Mother's Day Services Were Well Attended

Large congregations marked the observance of Mother's Day throughout the United Church pastoral charge. The Sunday Schools provided readings, and also a drama entitled "Standards of Worth" sent out by the Ontario Religious Education Council. The junior choir was in charge of the music at St. John's, and also rendered a lovely anthem "Mother Dear." At Proton the singing was led by a mothers' choir and sang the old favorite "Jesus Savior, Pilot Me" for their anthem.

The Sacrament of Baptism was administered by Rev. A. G. Macpherson to the following children: Gerald Marshall Aberdein, son of Mr. and Mrs. Alex. Aberdein; Karine Elizabeth Phillips daughter of Mr. and Mrs. Melbourne Phillips, Judith Anne Beattie, daughter of Mr. and Mrs. John S. Beattie.

Part of the offerings were dedicated, as usual, to the Ontario Religious Education Council, which promotes the work of leadership training, boys' and girls' camps, etc., throughout the province.

F. R. OLIVER CHOSEN LIBERAL CANDIDATE

Farquhar R. Oliver, Ontario Liberal leader, was the unanimous choice, as was expected, of the party nominating convention held at Durham on Thursday of last week. His was the only name brought before the conventioin. It is his 7th time to receive the unanimous rhoice of a South Grey convention, although for several times he was running as a U.F.O. candidate. Mr. Oliver was nominated by Dougal McDonald, Reeve of Bentinck, and seconded by Edgar Peppler of Hanover.

„Mr. Oliver was the only speaker during the afternoon and gave an excellent speach before a large gathering.

In his remarks Mr. Oliver stated that Premier Drew had expected to catch the Liberal party asleep, but they were wid awake and had more candidates in the field now than al the others put together..

"I think yoo all know me fairly well. I am in this campaign with determination," stated Mr. Oliver, "and the realization that after June 7th I will no longer be leader of the Opposition, but that the Liberal party will assume the reins of office. You good people in South Grey can carry on in my absence, while I have to travel throughout the province speaking at various centres throughout the country, and continue to spread the broad mantle of libealism throughout the district.

Local Men See Deer And Dog Playing Together

Last week while motoring along the county highway west of Shelburne and through a swamp, Messrs. Wallace Hamilton and John McKinnon were surprised a see a deer standing on the ahead of them and a dog close by on the side of the road. Mr. Hamilton left the truck when they came close and walked up to the deer and almost had his hand placed on its side when the animal moved off a short distance. Again Mr. Hamilton approached the deer and again it moved off a few steps. The dog then came up and both dog and deer walked off into the bush together. We understand the deer is a pet and makes its home at a farm close by. It was an interesting experience for the men, as they did not at first know the animal was a pet.

MADE START TO PLANT FARM IN TREES

An ambitious reforestation project has been undertaken in Artemesia township, the first step to be made on any farm in Grey County, on the property owned by Mrs. R. Bentham, south of Flesherton. E. D. Bentham, only son of Mrs. Bentham, is superintending the work, under the supervision of Mr. John Jackson, Chief Forester for Grey and Bruce Counties. This project is a forerunner for other projects in Grey County.

Work commenced on Monday with the task of planting 5,000 trees of various species on a tract of land in the centre of the farm. Seven local residents were occupied in the work on Monday, and Tuesday afternoon the senior boys of the Public School were occupied in the work, which was credited to their agricultural subject in the school. Most of the trees were planted in rows six feet apart, and after a furrow was plowed the length of the field, the small trees, securer from the Midhurst Reforestation Station, were spaded in by hand and the earth packed firmly around each small tree.

A major plan has been developed by Mr. Bentham and each year he intends to plant certain areas of the farm until in five years or so he will have the entire farm reforested. It is an ambitious program and should lead the way to many other farmers to plant their waste land to trees, so that in the years to come the country will have a reserve of timber from which to draw. While it will take many years for the trees planted to become merchantable timber, the end justifies the means and the land will give rich returns when the harvest time comes.

Rooms For Meetings Legion Will Provide

Flesherton Branch of the Canadian Legion is opening its hall to village and township organizations for committee meetings and other public gatherings where no charge is made. We know that this action of the Legion will be well received by various organizations, as some homes are too small in which to hold meetings. Accommodation can be secured through A. E. Bellamy. The Legion is planning a celebration on July 1st and one of the events will be a fishing derby for children 14 years and under. There will also be water sports at the pond and sports at the ball park in the afternoon.

To The Electors of South Grey

Ladies and Gentlemen:

I deeply appreciate the honor of again being chosen Liberal standard-bearer in this riding, and, if elected, will do my best to bring in legislation of particular benefit to the masses of the people, especially respecting agriculture, industry and education.

It would be my personal desire to spend the entire campaign in my home riding of South Grey. You can appreciate the fact, however, that being Liberal leader, necessitates me visiting every riding in the province. This means that I will be able to spend little or no time in South Grey. For that reason I am making a special appeal to my supporters who have loyally stood by me in the past to again rally their efforts on my behalf. I am sincere when I say your interests, as in the past, will be my interests, and I will continue to do my best to serve you.

FARQUHAR OLIVER
