In Memoriam

MAGEE — In loving memory of our dear wife and mother, Mrs. Wm. Magee, who passed away on August 24th, 1939.

Call not back the dear departed,
Anchored safe where storms are o'er
On the borderland we left her,
Soon to meet and part no more.
When we leave this world of changes
When we leave this world of care,
We shall find our missing loved one
In our Father's Mansion fair.

Trio Caught Near Victoria Corners; Stole Gasoline

Ralph Harris, age 22 of Oshawa pleaded guilty in police court at Owen Sound Monday morning to a charge of theft of gasoline, valued at $4, from Russell Linton of Victoria Corners and was sentenced to a month in jail by Magisrate E. C. Spereman. Two companions, Minnie Warren, aged 18, and James Brayley aged 22, both of Whitby, pleaded not guilty to charges of vagrancy and were remanded for a week.

All three are wanted at Oshawa on a charge of theft of a car, wrecked in an incident Saturday as a result of which they were arrested.

It is alleged that the trio drove into the Linton service station at Vicoria Corners five miles south of Flesherton, and ordered Mr. Linton to "fill 'er up," and ten gallons were poured into the tank, when Harris is then said to have driven away quickly without paying. A Manjuris truck from Owen Sound came along a moment lated and Linton asked him to give rhase. At Gott's Corners, two and a half niles south, the pursued car tried to swing onto a sideroad, but struck a telephone pole and was severely damaged.

Chief of Police Chas. Murcar of Dundalk and County Constable Bert Middaugh arrived on the scene, but the three occupants of the car had diasppeared into Wm. Crockford's bush. A search party was organized and finally the fugitives were sighted in a field. They failed to halt when Constable Middaugh fired warning shots, but were cornered by Constables Murcar and Middaugh, assisted by Jos. Little and Jack Haw of Proton Station. Provincial Constable Harold Black of Flesherton had been summoned by Linton by telephone and 't was he who, scouring the bush, drove the trio out into the open where they were apprehended by he other searchers.

Minnie Warren was in a dazed condition as the result of a scalp wound suffered in the accident, Harris had minor cuts, while Brayley had his tongue cut and a tooth broken. They were given medical treatment and then were taken to Owen Sound by Provincial Constable Harold Black. When arrested the trio are said to have had no money. The car in which they were driving had allegedly been stolen at Oshawa.

Flesherton Lost Third Game To Schomberg

Flesherton lost the third and deciding playoff game to Schomberg at Orangeville on Monday night 12-11, after a most interesting series. The local entry in the Rural Ontario Softball League had won handily (13-3) from Schomberg in Flesherton on Friday night, with Russ Andrews pitching the entire game.

South Line went out the same way as Flesherton by being defeated on Saturday night 15-5 by Bloomingdale in the "B" series It was their second straight loss. As South Line could not use their ace pitcher, Howard Duxbury, Tom Bemrose took over the pitching duties and walked five in a row in the second inning and Doug. Cairns, who relieved him gave three walks, something of a record for a straight line of walks in one inning. Tom came back again and pitched well from there on. He has been suffering from an infected hand and had not pitched a ball for over a month. They make a gallant come-back by scoring five runs but the damage had been done.

The play-offs in the local softball league will get going again, with Eugenia meeting Dundalk, the winner to take on Flesherton in the finals, they having defeated South Line in the semi-final games.

New Money Orders In Use At Local Post Office

Patrons of the local post office who have had occasion lately to purchase a money order, must have been surprised at the new form of Canadian Postal Money Orders. Instead of the former oblong piece of paper, with quite a lot of printing on it, the new orders are on cardboard, about half the size of the former ones and with less printing.

The new form is expected to save the Post Office Department thousands of dollars each year. No longer are there separate forms printed for each post office. Instead at Ottawa they find out the proper office by looking at the millions of orders through which holes have been punched and are sorted by mechanical sorting machines. Within a few minutes literally thousands of orders can be readily and accurately sorted. Your new order has these sorting holes punched in it, and these are the actual post office identification.

Endorsement is made on the back in the usual manner when you cash one of these orders. The sender still get his usual receipt for his records.

The new orders make little difference at the local office, but the big saving in time will be at the central office in Ottawa.

Cherry - Whyte

(By Priceville Reporter)

White bows marked the guest pews, and baskets and bouquets of pretty summer flowers were used profusely to make a pretty setting in St. Andrew's Presbyterian church, Priceville, Saturday, August 21st, at 3 p.m., for the marriage of Kathleen Jeanette, daughter of Mr. and Mrs. Sterling Whyte, to James Arthur M. Cherry, son of Mr. and Mrs. Jas. Cherry of Nobleton, Ont. Rev. A. J. Simpson performed the ceremony. Miss Ada Whyte at the piano, accompanied by her brother, I. B. Whyte, with the violin, played the wedding music while the register was being signed.

The bride was given in marriage by her father and looked charming in a gown of white duchess satin with long sleeves and beaded neckline. Her embroidered net veil was held with a coronet of orange blossoms and she carried a corsage bouquet of white gladioli with red roses. Her sister, Mrs. Lorne Hiltz, was maid of honor and Misses Joyce Day and Eleanor Peel were bridesmaids, each wearing a blue taffeta dress with puff sleeves and pink streamers on the sides of their dresses. Each carried a nose-gay of pink roses. Her sister, Shirley Whyte, was the flower girl, and looked lovely in a pink georgette dress with jacket and carried a nose-gay of gladioli and yellow roses. Mr. Joe Whyte, brother of the bride, and Mr. Raymond Day were ushers. The bride's brother, Mr. Jim Whyte, of Toronto was groomsman.

A wedding supper was served to about seveny guests in the basement of the church. The room was tastefully decorated with pink streamers and white bells. The bride's table was centred with the bride's cake, surmounted with a miniature bride and groom. Pink streamers, flowers, and pink and white candles were also used. The assistants for esrving the supper were: Betty and Joyce Tucker, Betty and Shirley Hincks, Margaret Nichol, Mrs. Robt. McIntyre and Mrs. Elwood Kinsman.

In the evening a reception was held in the hall, when a large crowd was present. The evening was spent in dancing, music being supplied by Mr. and Mrs. Thos. McDougall, Ada Whyte and Bill McKechnie. The bride and groom were recipients of many beautiful and useful gifts. Both Mr. and Mrs. Cherry voiced their appreciation to all. All joined and sang "For they are jolly good fellows" Lunch was served and the groom and bride passed around the wedding cake.

The happy couple left to spend their honeymoon in Northern Ontario. On their return they will reside in Toronto.
