Signed Glenelg Petition In Error Is Claimed

Anti-beverage room agitation has been the order of he day in Glenelg Townshp during the past week. Previously there had been a petition to open up a tourist resort at the Curly Lake, just north of Priceville, and it is said that a petition presented to the residents of the township had been signed by approximately 60 per cent of the ratepayers.

It later developed that not only was it the intention to start a tourist resort, but that a license to dispense beer was also to be made. As many who had signed the petition were strong prohibitionists, the aftermath, when the discovery was made was, to say the least, remarkable. Meetings have been held in Zion United Church and also in the United Church in Durham to try and offset the damage done, and the work is still going on.

Glenelg is not a local option territory but there is no beverage room license in the township,, and has not been one since the hotel at Dornoch was closed many years ago.

There is a feeling of resentment over the petition, which some allege did not say anything about a license, and a determined effort is now on foot to block the issuing of a license in the area. — Durham Chronicle.

Former Residents Back After 43 Years' Absence

(By Vandeleur Reporter)

Many friend and realtives of Ira and Howard Holley of Vancouver, B.C., who are visiting their mother, Mrs. W. J. Holley, of Holland Centre and other relatives in the East, were pleased to renew old acquaintances one day last week. Their cousin, W. G. Bowles, went to Holland Centre and accompanied by their mother, and sister, Mrs. Kenifick, and Mrs. Ira Holley, who was born at Duncan, and took them around the community and also to Meaford, Thornbury and other points. The Holley family were former residents of this place and went to school here. Mrs. Holley Sr. was also raised here and was a sister of Mr. Geo. Bowles. Their visit to the old community was a real pleasure. Ira Holley went to Vancover in 1905, before his youngest brother, Ivan, was born and this is the first time he has been back. Howard went West in 1912. An unique event in the history of the family took place on August 29th, when the family was all together for the first time.

Took Bowling Prize At Elora

Messrs. Win Kernahan Howie McCauley, Geo. MacTavish of town and Cliff Henry of Durham attended the bowling tournament at Elora Monday and brought home the prizes for fifth place, a cocktail table each. They had a high score, three wins and a plus of 24, while the first place winners had three wins with a plus of 27. There were 152 rinks in the competition, the largest entry in Ontario this year, and half the games were played on the Guelph greens. A week ago this same rink went to Oshawa, but did not place.

Some folk complain that there are no liberties left — perhaps because everyone is taking them.

A doctor favors a law against face lifting. Wouldn't the ladies' faces drop if that happened.

Flesherton Leads In South Grey Softball Play-off

Flesherton and Eugenia softball team sare having a close race in the play-offs for the South Grey League championship. The teams have met twice with Flesherton taking both games by scores of 6-5 and 7-4.

The first game was played Friday evening, but owing to lateness in starting, only seven innings were played. Flesherton had the game on ice apparently at the end of the fourth 6-0, but in the fifth Eugenia connected with Russ. Andrews' offerings for six hits resulting in five runs and in the next two innings they unable to score and Flesherton did not take their seventh inning batting. Russell Andrews had eight strike-outs and Leslie Seeley four.

This Tuesday evening the second game was played with Andrews and Seeley again opposing each other. Eugenia started off well and scored two runs each in the first and second inning, while Flesherton collected one in the second and two in the third, one of the latter being a home run smash through centre field by Jack Milne. "Hank" Best collected two home run and Ken Betts one, with Milne scoring another home run on an error by the Eugenia centre fielder when the ball bounced past. Norm Genoe pitched in the fourth and fifth innings.

Notes: Leslie Seeley, besides being a good pitcher, broke out into his old batting strength in Tuesday's game and secured three hits out of four trips. Milne got three hits out of four trips to the plate. Best three out of four and Ken Betts three out of five, one a homer. In the first game Eugenia collected eleven hits to Flesherton's six and in the second game both teams had eleven hits. Tom Bemrose pitched for Eugenia all summer with Seeley playing short, but blood poisoning in his hand benched him some eight weeks ago, but it is expected that he will be ready to go the next game, which will be played Friday evening on the Flesherton diamond.

Have Maps of This Area From Dept. of Interior

(By Vandeleur Reporter)

It was interesting to hear the article about Bowles' gully and how it received its name on the map of Canada, read over Neighborly News on Sunday morning. By the way, Messrs. Frank Davis and Howard Graham have secured copies of the new map showing this part of Grey County, and it is certainly an interesting study. Not only is every road, river, lake, valley, town, village and hamlet marked, but also the schools churches and even farm buildings, with the most minute details, also wood lots and the land elevation. The map is published in section and the part the local residents have secured is known as the "Markdale Section."
