Lloyd Hudson Heads Feversham Organization

The first annual meeting of the Feversham Athletic and Improvement Association was held in Robinson's hall on Monday evening. Mr. F. Hannah, the secretary-treasurer, read the minutes of the organization meeting held at Geo. Sled's on Dec. 20, 1947, and alo the financial statement for the year. The report of the auditors, Lloyd Moore and Vic Wright, showed expenditures of over two hundred dollars, with a balance of twenty-one dollars on hand. All agreed a great deal had been accomplished in the year toward the improvement of social conditions.

A Board of seven members was elected by ballot, using seven names on the ballot, with the highest votes in order for the offices, which resulted as follows:

President — Lloyd Hudson.
Vice-President — Geo. Sled.
Sec.-Treas.—Frank Hannah.
Committee — John Robinson, D. Stephens, Lloyd Moore, Russell Hudson.

Membership tickets are in the hands of the Board. Mr. Jas. McKee was engaged to operate the rink The patronage of all is greatly appreciated and is needed to bring the plans to a successful conclusion.

Hockey Club Held First Practice At Owen Sound

Flesherton senior hockey team held their first practice in the Owen Sound arena on Thursday afternoon last, when there were sixteen players present ofr the work-out. All players of last year were out, with the exception of Ed. Ferris, star goallie, who was unable to attend due to his mail route. The new players out for the team were: Bill Lawrence, formerly with Markdale Russell Acheson, formerly with Dundalk, Bruce Thurston, Jack Milne and Stan Teeter, a complete line from last year's Semi-Pro. team. The players were under the direction of Bob Phillips, coach of last year, and his well-known booming voice was as strong as ever. Bob put the boys hrough a real brisy work-out and before the first twenty minutes were passed they felt as though they had played a whole game. However a few more practices will have them in good shape. With the signing of Bill Lawrence and Russ. Acheson, the team will be greatly strengthened on th defence, which was rather weak last year. The line-up for the practice was as follows:

Goal, Russ. Andrew and Bob Stoddart; Defence, Harold Best, Fred Bannon, Bill Lawrence, Russ. Acheson and Ted MacTavish; 1st line, Doug. Cairns, Bob Turney and Roy Best; 2nd line, Geo. Boyd, Ken and Gordon Chard; 3rd line, Bruce Thurston, Jack Milne and Stan Teeter.

Coach Phillips had these teams playing against each other and for the first practice of the season, the boys showed some very yood hockey. Aches and pains predominatd during the next days, but the players should soon have those muscles in shape which they don't use during the rest of the year.

—o—

Shelburne's new arena will likely be completed in time for this season. The roofing is now being placed on the building, keeping up with the skeleton erection and one more arch is now being placed. Now, if only Grand Valley and Erin had larger playing surfaces, the teams would enjoy their games, but with the small ice surfaces in these places, some of the teams are handicapped.

—o—

We live and learn. In last week's issue of the Dundalk Herald, we learn that high school boys are not supposed to be playing on the Semi-Pro. teams. This rule was new to us and upon enquiry from the League officials it was new to them too. As the Semi-Pro. League is supposed to be a training ground for future esnior player, we don't know why such a rule would be used.

Gross Negligence Caused Fatal Head-on Collision

A coroner's jury at Port Arthur has attributed to gross negligence a head-on collision between two Canadian Pacific Railway trains near Schreiber, on Dec. 2nd, in which John W. McMullen, son of Mr. and Mrs. Jas. W. McMullen of the west backline, aged 23, fireman on the eastbound engine was killed.

The verdict said, in part, that in the jury's opinion, the accident was the result of "gross negilgence on the part of the head-end crews of the eastbound engines in failing to observe the absolute signal, which would prevent a train from proceeding against an absolute signal." The accident occurred on a single-track section of the main line. The blocked tracks delayed westbound main line traffic for from nine to twelve hours.

