In Memoriam

THOMPSON — In ever loving memory of our dear son and brother, Laurie, killed in action in Holland. April 24th, 1945.

Our thoughts wander as daylight fades,
To the land of long ago,
And memory paints the scenes of old
In the gold of the twilight glow.
We seem to see in the soft, dim light,
A face we love the best,
And we think of him when the sun's last ray
Goes down in the far-off West.

—Fondly remembered by Dad, Mom, Brothers and Sisters.

Card of Thanks

We wish to express our sincere thanks to friends and neighbors for flowers, letters and cards of sympathy received during our recent bereavement. They were all greatly appreciated. —The Allison Family

About 53 years ago she was married to William Wright of Maxwell and after their marriage resided on the 10th Line, Osprey, for a couple of years and then moved to a farm at Maxwell. Mr. Wright passed away four years ago. For the past seven months Mrs. Wright had been residing with her daughter, Mrs. R. C. Deceased was highly regarded and was a woman of sterling character and a member of Maxwell United Church, in which she had been very active in earlier years.

Flesherton Creamery Sold To C. M. Norris Of Barrie

The Flesherton Creamery, along with the Markdale Creamery, has been sold to Mr. Cecil M. Norris of Barrie, the sale taking effect with the opening of business on Monday. Mr. Norris has been a successful operator of the Barrie Creamery for the past 18 years and his butter has received the grand championship for highest quality for the past three years. Mr. Norris has associated with him in the business his son, Fred, and son-in-law, Mr. Ken Treadwell. It has always been the policy of Mr. Norris to try for perfection in the manufacture of butter and with their relationship to their customers. Mr. Norris purchased the Dundalk Creamery from Borinsky & Rapp last fall and sold to the Dundalk Co-operative on the first of February this year.

Messrs. Borinsky & Rapp, who have operated the Markdale Creamery for the past 26 years and the Flesherton branch for the past 10 years, which they built, have always given their cream suppliers a good deal and they always held the confidence of their cream patrons at all times. Their outlets for butter and poultry brought in extra dollars, which they passed on to their patrons with higher prices. Their many friends throughout this district will wish them the best.

Premier Drew Announces Ontario Elections June 7

As the Legislature came to a close on Friday last, Premier George Drew announced that Ontario would have an election on Monday, June 7th, and he would seek the support of the people on the policy of the Hydro in changing the 25-cycle power to 60-cycle. The announcement came with startling suddenness, as no one supposed an election would be held so soon. A nominating convention has bee called by the Progressive-Conservative party to be held in Durham next Monday evening, April 26, when a candidate will be chosen for the South Grey riding. No date has yet been set for the Liberal or C.C.F. conventions. Hon. L. R. Oliver, present Liberal member for South Grey and leader of the Liberal party in the election will, without doubt, receive the nominatin.

United Church Boundaries Considered At Local Meeting

Flesherton, Priceville and Dundalk pastoral charges of the United Church were well represented at a meeting last Wednesday evening to consider re-arrangement of boundaries. The meeting was held in St. John's, Flesherton, and consisted of leading members of all ten congregations affected. Rev. O. W. Holmes, convener of the Boundaries Committee of Grey Presbytery, presided.

Several plans were suggested as a means of reducing the present unwieldly size of the Flesherton charge with its four appointments and 300 families scattered over too wide a territory.

One plan would link Priceville with Salem and Hopeville, Dundalk with Bethel and Inistioge, Flesherton with Eugenia and Proton. A second plan would link together Flesherton, Eugenia and Priceville. A third would re-establish the former student field of Inistioge, Proton and Hopeville, reducing the Flesherton charge to Flesherton and Eugenia.

Opinion was divided as to the wisdom of closing Ceylon. Some felt that, being a separate community, it should be a preaching point. Others felt that it was too close to Flesherton to justify a separate service.

The final decision lies with Presbytery, and is to be made when the Presbytery meets on April 27th.
