In Memoriam

WILSON — In loving memory of a dear ister, Mrs. Jack Wilson, who died Sept. 11th, 1947.

To-day we are thinking of someone
Who was always so honest and true,
Someone we loved with all our hearts
And that someone, dear sister, was you;
Gentle in manner, silent in pain,
Dear Verna, you left us, Heaven to gain,
Nature so splendid, actions so kind,
Not in this world would your equal be found.

—Ever remembered by her Sister, Tessie.

Flesherton Won Second From Dundalk 13-12

Flesherton outlasted Dundalk in the second game of the series Friday night and won the game 13-12. The contest was featured with two home runs by Dargavel and Best in the five-run seventh, which put Flesherton one-up on Dundalk, after the latter had scored seven runs in the sixth inning. It was the worst game the locals have played this year, as they had eleven errors, attributable to their unfamiliarity to the flood lights. Dundalk had five errors. Flesherton had 16 hits off McKenzie and Russ. Andrews allowed 12. Russ. had seven strike-outs and McKenzie had six. Bob Turney batted well for the locals with three hits out of five trips to the plate and Ken Betts was next with three out of six. Bob also scored five runs, a record for any club playing in this district this year.

The next game will be played on the Flesherton diamond this Friday evening, to commence at 5:30 sharp in order to play nine innings. Don't miss this one.

John Howard Davies Plays The Roll Of Oliver Twist

(By Eugenia Reporter)

The story of "Oliver Twist" now comes brilliantly to the screen, with its excitement, suspense and gripping drama. "Oliver Twist," written by Charles Dickens, and presented by J. Arthur Rank, stars Robert Newton, Abe Guiness, Kay Walsh, Fancis L. Sullivan, with Henry Stephenson, and introduces John Howard Davies as Oliver Twist. John Howard Davies is the nephew of Mr. and Mrs. Wm. G. Davies of Winnipeg, the latter being the former Neah Williams of Eugenia. Mr. Hedley Lehman, son of Mr. and Mrs. J. R. Lehman, visited at the Davies home when he was overseas in the last war. John Howard Davies is a charming little boy and plays his part of Oliver Twist exceptionally well. If you have the opportunity of seeing this fascinating story on the screen do so, as it is one of the world's most treasured stories.

Claim Is iMade That Butter Is Being Hoarded

"General feeling in the industry is that press reports of an acute shortage of butter have been exaggerated, and has caused considerable amount of hoarding by consumers," says C. E. Lackner, Director of Dairying for Ontario, in his monthly summary for August of the creamery instructors' reports. "This extra disappearance of buttter," he continues, "causes the situation to appear worse han it really is."

Butter production in Ontario in August was considerably higher than that of the same month in 1947. Good pasture conditions in the earlier part of the month over most of the Province was mainly responsible. The extreme heat during the last part of the month, however, and lack of rain, is expected to curtail production during September, but the rain during the past few days should improve the pastures. Butter quality up to the end of July continued to be the highest on record, but it is feared that on account of the extreme heat, this record will not be maintained for the August production.

Grey Federation Will Hold Public Speaking Contests

The Board of Directors of Grey County Federation of Agriculture met in the office of the Department of Agriculture, Markdale, on Friday evening last and some important business was transacted. Most of the directors were present, with the president, H. I. Graham, presiding. It was decided to hold the annual county convention in Flesherton early in November and committees were appointed. Initial arrangements were made for a county public speaking contest, in co-operation with the Junior Farmers, when the winners of Township contests will compete.

Is Deer Hunting Desired In Artemesia And Osprey?

Do you wish to have an open season for deer in the Townships of Artemesia or Osprey this year? The voice of the people is being secured by the officials for both townships, as the problem of the open season is being left to the individual townships interested. If you wish to have a season, or are opposed to one, phone A. B. Chard, Clerk of Artemesia, or C. N. Long, Clerk of Osprey, if you reside in either of these townships. The usual procedure is having an open season is to decide how many licenses are to be issued and have a certain number reserved for residents, some townsips placing this at 60% for residents and 40% for non-residents. Go to your phone to-day and let your Clerk know what your desire is.