ELECTION LIKELY IN OSPREY TOWNSHIP

Nomination day for the ratepayers of Osprey Township is next Monday, Dec. 27th, the nominations being accepted between the hours of one to two o'clock p.m., the advertisement of which appears on the back page. Osprey's voting strength is not sufficient to warrant a Deputy Reeve, so it is expected that the electors will have plenty of choice if an election is held. We hear that Messrs. Archie Buie and Clayton will oppose the present Reeve, Fred Hale. Both men have been councillors for the past several years and Reeve Hale has given good leadership as Reeve, so the outcome will not be known until election day if they decide to run. The names of George Morrison of Maxwell, John Weldrick of Feversham and Eachun McInnis of McIntyre are expected to be nominated, and no doubt there will be others brought forth on nomination day. There is always a good attendance of ratepayers at the Osprey nomination meeting to hear reports from the various members of the Council, and if there is an election there will be plenty for the Osprey electors to talk over.

Santa Claus Had Big Time With Children Saturday

Santa Claus came to town Saturday afternoon. 245 children enjoyed his visit at the town hall and received a bag of candy and nuts with a gift in each package. The hall was crowded to over capacity and they saw a splendid motion picture show given by Dennis Sawyer of Markdale, including several comic and educational films. Then Santa came on the scene and as the name of each child was called they went forward and received their package. There were 178 children between the ages of two to 8 and 67 more up to ten or eleven years old. This annual happy occasion is eagerly anticipated by the children and their dreams were fully realized to see this jolly old person who spreads happiness and enjoyment at the Christmas season. The Santa Claus day was sopnsored by the Flesherton branch of the Canadian Legion and we are informed that more children were in attendance than last year. Next year we hope there will be many more.

Tupling - Dawson

In St. Peter's Anglican Church, Toronto, the marriage took place of Josephine Dawson, Reg.N., Toronto, formerly of Ireland, daughter of Mrs. C. Cain and the late Mr. W. Dawson, and Alan Tupling, son of Mr. and Mrs. L. Tupling, Feversham, Rev. J. H. Barnes officiating.

Given in marriage by her stepfather, the bride looked charming in white satin. Her fingertip veil was held in place by a coronet of seed pearls and she carried a bouquet of red roses. Alda Hawton was bridesmaid in net over pale blue taffeta with matching headdress and shoulder-length veil. She carried a bouquet of pink carnations. Hartley Tupling, brother of the groom, was groomsman. The ushers were Wilfred Dawson, Feversham, and Alex. McMillan, Toronto. During the signing of the register, Mr. Howells, organist, rendered "O Promise Me."

The bride's mother received in black moire taffeta with a corsage of white carnations, assisted by the groom's mother, dressed in turquoise crepe with a corsage of red roses. After the reception, held in the St. Regis Hotel, the couple left for a trip to Montreal and points east, the bride travelling in a hunter's green suit with gray accessories. On their return they will reside in Toronto.

In Memoriam

WHITE — In loving memory of our dear mother, Mrs. Sarah White, who passed away Christmas Day 1938.

—Sadly missed by The Family.

BADGEROW — In fond and loving memory of our dear mother, who departed this life Dec. 22nd, 1944.

Four years have passed, our hearts still sore
As time goes on we miss her more;
We often sit and think of her when we are quite alone,
For memory is the only thing that grief can call its own.

—Sadly missed, but always remembered by her Family, Lottie Olive, Florence, Sadie and John.

TUDOR — In loving memory of a dear wife and mother, Mrs. Henry Tudor, who passed away December 21st, 1939.

Deep in the heart lies a picture
Of a loved one laid to rest;
In memory's frame we shall keep it
Because she was one of the best.

—Ever remembered by Husband and Family.

Christmas, 1948

Christmas offers us all an opportunity to say things to our friends that perhaps should be said more often, but custom and a busy world cause us all to wait until this time of the year, when we consider the past and think seriously about those with whom we are associated.

Friendship plays a greater part in our lives than most of us admit, and it is in this spirit that we send you Christmas Greetings. We are grateful for the privilege of serving you, and this brief message is all too inadequate to express appreciation for your consideration and understanding.

May 1949 be a good year for each and every one of you!
