juice, 2 tbsps. butter.

Alternate layers of turnip and apple in casserole. Sprinkle each layer with salt and sugar, over top put the lemon rind and juice and dot with butter. Bake, covered in preheated electric oven at 375 degrees until turnips are tender. Bake sausages or tenderloin in oven at same time to conserve fuel.

BOSTON BAKED BEANS
(pressure cooked)

1 lb. pea beons, ⅓ cup salt pork,. 1 chopped onion, 2 tbsps molasses, 1½ tsps. salt, ⅛ tsp.pepper, ½ tsp. mustard, 3½ cups water.

Pick over the beans. Cover with 4cups boiling water, put on a lid and let stand 1 hour. Cut the salt pork in cubes and lightly brown in the pressure cooker. Drain the beans and put into the cooker with all the remaining ingredients. Close the cooker, bring to 15 lb. pressure and process 35 minutes.

Baked Beans Boston Style with Tomatoes: Omit ½ cup water and add 1 cup canned tomatoes before pressuring.

TAKE A TIP

1. Burnt vegetables may be salvaged if caught in time. Shake them into another pan and add a little cold water. Heat or finish cooking. (Do not scrape any burned pieces into fresh pans.)

2. Slice a Spanish onion into the juice left from a jar of sweet mixed pickles. Leave in pickling syrup for a week—then use as pickle . . . very good.

3. Next time you make cream sauce, make twice os much as you need and put half of it in the refrigerator to use in a day or so. This saves both time and labour.

4. Prepare vegetables to bake, roast or steam in the oven at same time and so conserve electricity.
