HOLLOWAY'S OINTMENT

THE GRAND EXTERNAL REMEDY.

BY the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to every organ or inward part. Diseases of the Kidneys, disorders of the Liver, Affections of the Heart, Inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by any other means.

ERYSIPELAS, RHEUMATISM, AND SCORBUTIC HUMORS.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting many of the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Professor Holloway has despatched to the East, large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints even of 20 years standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—

Bad Legs, Bad Breasts, Burns, Bunions Bite of Moschetoes, and Sand-flies, Cocobay, Chiego-foot, Chilblains, Chapped hands, Corns, soft, Cancers, Contracted and Stiff Joints, Elephantiasis, Fistulas, Gout, Glandular Swellings, Lumbago, Piles, Rheumatism, Scalds, Sore Nipples, Sore-throats, skin diseases, Scurvy, Sore-heads, Tumors, Ulcers, Wounds, Yaws.

Sold at the Establishment of Professor Holloway, 244 Strand, (near Temple Bar,) and 80 Maiden Lane, New York, London, and by all respectable Druggists and Dealers in Medicines throughout the civilized world, in pots at 1s 3d, 3s 3d, and 5s each.

There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each pot.

To all who consult their own Interest.

THE Subscriber begs at the commencement of another season to inform his numerous supporters and the public generally, that owing to the facilities afforded by the greatly depressed character of the Money Markets of late, of securing goods below their legitimate value, in conjunction with the very important improvements more recently effected in the style and workmanship of his clothing, by the employment of none but the best mechanics in its manufacture, he is consequently now in a better position than ever to combine advantages to the public, equally appreciated by both rich and poor, and which although constituting the great disideratum of every branch of manufacture, has not been hitherto enjoyed by the citizens of Kingston, at least in the Tailoring and Clothing department, viz:—The combining all the modern improvements in elegance of style fit, finish and durability, of workmanship, at unprecedently low charges, so that such Gentlemen in particular as are ever accustomed to regard exorbitance in price as necessarily identified with real excellence would do well to dismiss their prejudices and by a practical test discover to their agreeable surprise that the demand of the most fastidious taste can be fully met at this establishment at least 20 to 25 per cent below the usual charges of Merchant Tailors The advantages will appear particularly manifest in the measure department; to which the most scrupulous attention is unremitingly paid. The stock will be found to comprise every variety of winter clothes suitable for over coats, business coats, &c., seasonable trouserings in great variety of pattern; rich, plain, figured and embroidered vestings; an extensive supply of ready made clothing together with a complete assortment of Hosiery, &c., &c., &c.

BRITISH PERIODICALS, AND THE FARMER'S GUIDE.

GREAT REDUCTION IN THE PRICE OF LATTER PUBLICATION.

Leonard Scott & Co., New York, continue to re-publish the following leading British Periodicals, viz:—

1. THE LONDON QUARTERLY, (Conservative.
2. THE EDINBURGH REVIEW, (Whig.)
3. THE NORTH BRITISH REVIEW, (Free Church.
4. THE WESTMINSTER REVIEW, (Liberal.)
5. BLACKWOOD'S EDINBURGH MAGAZINE, (Tory.)

The great and important events—Religious Political, and Military—now agitating the nations of the Old World, give to these Publications an interest and value they never before possessed. They occupy a middle ground between the hastily written news items, crude speculations and flying rumors of the newspaper, and the ponderous tome of the historian, written long after the living interest in the facts he records shall have passed away. The progress of the War in the East occupies a large space in their pages. Every movement is closely criticised whether of friend or of foe, and all shortcomings fearlessly pointed out. The letters from the Crimea and from the Baltic in Blackwood's Magazine, from two of its most popular contributors, give a more intelligible and reliable account of the movements of the great belligerents than can elsewhere be found.

These Periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radical—but politics form only one feature of their character. As Organs of the most profound Writers on Science, Literature, Morality and Religion, they stand as they have ever stood, unrivalled in the world of Letters being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.

EARLY COPIES.

The receipt of Advance Sheets from the British publishers gives an additional value to these Reprints, especially during the present exciting state of European affairs, inasmuch as they can now be placed in the hands of subscribers about as early as the original edition

COSMOPOLITAN ART ASSOCIATION

SECOND YEAR.

ARRANGEMENTS for the Second Annual Collection of this new and popular Institution for the diffusion of Literature and Art, have been made on the most extensive scale.

Among the works already engaged, is the far famed "*GENOA CRUCIFIX*," which originally cost Ten Thousand Dollars.

