PRIZE PIANO MANUFACTORY
OF
JOHN C. FOX,
KINGSTON.
Important to all Purchasers of Pianos.

EXTRACT of a letter from an Officer of the Royal Artillery in India to his father, and kindly communicated by Thos. A. Corbett, Sheriff of Frontenac:
"Kussoondo, near Delhi,
"22nd Dec., 1865.
"I wish you would tell John C. Fox, the maker of my Wife's Piano, how well it stands the climate of India. It is at once acknowledged to be the best toned as well as the handsomest Piano that has been seen in India. It had a severe trial on its way up from Calcutta to Delhi in the month of June, which is about the hottest part of the year, and yet on its arrival after being packed up eight or nine months, and coming all the way from Kingston, Canada West, to Liverpool, and via the Cape to Calcutta, only six or seven notes were out of tune. I had it tuned once, and it has kept in perfect order ever since.
"The Bandmaster who tuned it has taken out a patent for some new improvement which evidently he cribbed from yours. The only fault is its weight; in moving it took thirty-two of these wretched country laborers to carry it up the hill a distance of about seven miles, having a tolerably good road and gradual ascent.
"I am certain that an instrument that will stand the extremes of temperature of Canada and India, will answer here capitally.
"I should think it would be worth his while to send a few of them to Calcutta."

Corner of Ontario and Princess Streets,

JOHN C. FOX'S
IRON-CLAD
PIANOFORTES.
The Public are requested to bear in mind the following facts:
JOHN C. FOX can make a Pianoforte equal in every respect, if not superior, to any American Piano, at a price ranging from one hundred dollars less, according to the class of the instrument; because he saves a duty of fifteen per cent.; he buys the best lumber in the Canada markets fully fifty per cent. less than an American manufacturer can do; and, while paying high wages to his workmen, he pays much less than is paid in the United States, on account of the high cost of living; and he saves to those purchasing from him, in addition to the above, the cost of freight and high commissions.
JOHN C. FOX is the sole patentee of the improvement which renders his Pianos in fact iron-clad, and at the same time absolutely perfect in precision of expression.
JOHN C. FOX'S challenge to any manufacturer is unmet, and until it be accepted he claims for his Instruments superiority over all others, imported or home manufactured.

Frontenac Brewery.
PALE ALE
Farmer Jollybop sat in his old arm-chair,
Ruddy his cheek and his brow was clear,
Over his glass his spirits were light,
None ever was filled with ale more bright.
To his Wife at the wheel, he joyously spoke,
Gladdening her with his mirth and his joke.
Need I tell you the ale that his glee fostered o'er
An kept grief and disease far away from his door,
Creighton's was brewed by?—'Tis readily guess'd,
Best brewer by far, search from east to the west.
Light cheerful, he said to his wife by his side,
Often if ever in life by ill feelings we're tried,
We'll resort to this ale, for I truly can say,
Envy, hatred and malice 'twill banish away,
Blight certain I am that the world will agree,
Youth and age have no friend like their friend G.C.

AYER'S
Sarsaparilla
FOR PURIFYING THE BLOOD.
And for the speedy cure of the following complaints:
Scrofula and Scrofulous Affections, such as Tumors, Evers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.
OAKLAND, Ind., 6th June, 1866.
J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and discovered me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from anything. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which, after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you that I hold you to be one of the apostles of the age, and remain ever gratefully, Yours,
ALFRED B. TALLEY.
St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.
Dr. Robert M. Preble, writes from Salem, N. Y., 12th Sept., 1866, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous *Malignant Erysipelas* by large doses of the same, says he cures the common *Erysipelas* by it constantly.
Bronchocele, Goitre or Swelled Neck.
Zebulon Sloan, of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."
Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.
Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."
Edward S. Marrow, of Newbury, Ala., writes: "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."
Syphilis and Mercurial Disease.
DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla steadily taken cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it—so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla, the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy, consequently, these truly remarkable results with it have not surprised me.
Fraternally yours, G. V. LARIMER, M. D.
Rheumatism, Gout, Liver Complaint.
INDEPENDENCE, Preston Co., Va., 6th July, 1859.
DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FESAM.
Jules Y Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried everything, and everything failed to relieve me, and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and anything you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."
Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.
A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.
Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.
Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.
Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF
Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.
This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtile and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
