VANDELEUR

(Intended for Last Week)

A reforestation plot is to be started in, Vandeleur according to our latest information. The movement started about a year ago, when the Farm Forum went on record as being in favor of a reforestation policy, which would also provide a windbreak along roads where snow drifting was bad, and petitioned Artemesia Township Council to do something about it. The matter came to a head last week when the Council offered to buy a strip of land from Mrs. Ethel Hutchinson, running southward from Vandeleur school ground, facing the Meaford Road. The Council also offered to provide the fence, and Mrs. Hutchinson agreed to sell and final arrangements were made at Council meeting on Monday. We understand that Mr. John Jackson of Owen Sound, Zone Forester, will supervise the tree planting.

Vandeleur school, which was recently wired for electricity, was passed by the Hydro inspector this week and it is expected that the current will be turned on shortly.

Inspector Wm. G. Rae made his semi-annual visit to Vandeleur school on Monday, April 12th.

At Vandeleur Church on Sunday afternoon the pastor, Rev. W.M. Lee, delivered a very inspiring address and also administered the Sacrament of the Lord's Supper.

Mr. and Mrs. H. I. Graham and Ruth visited with Mr. and Mrs. Norman Stewart, Redickville, recently

The April meeting of the W. A. was held at the home of Mrs. Foster on Wednesday afternoon, April 7th, and a very interesting program was provided.
