LET US REASON TOGETHER

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE and the INFIRM, of all climes, ages, sexes and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorder of the liver, dyspepsia and stomach complaints generally. They soon give a healthy tone to these organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY—ILL HEALTH.

Many of the despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it.

Holloway's Pills are the best remedy known in the world for the cure of the following Diseases:—

Ague, Asthma, Bilious Complaints, Blotches on the Skin, Bowel Complaints, Colics, Constipation of the Bowels, Consumption, Debility, Dropsy, Dysentery, Erysipelas, Female Irregularity, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflammation, Jaundice, Liver Complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula or King's Evil, Sore Throats, Stone and Gravel, Secondary Symptoms, Tic-Doulloureux, Tumors, Ulcers, Venereal Affections, Worms of all kinds, Weakness from whatever cause, &c., &c.

Sold at the establishment of Professor HOLLOWAY, 244, Strand (near Temple Bar), London, and 80, Maiden Lane, New York; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, and all over the Canadas, at the following prices:—1s 9d; 3s 3d; and 5s. sterling each Box.

☞ There is a considerable saving by taking the larger sizes.

N.B.—Directions for the guidance of patients in every disorder are affixed to each Box.

BRITISH PERIODICALS. AND THE FARMER'S GUIDE.

GREAT REDUCTION IN THE PRICE OF LATTER PUBLICATION.

Leonard Scott & Co., New York, continue to re-publish the following leading British Periodicals, viz:—

1.
THE LONDON QUARTERLY, (Conservative.

2.
THE EDINBURGH REVIEW, (Whig.)

3.
THE NORTH BRITISH REVIEW, (Free Church.

4.
THE WESTMINSTER REVIEW, (Liberal.)

5.
BLACKWOOD'S EDINBURGH MAGAZINE, (Tory.)

The great and important events—Religious Political, and Military—now agitating the nations of the Old World, give to these Publications authoritative and value they never before possessed. They occupy a middle ground between the hastily written news items, crude speculations and flying rumors of the newspaper, and the ponderous tome of the historian, written long after the living interest in the facts he records shall have passed away. The progress of the War in the East occupies a large space in their pages. Every movement is closely criticised whether of friend or of foe, and all shortcomings fearlessly pointed out. The letters from the Crimea and from the Baltic in Blackwood's Magazine, from two of its most popular contributors, give a more intelligible and reliable account of the movements of the great belligerents than can elsewhere be found.

These Periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radical—but politics form only one feature of their character. As Organs of the most profound Writers on Science, Literature, Morality and Religion, they stand as they have ever stood, unrivalled in the world of Letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.

EARLY COPIES.

The receipt of Advance Sheets from the British publishers gives an additional value to these Reprints, especially during the present exciting state of European affairs, inasmuch as they can now be placed in the hands of subscribers about as early as the original edition.

GENTS:—Our city was last evening visited with the most destructive fire since its existence, and you may well think we felt interested and anxious to know the result of several safes of yours and others in the fire. We need hardly tell you yours came out of the fiery ordeal triumphant over all others. Immediately under Anderson's office was 50 or 60 tons of tallow, and of course made the hottest kind of fire; and in another Safe of yours, in the same building was $20,000 in Bank bills, checks, &c., all of which came out in perfect order, after lying in the ruins ten hours. All that have seen the effects of the fire on the different kinds of Safes, are satisfied of the superiority of your "Rich's improvement on Wilder's Patent Safe." Yours respectfully,

New Castle, C. W., General Agents.

Sold in Kingston by E. W. Palmer, E. H. Parker and Charles Heath.

To all who consult their own Interest.

