VICTORIA CORNERS

The high velocity wind storm passing through here in the early hours of Wednesday morning, wrought considerable disaster and trouble in our neighborhood. The fine large barn on the Geo. Moore property was unroofed beyond further barn use and the end of the barn was swept out. Milton Banon's barn on the Thos. Bannon homestead lost a strip of rafter, sheeting and asphalt roofing. Russell Brown's barn had the end removed as well as the unroofing of the chicken house. Wilfred Gallaugher barn had several patches of cedar shingles removed and the car belonging to Emerson Gallaugher, Wareham, sitting in the yard, has a very frayed roof. Almost every other farmer in the district reports the odd board, doors or shingles off the barn. Milton Bannon & Sons have made the necessary repairs to their building and George Moore has made several necessary steps toward the repairing of his barn. Another such storm will not be a welcome visitor to the district. We are very sorry for all our neighbors and all in other neighborhoods who suffered in any way. We are glad to know that there were no humans or animals injured in the blast, which is a great blessing.

Mr. Wilfred Gallaugher arrived home Wednesday night from Toronto to assist his son, Jim, in repairing their barn.

Mr. and Mrs. Norman Jackson and little daughter of Portlaw, Miss Jean Jackson of Wareham and Mr. Jack Lockhart of Proton Station were Sunday guests of Mr. and Mrs. Neil Winters and Anne.

ROCK MILLS

Considerable damage was done in this locality by the terrific wind storm last week. Considerable timber was blown down in the bushes, barn doors torn off and completely smashed. The heaviest loss was suffered by Bob Clark, who had the roof of his barn torn off. Every rafter was broken and large timbers shifted out of place. Neighbors have been assisting Bob each day to try and get a new roof on as soon as possible. Ten or 12 men were on hand Saturday and raised some of the large timbers and placed many of the rafters. The steel arrived last week and with sufficient help will be placed in a short time. Neighbors are lending a helping hand each day to assist him in every possible way.

A man soon learns how little he knows when a child begins to ask questions.

Little David: "Mummy, what is a fictitious character?"

Mother: "One that is made up."

Little David: "Then you are a fic-fictitious character, aren't you, Mummy?"

Little Johnny brought home his report card, and with it was a note from the teacher.

"Dear Mrs. Blank," the note said, "Johnny s a bright boy but he spends all his time with the girls. I'm trying to think of some way to cure him."
