One Of Best Crops In Years Now Being Harvested

This district is at the peak of harvesting one of the best crops in years. The oats are an especially good crop and a heavy yield of first class grain is expected. Some extra good yields of hay are reported, depite the fact that dry weather in May and June was expected to make the stands thin. One farmer told us the other day that he had 16 loads from one five-acre field and 25 loads from an 8-acre field. Yields of this size are exceptionally good. Saturday night another Artemesia farmer told the editor that he had 70 acres of grain cut and they are busy taking the grain into the barn. He believes that it is cheaper to grow the grain than to buy it, and apparently the reverse been the case with many feeders in the district. Many have seeded their land for a hay crop.

So your parents made you go, and that turned you against it. But if that is true of the church, why not of baseball and movies?

Owen Sound Play Ball In Flesherton Tonight

Owen Sound will be represented here to-night (Wednesday) when the Sun-Times ball club will visit the locals in Flesherton. It will be interesting to see how the locals will compare with a city team. All the proceeds will go toward paying for the lumber in the stands recently erected, the bill of which amounts to $130.00. The work of erecting them was donated. Be sure to be on hand, as the ball club would like to pay this bill as soon as possible. If anyone wishes to make a donation they can do so by leaving it with George Armstrong.

BEST OF LUCK TO THE FAMILY OF LORNE TURVEY

The people of the village of Flesherton, after paying leepest respects to one of its best known and most respected citizens, in the person of the late Lorne Turvey, are paying glowing tribute to the family who have now gone back to the same gravel pit in the Township of Melancthon where their husband and father was crushed to death under the iron cleats of a bulldozer. This is courage! Of the kind only shown by people of merit and it is our hope and wish that they can carry on, as we feel sure that Lorne would have wished them to do. Good luck to them in their brave and noble effort. —Contributed.

GOOD NEIGHBORS

What does a person have to do to be considered a good neighbor? In former times in many country towns many people acquired a reputation as good neighbors by doing such things as nursing people when they were sick, perhaps cutting up a woodpile, doing the seeding or harvesting, or taking care of the cows when the owner was laid up. Friendly services still show that a person has a big heart.

One sign of being a good neighbor that is highly valued in these times, is an effort to keep one's home place in good condition, to keep buildings looking well, and the grounds in attractive condition. A place so kept is an asset in a neighborhood, and it makes the places near it more valuable.

ONTARIO RURAL SOFTBALL LEAGUE TEAMS PLAYING

Fleherton went down to defeat by the score of 11-9 at Schomberg on Monday evening and the return game will be played in the local stadium Friday evening at 6:30. They are two well-matched teams and there should be a good game. The players were pleased to see a number of Flesherton people residing in Toronto, at the game.

Dundalk were handed two defeats in the O.R.S.A. play-downs by the fast O.A.C. team from Guelph 11 to 2 at Guelph and 17 to 7 Tuesday night at Dundalk. This eliminates the champions of the Badjeros softball league.

South Line were entered in the B series of the O.R.S.A. and met the Bloomingdale (near Kitchener) team Monday evening and lost 11-8. The return game is eing played here at Flesherton Saturday evening.

Mr. and Mr. Walter Dungey and two children of Alliston were visitors in town on Saturday.

McKechnie - Stevens

The fourth wedding to be held in the historic Inistioge Church since its erection in 1871, was solemnized when Marjorie Evelyn, only daughter of Mr. and Mrs. Elmo Stevens of Proton Station, became the bride of John C. McKechnie, younger son of Mr. and Mrs. John McKechnie of Durham. Rev. A. G. Macpherson, pastor of the church, officiated in the picturesque setting of magnificent red and white gladioli. Baskets of colorful phlox and other garden flowers decorated the church.

The bride, given in marriage by her father, wore a floor-length gown of Duchess satin with train, and sweetheart neckline with Alcenon lace. From a fitted bodice buttoned down the back, the full skirt fell gracefully with satin panels back and front and insets of Alcenon lace on either side. Her finger-tip veil was fitted to the head with a band of orange blossoms. She carried a sheaf of dark red roses and white carnations tied with white satin and silver ribbons. Silver slippers and pearls, the latter being the gift of the groom, completed her costume.

Miss Joyce Patterson, cousin of the bride, as maid of honor, and Miss Hilda McKechnie, as bridesmaid, were dressed alike in summery gowns of printed organza. Miss Patterson's was blue, Miss McKechnie's was orchid. The low rounded neckline was caught with a bow in front of the fitted bodice, from which the full skirt, fashioned with a ruffled bustle, fell into a train. shoulder-length veils to match the dresses were caught to the head with flowers. Each wore matching mittens of the organza and net, corresponding necklaces and earrings of dainty shellwork, and silver sandals. They carried Colonial nosegays of asters and fern.

The pretty little flower girl, Marilyn Acheson, daughter of Mr. and Mrs. Russell Acheson, was gowned in yellow organdy with full long skirt and bow bustle. She wore a yellow veil and carried a white Finnish crocheted basket filled with yellow and bronze snapdragon. Mr. Frank McMullen of Newcastle was best man. Mr. Bill McKechnie, brother of the groom, and R. J. Patterson, cousin of the bride, were ushers. Mr. Russell Acheson, uncle of the bride, sang a "Wedding Prayer" during the signing of the register. Miss Mary McKechnie, sister of the groom, dressed in rose silk jersey with black accessories and yellow rose corsage, played the wedding march, and accompanied Mr. Fred Bell of Stayner, who played violin music before the ceremony.

A reception followed at the home of the bride's parents, where around fifty guests were received by the mothers of the bride and groom. Mrs. Stevens wore a two-piece dress of Queen's blue crepe with white accessories and a corsage of pink sweet peas. Mrs. McKechnie wore a gown of printed blue and black silk jersey with black accessories and corsage of pink roses.

On the verandah a four-tier wedding cake, decorated with silver and topped by a single red rose, centred the table, while crystal candlesticks, holding long white tapers, and bowls of flowers, flanked the cake.

The supper, served on the lawn by friends of the bridal couple, was followed by entertianing toasts: a solo by Russell Acheson "Bless This House,' and piano and violin music by Miss M McKechnie and Mr. F. Bell.

To start a honeymoon spent at Wasaga, Sauble and points along Lake Huron, the bride wore a gabardine suit with black accessories.

The couple, on returning, will reside at Durham.
