Flesherton 5, Shelburne 3

Flesherton tamed the league-leading Shelburne team Friday evening 5-3 on their own fine large ice surface in one of the best and fastest hockey games of the season. The game was always in doubt right up until the last couple of minutes of ply. Roy Best scored two goals, the first and last, both on passes from Cairns, and Ken Chard did the hat trick after Shelburne had forged one ahead, when he tied the score on a pass from Jack Lawrence, and gave Flesherton the lead again a minute later on a pass from Milne. It was a rousing finish and had the fans on their feet the entire period. In the second period, after the first ended in a tie, Cairns put Flesherton ahead on a pass from Turney and Frank Paget again equalled the score, the period ending two all. These two teams meet in Flesherton this Wednesday night and the game should be another natural.

The local team was without their star centre, Geo. Boyd, who is ill at his home with 'flu and ear trouble, and it is not likely he will be out tonight. Bruce Thurston was also absent from the game.

Finger Amputated When Tie Rope Tightened

Messrs. Fred Stuart, Bracebridge, and Gordon Stuart, Burks Falls, spent a couple of days in town last week. Fred had the misfortune to lose a finger recently when he was unloading a cattle beast from a truck. It stood quiet when it reach-the ground, but just as Fred reached up and loosened the tie rope on the truck body, the beast jumped and the rope caught the third finger on his left hand and severed it nicely, without any pain. The first Fred knew that he had lost half the finger was when he saw it lying on the ground He wasn't disturbed at all over the loss of the finger, but a bit with the later pain.

Camp Borden 6, Flesherton 3

Camp Borden Flyers won an exhibition game from Flesherton here on Saturday night, by the score of 6-3 in a fast contest that was enjoyed by the large crowd present. The first period Andrews had only four shops to stop, while Flesherton buzzed around the Flyers net and kept them hemmed in their own end for most of the period, shot from all angles, but could only score one goal. Langley, in goal for Flyers, played a sensational game in the nets and kept the team together. Gord. Chard took Thurston's pass from a face-off for the only goal. Flesherton failed to score in the second and came up with two in the third, one by Bill Lawrence from G. Chard and the other by G. Chard from Acheson.

Russell Acheson played the entire game on defence and was good both ways. Russ. Andrews played a fine game in goal and shortly after the third period started was crashed into the goal post on a scramble and injord his head, bnt continued in the nets. The Majors were playing with out four of their regulars, Harold Best and Bob Turey, injured in the Shelburne game, Geo. Boyd and Roy Best. Jack Lawrence of Kimberley, brother of Bill Lawrence, added the needed strength in both games.

Come out on Saturday night, Feb. 8, and see the old rivals, Dundalk Beavers and Flesherton Majors, engage in one of the best games of the season. The Beavers have their teeth and claws all re-sharpened for this engagement. The first meeting on Dundalk ice resulted in a win for Flesherton, and Dundalk maintains it won't be repeated this time. Be on hand Saturday, Feb. 8, the game to start at 8:30 p.m. Skating after game.

Osprey Agricultural Society Plans For Expansion

The annual meeting of the Osprey Agricultural Society was held in the Orange Hall, Feversham, with a fair attendance. The financial statement showed a very successful balance for the year. The president, Mr. Victor Wright, in his address, voiced the feeling of all that the new features taken up, namely: race track, commercial cattle and midway, added greatly to the interest and success of the fair, and the endeavor of the management should be to improve the same for the 1949 fair.

From the new board of directors Mr. Vic. Wright was elected president, Mr. Kendal Hawkins vice-president and Mr. John Weldrick 2nd, vice-president. The old board of lady directors was re-elected, adding Mrs. Russell Hudson, Mr. John McLean and Mrs. John Weldrick.

The Board expresses their sincere thanks and appreciation to all who assisted in the various ways to make the fair a success, and wish all a prosperous New Year.

We Miss The Sleigh Bells In Winter Time

It was not many years ago when every cutter and sleigh coming to town was equipped with a set of string bells or chimes, or a set of bells for sleighs with various pitches to make a most interesting and joyous sound as the horse or team moved along. Young men vied with each other in having the finest sett of bells, and of course the finest driving horse to impress their lady friend. Today the scene is changed and the sound of bells is rarely heard on sleigh or cutter coming into town. We think the rising generation has lost something in not hearing the gay jingle of the sleigh bells along our roads or streets. We greatly miss their music and wish that once again we could hear their cheerful tunes.

Old Maxwell Resident Writes from Saskatchewan

Canora, Sask.,
January 28, 1949

Dear Editor:

Please find enclosed two dollars to keep the old paper coming. It gets here every Monday, if the wind, she don't blow too hard.

Well, I regret the passing away of so many old friends, but it is some satisfaction to know about it and be able to extend our sympathy to the bereaved ones. I was sorry that Mr. Scutt failed to reach the century mark. A homestead lady neighbor of mine celebrated her 101st birthday on the 23rd inst.. I enjoyed a ride last summer with Thos. Phillips, also a visit with Mrs. Priestley, an old friend of my wife, in the house where we were married 58 years ago last fall.

I accompanied our minister to Sterren last Sunday and enjoye dinner and a visit with Mr. and Mrs. J. Ferguson. Since that I stepped into a lumber yard office and said something that caused a litte quizz program, which resulted in the most hearty handshake I enjoyed for some time, between Milton Brownridge and Eddie Fleming, son of the Presbyterian minister at Maxwell some fifty years ago; and then, "Do you remember and do you remember?" We sure remembered a few things around Maxwell.

The "mercy plane" landed here the other day and took a very sick elderly lady to Weyburn. We have had a nice fall and winter, just enough snow for sleighing in the ditches and highways bare.

I heard of a lady who sent the hired girl, of foreign birth and not very proficient in English, to the butcher shop for pigs feet. She came back with them o.k. The lady asked how she got along and the girl said "Fine. I take off shoe and show foot and grunt like pig, nice man smile and get 'em o.k." The lady placed a hand over her heart and said "Thank heaven I did not tell you to get ham."

Best wishes to The Advance and all readers in 1949.
—C. M. BROWNRIDGE.

Swinton Park Church Holds Annual Meeting

The annual meeting of St. Andrew's Presbyterian Church was held in the church on Saturday, Jan. 15, with Mr. Neil Campbell as chairman and John Wilson as secretary for the meeting, which opened with a Schripture reading by Chas. Haw.

A satisfactory report was read by the Clerk of the Session, Chas. Haw, who also stated that Communion was served to Mrs. Neil MacMillan in her home, when two other shut-ins were present. The financial report was read by Treasurer Richard Hardy, which showed receipts of $1080.37 and expenditures of $923.85 leaving a balance of $156.52. Other reports were given by the Sunday School, W.M.S., Mission Band, Ladies' Aid and Cemetery Board, all showing a successful year.

It was decided to attempt to keep our student minister, Mr. Reynolds, if possible.

Wallace McCormack and John Wilson were elected to the Board of Managers. Mrs. Richard Hardy resigned as organist. Richard Hardy was re-elected secretary-treasurer and Mrs. Wallace McCormack as S. S. Superintendant, Walter Knox as caretaker, Mr. and Mrs. Fred Knox as auditors for this year and Mr. and Mrs. Carlyle MacMillan were appointed for next year, so that the books could be audited prior to the annual meeting. It was also decided that the books would definitely be closed at the end of the year and any further contributions would go on next year's books. The meeting closed with repeating the Lord's Prayer in unison.
