**FIRE DEPARTMENT.**

The Company commenced business in October, 1861, as a Fire Office, and was called into existence to modify the excessive rates demanded by the combined Offices after the Great Fire in Tooley Street, London. The success which has attended the Company's operations has been such as fully to realize the most sanguine expectations of the Directors, and has induced them to extend their operations to Canada, where the General Agents are prepared to take proposals for Insurance against Loss by Fire of Property of every description.

**LIFE DEPARTMENT.**

The marked preference shown for an Office which studies the interests of the Public as well as of its Proprietary, induced the Directors to transact Life Business with the intention not to favor one class of Policy-holders at the expense of another, but, resolved that the same liberal views which have gained for the Office the confidence of the Public in its Fire Branch, shall guide them in the management of the Life Department, they extend to the Assured every benefit which science warrants or experience suggests.

Among the benefits of this Company may be enumerated—Moderate Rates o Premium—Eighty per cent of the Profits divided among the Assured—Very liberal surrender value given after three years—Thirty days allowed for payment of Premiums, and further extension of time on easy terms—Unchallengeable Policies—Credit System—Service permitted in Volunteer Corps—Convenient and liberal terms, whereby no Policy need lapse, through any temporary difficulty, in the payment of a Premium.

Further and fuller information may be obtained by calling at the Office, Nos. 221 and 223 St. Paul Street.

PRIZE PIANO MANUFACTORY
OF
## JOHN C. FOX,
**KINGSTON.**

**Important to all Purchasers of Pianos.**

EXTRACT of a letter from an Officer of the Royal Artillery in India to his father, and kindly communicated by Thos. A. Corbett, Sheriff of Frontenac:

"Kussoudie, near Delhi,
"22nd Dec., 1865.

"I wish you would tell John C. Fox, the maker of my Wife's Piano, how well it stands the climate of India. It is at once acknowledged to be the best toned as well as the handsomest Piano that has been seen in India. It had a severe trial on its way up from Calcutta to Delhi in the month of June, which is about the hottest part of the year, and yet on its arrival after being packed up eight or nine months, and coming all the way from Kingston, Canada West, to Liverpool, and via the Cape to Calcutta, only six or seven notes were out of tune. I had it tuned once, and it has kept in perfect order ever since.

"The Bandmaster who tuned it has taken out a patent for some new improvement which evidently he cribbed from yours. The only fault is its weight; in moving it took thirty-two of these wretched country laborers to carry it up the hill a distance of about seven miles, having a tolerably good road and gradual ascent.

"I am certain that an instrument that will stand the extremes of temperature of Canada and India, will answer here capitally.

"I should think it would be worth his while to send a few of them to Calcutta."

## JOHN C. FOX'S
IRON-CLAD
## PIANOFORTES.

The Public are requested to bear in mind the following facts:

JOHN C. FOX can make a Pianoforte equal in every respect, if not superior, to any American Piano, at a price ranging from one hundred dollars less, according to the class of the instrument; because he saves a duty of fifteen per cent.; he buys the best lumber in the Canada markets fully fifty per cent. less than an American manufacturer can do; and, while paying high wages to his workmen, he pays much less than is paid in the United States, on account of the high cost of living; and he saves to those purchasing from him, in addition to the above, the cost of freight and high commissions.

JOHN C. FOX is the sole patentee of the improvement which renders his Pianos in fact iron-clad, and at the same time absolutely perfect in precision of expression.

JOHN C. FOX'S challenge to any manufacturer is unmet, and until it be accepted he claims for his Instruments superiority over all others, imported or home manufactured.

## ASTONISHING! ASTOUNDING CONFOUNDING! BUT TRUE.

ANOTHER WONDERFUL CURE OF
**CONSUMPTION**
BY
**THE GREAT SHOSHONEES REMEDY**
IN CANADA.

MESSRS. Y. & C.—Gentlemen: I, WILSON STORMS, of Brighton, C. W., make oath and say:—I feel anxious to let you know what the Great Shoshonees Remedy has effected for me. My wife was afflicted with Consumption and died; I was also afflicted with the same disease, and after her death I continued sinking just as she had done. I had very severe Night Sweats; coughed nearly all night and every night; could not sleep unless a little towards morning; I raised over a quart of matter every twenty-four hours; had severe pain in the left lung, &c., &c., and was greatly debilitated. In fact I was going as fast as I could. I was taking medicine from a regular physician, but it did not even relieve my cough. I went to the village one day, about a quarter of a mile, which took me to go and come about two hours. While there I saw Esq. Wellington, and happened to say to him, "I wish you could give me something to relieve my cough." He said, "There is a Great Indian Remedy just introduced; Dr. Barker has it for sale, and I believe it will cure you." I took his advice, and brought a bottle home with me; took a tea-poonful at once, which I felt through my whole system. At night I took a tablespoonful and rested well all night, and continued to rest well every night. The Cough, Night Sweats, Raising of Matter, Pain in the Lung, &c., gradually left me, and I got hearty and strong. I took only three bottles. I am not taking it now, and I am as hearty and well as ever I was in my life. My sister-in-law was with me for a while, who was affected with the Liver Complaint. She has taken the remedy, and is well. This certificate you may show to the world if you please.

GREAT SHOSHONEES REMEDY OF THE CELEBRATED INDIAN, DR. LEWIS JOSEPHUS, OF THE DISTINGUISHED TRIBE OF SHOSHONEES, BRITISH COLUMBIA, IS NOW FOR SALE IN CANADA.

THIS all-possessing Great Indian Remedy is warranted, and in broad and emphatic language, we can safely say may be relied upon to make a permanent cure of all Diseases of the Throat, Lungs, Liver, Kidneys, Digestive Organs, &c., as well as Scrofula, the various Skin Diseases, Humors, and all diseases arising from Impurity of the Blood, excepting the third stage of Consumption. In the Western Country, where this Great Remedy has been in use for a short time, it has indeed effected some of the most Marvellous Cures, ever recorded in the annals of Historical Medicine. Such being the case, in addition to its former renown and celebrity, we defy humanity to dispute the fact, that this, the Great Shoshonees Remedy, in connection with the Shoshonees Vegetable Restorative Pills, is the Remedy of Remedies of the 19th Century, and the greatest boon ever laid at the altar of suffering humanity. For the discovery of this Wonderful Remedy, the world is indebted to Dr. Jasper, formerly of St. Louis, Mo., who spent, before he succeeded, over two long years in Columbia, endeavoring to obtain from Dr. Josephus the life-long secret of preparing it. Dr. Jasper, with Dr. Hall and several other physicians of St. Louis, witnessing the astounding curative effects of the Great Shoshonees Remedy, entered into combined cognation for the purpose of ascertaining the peculiar mode of action of this Great Remedy, and the result of their researches was that the wonderful healing properties of the Remedy were due, not only to its salutary effect upon the blood and the organs themselves, for diseases of which it is recommended, but also on the Digestive Organs and more particularly upon the Lacteal Vessels, which Lacteal Vessels combining the New Theory of Disease, as well as history of the Discovery of the Remedy, Certificates of Cures, &c., &c., are fully laid down in the Treatise accompanying each bottle of the Remedy.