THE Subscriber begs at the commencement of another season to inform his numerous supporters and the public generally, that owing to the facilities afforded by the greatly depressed character of the Money Markets of late, of securing goods below their legitimate value, in conjunction with the very important improvements more recently effected in the style and workmanship of his clothing, by the employment of none but the best mechanics in its manufacture, he is consequently now in a better position than ever to combine advantages to the public, equally appreciated by both rich and poor, and which although constituting the great disideratum of every branch of manufacture, has not been hitherto enjoyed by the citizens of Kingston, at least in the Tailoring and Clothing department, viz:—The combining all the modern improvements in elegance of style fit, finish and durability of workmanship, at unprecedently low charges, so that such Gentlemen in particular as are ever accustomed to regard exorbitance in price as necessarily identified with real excellence would do well to dismiss their prejudices and by a practical test discover to their agreeable surprise that the demand of the most fastidious taste can be fully met at this establishment at least 20 to 25 per cent below the usual charges of Merchant Tailors. The advantages will appear particularly manifest in the measure department; to which the most scrupulous attention is unremitingly paid. The stock will be found to comprise every variety of winter clothes suitable for over coats, business coats, &c., seasonable trouserings in great variety of pattern; rich, plain, figured and embroidered vestings; an extensive supply of ready made clothing together with a complete assortment of Hosiery, &c., &c., &c.

Wholesale and Retail London Clothing Emporium, Brock Street, Kingston. The one price principle or system strictly adhered to.

Every garment being cut and made up under the subscriber's personal inspection, can be, therefore, satisfactorily guaranteed.

Bilious Disorders, Liver Complaint, Indigestion or Dyspepsia, Habitual Costiveness, Sick Headache, Giddiness, Heartburn, Flatulency, Loss of Appetite, Irritability, Nervousness, Languor, Lethargy, Low Spirits.

Prepared from the original recipe of the distinguished Physician and Surgeon, the late Sir ASTLEY COOPER.

IMPORTANT CAUTION.

In consequence of the great demand for these most excellent Pills, they have been extensively counterfeited by several unprincipled persons both in Canada and the United States, and in order to secure the public for the future from all danger or risk of counterfeits, the proprietors have caused to be engraved at great expense, a highly finished label, which is placed on the outside of the wrapper, and also on the top of each box, and on which is engraved the likeness of the late Sir Astley Cooper, from the celebrated painting by Lawrence, with the words "SIR ASTLEY COOPER'S APERIENT ANTI-BILIOUS PILLS."

And in order to afford the public a still further protection, the proprietors have placed the facsimile of their signature on the outside wrapper, and also on the directions which accompany each box; without these marks of authenticity, they are spurious and an imposition.

Also warranted to check Felons and prevent suppuration when applied before matter has commenced forming. Used early in cases of punctured wounds from nails, pitchforks, &c.; it prevents all symptoms of Tetanus or Locked-jaw, and removes them when arising from want of its timely application.

DR COE'S ANTI-MERCURIAL ALTERATIVE SYRUP.

A pleasant, safe and efficient remedy for the radical cure of Rheumatism, Erysipelas, Leucorrhea, Scrofula, Gonorrhœa, Syphilis, Mercurial affections, Ulceration of the Kidneys and Bowels, and all diseases arising from a vitiated condition of the blood and fluids.

DR COE'S FAMILY VEGETABLE PILLS

The best and safest Cathartic Pill for popular use ever offered to the public.

For the cure of Sick Head-ache, Dyspepsia, Constipation, functional derangements of the Liver, Spleen and other viscera, they stand unrivalled. These are not crude and untried remedies, experimentally placed before the public, but they have stood the test of years. The proprietor is a practising Physician, and they are the same remedies he relies upon to sustain his widespread reputation as a competent and successful guardian of the public health. The Harmattan has stood the test of 50 years, the original formula having been obtained from the Indians by an ancestor of the present proprietor, who has improved and brought it to its present degree of perfection.

The Syrup and Pills originated with himself and during twelve years' extensive practice thousands have had cause to feel grateful for their efficacy.

For wounds and sores on horses, the world is challenged to produce anything equal to the Harmattan.

For full directions and explanations, see pamphlets accompanying the medicines.
