DRIVERS TO PAY EXTRA 50 CENTS

Hon. George Doucett, Minister of Highways, has announced that an extra fifty cents will be collected in 1949 on the price of each motor vehicle operator's and chauffeur's license, making the license cost $1.50 for the year. The extra fifty cents will go into the Unsatisfied Judgement Fund, which was created in 1947. This fund pays persons who were awarded damages in court actions arising out of the automobile accidents, but who could not collect their damages for various reasons. For instance, a person injured by a hit and run driver whose identity was never discovered, could receive dramages out of the fund.

No one will quarrel with the principle of the fund, since it gives the innocent pedestrian or the driver who suffered injury to his person or damage to his car through no fault of his own, a means of receiving financial compesation for the injury or loss.

Since there are approximately 1,200,000 drivers in the province, the collection of the added fifty cents will amass a fund of $600,000 nex year for this purpose. However, since the fund was put in operation eighteen months ago, there have been 63 judgments handed down awarding persons injured in such accidents the sum of $130,000, or at the rate of approximately $87,000 for a twelve month period.

An extra fee of ten cents on the driver's license next year would appear more than ample to cover any drains on the fund, since this would raise about $120,000, against the annual depletion rate since the fund has been in operation of $87,000.

The department has stated it will keep the $600,000 fund so raised to pay for charges against the fund during the next few years. This appears to us an unwarranted charge on many drivers, some of whom will have passed away long before the fund is exhausted, while others, for various reasons, will have ceased to operate a car. The department would be better to levy a ten-cent charge annually, making it perfectly plain why the levy was being made. In this way the levy would be equitable and place the load on the current list of vehicle operators.

Death tries to break, but all invain;
To have, to love, and then to part,
Is the greatest sorrow of one's heart.
The years may wipe out many things,
But this they wipe out never—
The memory of those happy days
When we were all togther.

FLESHERTON WON SECOND GAME 9 - 4

Flesherton Majors took their second game of the season from Markdale on Flesherton ice Monday evening by the score of 9 to 4. The contest was quite fast, considering the condition of the ice, which was covered with water that morning. With the large crowd present, the air became quite warm and the ice suffered, making the going quite heavy in the third period. Both teams gave everything they had, but very few penalties were handed out by Referee Grainger of Shelburne. Ken Banks, also of Shelburne, was the linesman, and we might say here that their officiating was not of the highest calibre. One instance in particular the referee signalled a puck shot out from the Markdale end did not go over the far goal line while the linesman called it back for icing the puck by Markdale, but the referee did not back up his decision.

Flesherton took the lead at the one minute mark in the first period by Chard from Boyd and Lawrence, and added another at 9.56 by Lawrence from Chard in a pretty play when Chard feinted Stewart out of position, passed to Lawrence, who drove it home. Markdale took their first point when the Wodehouse brothers combined, Arnold doing the trick. With Freeman off for boarding penalty, H. Best sank the biscuit home on a lone effort, and with eleven seconds left R. Best took a pass from Turney and the period ended Flesherton 4, Markdale 1.

Markdale came back strong in the second and McCullough and Freeman counted twice in the first minute and a half, leaving Markdale one goal down. A few moments later Milne got hold of a deflected shot and at 6.22 Cairns took Milne's fine pass and eight seconds later H. Wodehouse took a pass from A. Wodehouse and the period ended with the Markdale clan two goals down 6-4.

For the first ten minutes of the third period play was very even, with both goalies playing well, Andrews especially making a couple sensational saves when Markdale players got right through. McCullough of Markdale was given a penalty twenty seconds after the teams changed ends midway in the third period due to bad ice at one end, and H. Wodehouse was also banished at 10.50. With Markdale two men short, Flesherton worked in for two fast goals by Turney and, Boyd from Lawrence and Chard. The third and last goal of the period was scored by Chard from Boyd with the visitors then one man short. The remainder was given over to slower hockey from end to end of the rink

ARCHIE BUIE NEW REEVE OF OSPREY IN POSTPONED ELECTION HELD SATURDAY

Archie Buie, Deputy Reeve of Osprey Township for the last several yars, defeated Fred F. Hale, for the office of Reeve, which Mr. Hale has held for some time, by a majority of 60 votes at the election held Saturday. The election was supposed to have been eld January 3rd, but due to the heavy storm and blocked roads the voting was postponed until Saturday. As there was less than the number of voters required for a Deputy Reeve, Osprey will be represented in the County Council by only one man this year.

