Ceylon United Church Held Annual Meeting

(By Ceyon Reporter)

The annual congregational meeting of Ceylon United Church was held at the home of A. E. Goessel on Wednesday evening last. All reports showed 1948 to be a good year in the life of the church. Rev. L.W. Mould, the minister, was in charge of the meeting. Mrs. Goessel gave the treasurer's report, showing the total amount raised during the year for all purposes was $387, with a balance on hand of $27.95. The Sun-School report was given by the treasurer, Mrs. Jas. Sinclair. The Woman's Assoc. showed receipts of $372.56, with a balance on hand of $162.41. The work of the Young People's Society was commented upon and appreciation was expressed to those who took part in this organization.

Mrs. M. Hogarth, organist, was praised for her work during the year. It was the unanimous wish of all present that she be returned to office. Isaac Snell and Robert Flester were elected Elders. The Board of Stewards were re-elected. Auditors are E. C. Mitchell and A. E. Goessel. John McWilliam, chairman of the Board of Stewards, expressed appreciation for the leadership given by Rev. L. W. Mould and Mrs. Mould. The ladies served lunch.

LARGE PULLET EGG

Mrs. Frank Teeter has a Light Sussex pullet that is working overtime in producing large eggs. One was brought to The Advance office on Monday that measured 6¾x8¼ inches. This pullet started to lay in November and every egg she has laid to date have been large double yolk affairs.

The Advance Finally Issued Two Days Late

The Advance editor had his share of trouble in attempting to get last weeks issue in the mails and to the subscribers. Late Thursday night we had our pages locked up ready to go to press Friday morning, but when we arrived to get the press running there was no electricity to drive the motor. We had not been informed the evening before tn power would again be cut off, so we again had to wait. Power came on at 12 noon and we immediately commenced to print and fold the papers ready for placing the names thereon. After folding about three hundred the power was again cut off at 1:10 and remained off for two hours. Friday afternoon Lloyd McCullough of Dundalk delivered the papers to Maxwell and Feversham, Laurie Russell to Eugenia, Merl Weber to Kimberley and John Nichol the Ceylon, to all of whom we say "Thank you." Since Friday the electric supply has been coming in steadily with no more interruptions, thanks to the real job done by the hydro linesmen, who had a difficult time digging holes for the poles and repairing the wiring. This was the first serious interruption in electric service in Flesherton for 33 years and it is to hoped that the equipment will stand for another like period.

Picked Pansy in January

Pansies in January is quite an oddity, but Mrs. Ken Betts picked one from her flower garden during the mild weather last week . It came into full bloom when taken indoors.

Flesherton 8, Erin 3

Flesherton Majors won their third game of the season Saturday evening before a large crowd in the Flesherton arena by the score of 8-3 in a game that was fast at first but the ice later became sticky, which slowed up the passing attacks In the first period Turney counted on the first face-off, when he took Cairns' pass and shot outside the blue line, surprising the Erin goalie with the drive. Thurston took Ken Chard's pass for another and with Miller off for a trip Roy Best took a pass from Cairns and counted the third goal. Flesherton was short-handed at 15.41 when Haorld Best made one of his famous rushes and netted the last goal of the period.

Gordon Chard took a nice pass from Bill Lawrence to make goal number five nd at 16.20 of the period Boyd deflected G. Chard's shot into the net and eight seconds later Boyd again counted on Milne's pass to make the score 7-0, but with one minute and 52 seconds to go to the end of the period McEnery scored for Erin on Fine's pass after a strong ganging attack, the period ending Flesherton 7, Erin 1.

At 5.15 of the last period Flesherton scored their eight and last goal, with Gord. Chard taking Geo. Boyd's neat pass to score. Erin then put on the pressure and at 9.37 McEnery got his second goal from Rozzell, and then at 15.42 Allen got a loose puck at centre, cruised up the ice and made sure of number three for Erin and the last counter of the game.

