RATIFY PROMISES BY PERFORMANCE, Rev. J. H. CORNELL, N. Y. City, says in a letter—'I procured Mrs. S. A. Allen's World's Hair Restorer and Zylobalsamum for a relative. PERRY DAVIS' PAIN KILLER.

This old and well known remedy which has acquired a world-wide renown for the cure of sudden colds, coughs, &c., weak stomach, general debility, nursing sore mouth, cankered mouth or throat, liver complaint, dyspepsia or indigestion, cramp or pain in the stomach, bowel complaint, painter's colic, Asiatic cholera, diarrhœa and dysentery, has lost none of its good name by repeated trials; but continues to occupy a prominent position in every family medicine chest. 234

HELP OR DEATH.

In sudden and violent attacks of Asiatic Cholera, Yellow Fever, Pneumonia, or Bilious Colic, Inflammation on the Bowels, Typhoid and other malarious fevers, the Inflammatory action must be suspended, or death ensues before any alterative medicine can take effect. Manuel H. Corts, 10th, Avenue, New York, was seized with symptoms of malignant congestive fever generated, he supposes, by the effluvia of filth dumped near his dwelling. Sent to a drug-store, near by, for medicine for fever. Druggist sent a bottle of Radway's Ready Relief. Took two doses, with water, according to directions. Fever checked, and began to perspire. Pains in the head (which had been very severe) instantly arrested. Broke out in a profuse perspiration. Went to sleep and slept four hours; awoke much better. Sent to druggist for a purge. Was supplied with a box of Radway's Regulating Pills. A single dose procured three painless discharges, and to use his own words, 'he had no more trouble, but believes that had it not been for the Relief he would have died.' See testimonial at Dr. Radway & Co's establishment.

PREVENTIVE AGAINST CHOLERA.—When pestilence prevails as an epidemic, it is the duty of every family to keep Radway's Ready Relief in the house—its use on all occasions when seized with pains, uneasiness, or sudden sickness, will immediately arrest the disease and restore the patient to ease and comfort. A teaspoonful of the Relief in a tumbler of water taken as a drink three times a day will protect the system against all malarious diseases. Price 50 cents per bottle. 234

SIMILIA SIMILIBUS CURANTUR.

CATARRH! CATARRH!!

What is it? How Cured?

Thousands of persons suffer all sorts of annoyance from Catarrh. Most people know what its inconvenience and results are, yet but few know how it can be cured. It is simply a chronic irritation, and often enlargement of follicles and consequent thickening of the mucous membrance, lining the nasal cavities, frontal sinuses and sometimes extending into the throat and lungs. From this result tightness and often vertigo of the head, obstructed nose, or a profuse flow of mucus, loss of smell, nasal voice, and often impaired hearing and taste.

The old-school remedies have never been able to do anything for it. Nasal injections and inhalations are as painful and expensive as they are generally worthless. Yet Humphrey's Catarrh Specific, a simple sugar pill, taken two or three times per day, promptly cures the milder cases; cures at once all colds in the head, and radically cures, by preserving use, the most obstinated cases, as is proven by the experience of hundreds. Price with full directions, 60 cents perbox. 234

AGUA DE MAGNOLIA.

A toilet delight. Superior to any Cologne, used to bathe the face and person, to render the skin soft and fresh, to allay inflammation, to perfume clothing, for headache, &c. It is manufactured from the rich Southern Magnolia, and is obtaining a patronage quite unprecedented. It is a favorite with actresses and opera singers. It is sold by all dealers, at $1.00 in large bottles, and by DEMAS BARNES & Co., New York, Wholesale Agents.

"Jes' so!"—"Exactly!"—Solon Shingle said; they were there "every time." If he felt "owley" in the morning, he took Plantation Bitters; if he felt weary at night, he took Plantation Bitters; if he lacked appetite, was weak, languid or mentally oppressed, he took Plantation Bitters; and they never failed to set him on his pins square and firm.

Few persons want any better authority; but as some may, just read the following:

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life. REV. W. H. WAGONER, Med ld, N.Y."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me. REV. C. A. MILLWOOD, New York City.

"* * * I had lost all appetite—was so weak and excrutated I could hardly walk, and had a perfect dread of society. * * * The Plantation Bitters have set me all right. JAMES HEMINWAY, St. Louis, Mo

"* * * The Plantation Bitters have cured me of a derangement of the Kidneys and Urinary Organs, that distressed me for years. They act like a charm. C. C. MOORE, 254 Broadway, N.Y."

Mrs. O. M. DEVOE, manager of the Union Home School for Soldiers' Children, says she "has given it to the weak and invalid children under her charge with the most happy and gratifying results." We have received over a hundred reams of such certificates, but no advertisement is so effective as what people themselves say of a good article. Our fortune and our reputation is at stake. The original quality and high character of these goods will be sustained under every and all circumstances. They have already obtained a sale in every town, village parish and hamlet among civilized nations. Base imitators try to come as near our name and style as they can, and because a good article cannot be sold as low as a poor one, they find some support from parties who do not care what they sell. Be on your guard. See our private stamp over the cork.

OVER A MILLION DOLLARS SAVED!

Gentlemen:—I had a negro man worth $1,200 who took cold from a bad hurt in his leg, and was useless for over a year. I had used everything I could hear of without benefit, until I tried the Mexican Mustang Liniment. It soon effected a permanent cure."

Montgomery, Ala., June 17, 1859. J. L. DOWNING

"I take pleasure in recommending the Mexican Mustang Liniment as a valuable and indispensible article for Sprains, Sores, Scratches or Galls on Horses. Our men have used it for Burns, Sores, Rheumatism, &c., and all say it acts like magic."
J. W. HEWITT,
Foreman for American, Wells, Fargo's and Harnden's Express.

"The sprain of my daughter's ankle, occasioned while skating last winter, was entirely cured in one week, after she commenced using your celebrated Mustang Liniment.
Gloucester, Mass., Aug. 1, 1865. ED. SEELEY."

It is an admitted fact that the Mexican Mustang Liniment performs more cures in shorter time, on man and beast, than any article ever discovered. Families, livery men and planters should always have it on hand. Quick and sure it certainly is.—All genuine is wrapped in steel-plate engravings, bearing the signature of G. W. Westbrook, Chemist, and the private U.S. stamp of DEMAS BARNES & Co. over the top.

An effort has been made to counterfeit it with a cheap stone plate label. LOOK CLOSELY.

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy.
It prevents hair turning grey and falling off.
It restores hair upon prematurely bald heads.

This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

Who would not be beautiful? Who would not add to their beauty? What gives that marble purity and distinguished appearance we observe upon the stage, and in the city belle? It is no longer a secret. They use Hagan's Magnolia Balm. Its continued use removes tan, freckles, pimples and roughness, from the face and hands, and leaves the complexion smooth, transparent, blooming and ravishing. Unlike many cosmetics, it contains no material injurious to the skin. Any druggist will order it for you, if not on hand, at 50 cts. per bottle.

Heimstreet's inimitable Hair Coloring is not a dye. All instantaneous dyes are composed of lunar caustic, and more or less destroy the vitality and beauty of the hair. This is the original Hair Coloring, and has been growing in favor over twenty years. It restores gray hair to its original color by gradual absorption, in a most remarkable manner. It stops a tendency to baldness, and promotes the growth of new hair. Sold in two sizes, 50 cents and $1 per bottle.
