VICTORIA CORNERS

(Intended for Last Week)

A number of students and parents attended the musical festival in Owen Sound Thursday and Friday, June 3-4. Only one first prize was captured by our school, going to Douglas Linton. Our other competitors, not attaining the first prizes, ranked near the top in large classes of voices.

Miss Raye Smith, Elora, spent the week end and King's birthday holiday with Mr. and Mrs. Wilfred Gallaugher.

Thursday afternoon was Inistoge W.A. meeting with an attendance of 13 members and three visitors. An interesting program was presented and a very appealing lunch was served by the hostess.

An unique service was held in the Inistoge church on Sunday. The occasion was "Flower Sunday" with a pretty and decorative array of flowers in evidence. Appropriate hymns were sung, as well as a very impressive sermon capably delivered by our pastor, Rev. A. G. Macpherson. A junior choir led the singing, adding an extra touch of color to the service.

Inistioge plans on having the evangelists, Mr. and Mrs. Wallace, commencing Sunday, June 20, through to July 2, inclusive. All week-day services in the evening.

Mrs. Albert Stevens of Melancthon township was a week end guest of her son, Elwood.

Interesting to note at the service at Inistioge on Sunday, worshiping together were Mrs. R. G. Acheson of Proton Station, Mrs. Albert Stevens of Melancthon and Mrs. Wm. Ludlow of this community. These ladies have spent most of their lives within a very few miles of each other, Mrs. Stevens residing for quite a number of years on the farm now owned by Ernie Stetwart, and all have been very great friends. Incidentally, the latter two celebrate birthdays one week apart; Mrs. Ludlow's last Monday, June 7, and Mrs. Stevens this Monday, June 14, while Mrs. Acheson had her birthday on March 5th. Only one year's difference in age prevails amongst them. Mrs. Ludlow, known to everybody as "Aunt Polly" is 77 and the others are 76. Each is able to attend to their own household tasks. We offer at this time our heartiest congratulations and a sincere wish for many more happy birthdays and pleasant associations together.

Mr. and Mrs. George Marshall and daughter from the U.S.A. are visiting the former's mother, Mrs. Carson, and brother, Wes Marshall.

TORONTO LINE NORTH

Visitors with Mrs. T. Lever and Harold during the week end were: Mr. and Mrs. C. Duke, Richard and Sharon, of Hamilton, Mr. and Mrs. C. Martin and Marge of Eugenia, Argyle Martin of Oakville, Misses Winnetta and Carmel Martin of Toronto and Miss Gertrude Lever of Markdale.

Mr. Clarence had the house which he purchased from Mr. York in Markdale, moved to his farm on Thursday last.

Miss E. Lawson of Markdale visited with Mr. and Mrs. E. Wickens recently.

Mr. H. Richardson will soon have his new barn completed, replacing the one destroyed by fire a few years ago.

Mr. Jas. Morrison has purchased the Boyd farm on the highway north of here, and we understand that he will be moving there soon.

a word about Personal Purchases in the U.S.

- If you are contemplating a trip to the United States, here are two important facts to remember:
- You may not bring back with you any merchandise which is prohibited under the Emergency Exchange Conservation Act. Find out in advance from Canadian Customs officials whether you may bring in any contemplated purchase.
- To conserve all available U.S. dollars for essential purchases, a travel ration of $150 U.S. per person for the 12 months between Nov. 15, 1947 and Nov. 15, 1948 has been established. Be sure to get the necessary forms and details at your bank, well in advance of your trip.

This caution is given to help avoid possible embarrassment at border points.

HANDS AT WORK... *for ONTARIO*

LEARNING MACHINE ASSEMBLY

ONTARIO'S **products are desired and purchased by people all over the world and the capacity to produce such goods largely determines the economic welfare of every man, woman and child within her borders. Because the sale of every article produced in Ontario brings valuable dollars into this Province, we all are more assured of job security . . . and we and our children can have more of the better things in life. But to produce such goods in sufficient quantities, skilled labour is vital. That is why every single one of us should be glad that war veterans are constantly being trained to provide the skilled hands so needed by industry. They receive ON THE JOB training under expert instructors in our Ontario factories.**

This training, provided through the co-operation of the Department of Veterans' Affairs, the Federal Department of Labour and the Ontario Department of Education, starts the veteran on the road to skilled craftsmanship. In assembling business machines, for example, veterans must have a thorough knowledge of electricity and must learn to perform intricate work on precision machines having thousands of separate parts. These Canadian-made business machines are sold in all parts of the world, creating new wealth for Canada and Ontario. Therefore every effort of these newly skilled veterans helps to make Ontario a finer place in which to live and contributes to the welfare and happiness of all her citizens.

MACHINE ASSEMBLY

John N. West, 25, of Toronto, a Royal Canadian Navy veteran, is shown here making an adjustment to one of the 10,000 parts in a business machine designed for a New Zealand firm.

Various types of business machines are produced in Ontario factories. Because of their intricate mechanisms it is essential that these machines be checked by expert craftsmen at every stage of their production.