In forming the new Collection, the diffusion of works of American Art, and the encouragement of American genius, have not been overlooked. Commissions have been issued to many of the most distinguished American Artists who will contribute some of their finest productions. Among them are three Marble Busts, executed by the greatest living Sculptor,—Hiram Powers: GEORGE WASHINGTON, the Father of his Country; BENJAMIN FRANKLIN, the Philosopher; DANIEL WEBSTER, the Statesman. A special agent has visited Europe and made careful and judicious selections of foreign works of Art, both in Bronze and Marble; Statuary and Choice Paintings.

The whole forming a large and valuable collection of Paintings and Statuary, to be distributed free among the members of the Association for the Second Year. TERMS OF MEMBERSHIP: The payment of three dollars constitutes any one a member of the Association, and entitles him to either one of the following Magazines for one year, and also a ticket in the distribution of the Statuary and Paintings.

Persons taking five memberships are entitled to any five of the Magazines for one year, and to six tickets in the distribution.

The net proceeds derived from the sales of memberships, are devoted to the purchase of works of Art for the ensuing year.

The Advantages secure by becoming a member of this Association, are—

1st. All persons receive the full value of their subscriptions at the start, in the shape of Sterling Magazine Literature.

2nd. Each member is contributing towards purchasing choice Works of Art, which are to be distributed among themselves, and are at the same time encouraging the Artists of the country, disbursing thousands of dollars through its agency.

Persons in remitting funds for membership, will please give their post office address in full, stating the month they wish the Magazine to commence, and have the letter registered at the Post Office to prevent loss; on the receipt of which, a certificate of membership, together with the Magazine desired, will be forwarded to any part of the country.

Those who purchase Magazines at Bookstores will observe that by joining this Association, they receive the Magazine and free ticket in the annual distribution, all at the same price they now pay for the Magazine alone.

SIR ASTLEY COOPER'S
MILD APERIENT ANTI-BILLIOUS PILLS
FOR THE CURE OF
Bilious Disorders, Liver Complaint, Indigestion or Dyspepsia, Habitual Costiveness, Sick Headache, Giddiness, Heartburn, Flatulency, Loss of Appetite, Irritability, Nervousness, Languor, Lethargy, Low Spirits.

THE distinguished Patronage with which these sterling Pills have long been honored, the beneficial effects which have constantly resulted from their use, the purity of the ingredients which enter into their composition, their careful and peculiar mode of preparation, and the great and increasing demand for them from every quarter of the globe, prove at once their superiority over all similar preparations in Europe or America. Prepared from the original recipe of the distinguished Physician and Surgeon, the late SIR ASTLEY COOPER.

IMPORTANT CAUTION.

In consequence of the great demand for these most excellent Pills, they have been extensively counterfeited by several unprincipled persons both in Canada and the United States, and in order to secure the public for the future from all danger or risk of counterfeits, the proprietors have caused to be engraved at great expense, a highly finished label, which is placed on the outside of the wrapper, and also on the top of each box, and on which is engraved the likeness of the late Sir Astley Cooper, from the celebrated painting by Lawrence, with the words "SIR ASTLEY COOPER'S APERIENT ANTI-BILLIOUS PILLS."

And in order to afford the public a still further protection, the proprietors have placed the facsimile of their signature on the outside wrapper, and also on the directions which accompany each box; without these marks of authenticity, they are spurious and an imposition.

DR COE'S FAMILY VEGETABLE PILLS

The best and safest Cathartic Pill for popular use ever offered to the public.

For the cure of Sick Head-ache, Dyspepsia, Constipation, functional derangements of the Liver, Spleen and other viscera, they stand unrivalled. These are not trade and untried remedies experimentally placed before the public, but they have stood the test of years. The proprietor is a practising Physician, and they are the same remedies he relies upon to sustain his wide spread reputation as a competent and successful guardian of the public health. The Harmattan has stood the test of 50 years, the original formula having been obtained from the Indians by an ancestor of the present proprietor, who has improved and brought it to its present degree of perfection.

The Syrup and Pills originated with himself and during twelve year's extensive practice thousands have had cause to feel grateful for their efficacy.

For wounds and sores on horses, the world is challenged to produce anything equal to the Harmattan.

MESSRS. STEARNS & MARVIN, Nos. 144 and 146 Water-St., N.Y.
GENTS:—Our city was last evening visited with the most destructive fire since its existence, and you may well think we felt interested and anxious to know the result of several safes of yours and others in the fire.—We need hardly tell you yours came out of the fiery ordeal triumphant over all others. Immediately under Anderson's office was 50 or 60 tons of tallow, and of course made the hottest kind of fire; and in another Safe of yours, in the same building was $20,000 in Bank bills, checks, &c., all of which came out in perfect order, after lying in the ruins ten hours. All that have seen the effects of the fire on the different kinds of Safes, are satisfied of the superiority of your "Rich's improvement on Wilder's Patent Safe." Yours respectfully,
MORLEY & RAYNOLDS.