RINK COST REPORT GIVEN TO SERVICE LEAGUE TUESDAY

An enthusiastic dinner meeting of the Flesherton Service Club was held at the Park Hotel on Tuesday with Mr. and Mrs. J. L. MacLean catering to the gathering. Some 42 members and others attended and received the report of the financial committee of the Service Club, presented by the chairman, P. S. MacDougall. The Service Club has been behind the operation and reconstruction of the arena purchased over a year ago. A new section has been built on the north end of the rink on property purchased from Mrs. Wm. Boyd and is the last word in giving accommodation to skaters and those who play hockey. A furnace was installed in the basement and hot air heats the dressing rooms and hot water is provided for flooding the ice surface. Toilets have been provided for both ladies and men. With the change the ice surface has been lengthened fifteen feet and is now 165 feet by 60 feet, larger than regulatioins size. Mr. MacDougall stated that the total cost to ate for the work commenced last fall is $7827.84, with $1225 of this amount already paid out. Debentures have been issued for $5,000.00 by the village, which leaves yet to raise the amount of almost $2600. The committee moved a vote of thanks to the managing committee for having accomplished such an excellent job at so reasonable a price, and was passed unanimously.

It was decided to hold a carnival in the arena on Wednesday, Feb. 9, of which further informtion will be given. The new arena will formally be opened that night.

Thanks are extended to Mr. Frank Eagles of Springhill for his excellent donation of lettering for the front of the arena "Flesherton Community Centre" which he made. The large letters add a distinctive touch to the appearance of the building.

Hockey Gossip

When Saturday night's game with Erin was ready to commence it was found that there was no referee appointed by the League and one was secured from Markdale at the last minute. Thanks, Ed., for handling a difficult job. We understand that referees were a problem at the Dundalk-Shelburne game Saturday. The League secretary should have the referees appointed well before the game, and not an hour previous.

—o—

Hockey Fans! One of the best games of the season should be the feature attraction at the Flesherton Arena this Saturday night, Jan. 29, when Camp Borden Flyers will be in town for a game at 8:30 sharp. The Flyers are in the eastern group with Alliston and Stayner and it is expected that the Majors will have their hands full to win. Don't miss this big feature Saturday night.

—o—

Shelburne's new arena has been completed far enough to have hockey games going and the first game was Saturday night with Dundalk as Shelburne's opponents. Shelburne had to go all-out to win 5-4, with Dundalk leading most of the way.

—o—

The league leading Shelburne will play Flesherton Majors here on Wednesday night of next week. As Flesherton is in second place there should be a good game for spectators to watch.

—o—

The Semi-Pro. schedule has gone ok balance, due to the recent thaws. This Wednesday night a double header will be in Flesherton Arena, with Feversham playing Proton and Dundalk playing Flesherton.

—o—

Grey County Council has donated $1000.00 for the Feversham Community Centre and hockey rink, when construction cemmonces.

Sydenham Skating Club At Local Rink Monday

The Sydenham Skating Club of Owen Sound were guests of their Flesherton members Monday evening in our new arena. Following the skating a dance was held in the Fraternal Hall, with music supplied by Tex Rumley's orchestra of Owen Sound. The Owen Sound members were delighted with the splendid facilities for the comfort of guests in the new arena and the condition of the ice surface, considering the mild weather prevailing that day.

Burns Night Observed At Home of M. S. McLeod

Robbie Burns night was observed at the home of Mr. and Mrs. Snowden McLeod on Saturday night with pipers, drummers and friends present from Park Head, Owen Sound, Priceville, Dundalk and Flesherton, attired in Highland dress. The Haggis was piped in by Campbell Millman and Snowden McLeod, graced by George Banks. A reading was given by Mrs. Geo. Banks on the life of Robert Burns, songs and musical selections by the Aitchison brothers. A very enjoyable evening came to a close by the singing of Burns' "Auld Lang Syne."

By request of the Flesherton Service Club, the pipers went to the rink at the close of the hockey game and rendered a few tunes. A pleasing number given on the ice was the presentation of the Highland Fling by Mrs. Cliff. Stingle of Hamilton, who has won many prizes and is a teacher of Highland dancing. Mrs. Stingle was the former Flora McDonald of Nova Scotia. Her interpretation was highly applauded.