Harry Thompson lead the poll for the four Councillors to be elected, with George Dobson second, and the other members elected were Lewis O. Moore and Elgin McCutcheon. George Morrison was defeated by ten votes, but made a good run.

Despite the heavy roads, the voters took a great interest in the election and 56 per cent of those entitled to vote, cast their ballot, which is a very fair record, considering the roads. Reeve Hale had an excellent chance this year for the Wardenship if he had been elected.

Following is the vote in the various polling sub-divisions:

HOCKEY JOTTINGS

In the Markdale-Flesherton game we kept track of the number of shots on goal by each team and tallied Flesherton with 36 to Markdale's 30. Quite a number of times on the usual scrambles around the net the goalies would stop three or four shots in succession, before the puck was either cleared or netted.

Markdale has imported four players from Chatsworth in order to ice a team of sufficient strength. In fact only five of the visitor's players come from Markdale. Cherry and Fitzsimmons were unable to be present, which left a big hole in the Markdale lineup; as they are both good players.

The Semi-Pro. League got away to a flying start here last Thursday night and a good crowd was on hand to see them perform. The spectatotors seem to get a real kick from the playing of the teams in this league and some good hockey and a few extra thrills are dished up.

—o—

Saturday nite is hockey night across Canada. We give it to you right in Flesherton, with all its bumps, flashes of red light and tempers on edge. Erin is coming to town, a good team from the southern end of the league. Your home team at the present have two wins and no losses. Come out and root and toot the boys to victory. They appreciate your presence at the arena. Thanks for your grand support against Markdale. Come out and see the old-blood and the new-young dipsy doodle. They're worth watching; that is Saturday nite, Jan. 15th, game at 8:30 p.m.

Women are wearing skirts longer — and if prices stay up there, they'll be wearing them longer than they expect.

Mrs. Mary Priestley

(By Maxwell Reporter)

The funeral of the late Mrs. Mary Priestley took place on Tuesday, Jan. 4th, at her late residence in Maxwell, with Rev. A. E. Millen, pastor of the United Church, conducting the service. Interment was made in Marwell Cemetery.

The cakset bearers were: Wesley, Wallace and Arthur Long, Bill Belrose, Bill Hollingshead and Warren Priestley.

Friends from a distance attended the funeral from Owen Sound, Collingwood, Toronto and Ft. William.

The many beautiful floral tokens bore silent tributes of esteem in which she was held, among them being wreaths from the L.O.B.A. of Collingwood, Owen Sound and Maxwell, and neighbors and relatives, and were carried by the grandchildren: Jewel Belrose, Hazel Hollingshead, Edith Priestley, Vernon Long, Blanche Priestley, Russell Seeley, George Holdsworth, Marie and Fay Blakey.

The late Mrs. Priestley was formerly Mary McLean, daughter of the late Mr. and Mrs. Allan McLean of Artemesia Township. She was united in marriage 63 years ago to Mr. Robt. Priestley and resided in this vicinity for the past 48 years. Surviving to mourn the loss of a devoted mother are two sons, Allan of Ft. William, George of the 4th Line, Osprey Township, and three daughters, Lillie, Mrs. Louis Kerton, Pearl, Mrs. Geo. Long, and Annie, Mrs. Chester Cameron, all of Maxwell. One sister, Mrs. Christena Baker, of Vancouver, B.C., also survives. Predeceasing her were one daughter, Tena, Mrs. H. Linley, and two sons, John and Robert. There also are living 11 grandchildren and five great grandchildren.

A New York pedestrian was only slightly injured when struck by two autos within 10 minutes. He should have stayed down for the count the first time.
