ROCK MILLS

Mrs. Sam McMullen spent three weeks with her daughter, Mrs. Frank Betts.

Our sincere sympathy is extended to the Croft family in their bereavement by the passing of their dear wife and mother.

We understand that Mr. Ken Betts of Flesherton has sold his small farm here to a Toronto buyer, with possession to be given April 1st.

Mr. and Mrs. Bill Stephens and family have spent the past few weeks with her parents, Mr. and Mrs. Albert Wilkinson. We hope that Mrs. Stephens will soon be restored to her usual health again, following her serious illness.

Instead of being helped out, most of the unemployed want to be held in—to a job.

The Late Mrs. Ned Croft

The funeral of the late Mrs. Ned Croft of Rock Mills, who passed away on Wednesday, March 9th, was held on Friday afternoon, which was largely attended by sympathizing friends and neighbors. Service was held in Cedarside Baptist Church with Rev. A. G. Macpherson in charge and who spoke comforting words to the bereaved ones.

Many and beautiful were the flowers that bore silent messages of love and sympathy. Interment was made in Maxwell Cemetery.

The pallbearers were: Messrs. M. Dobson, D. Clark, W. Russell, W. Benson and H. Martin.

The late Mrs. Croft was formerly Marian Sayers, daughter of the late George Sayers and Elizabeth Dand Sayers, and was in her 56th year. She was born on the 12th line, Osprey, and moved to Feversham when a small childre, where she grew up and received her education.

She was united in marriage to Charles Edward Croft on November 12, 1918, and resided at Rock Mills since that time. Left to mourn are her husband and three sons, Glen and Bob of Ceylon and Ted at home. She also leaves two sisters, Mrs. Thos. Monaghan of Owen Sound and Mrs. Harold Osborne of Dundalk.

"Dear God, put your loving arms around her,
Give her gentle care;
Please make up for all she has suffered
And all that was so unfair."

END OF HOCKEY ROAD

Flesherton put up a gallant battle in the third game in the Linwood series in the second round of the W. O.A.A. play-offs, but their opponents were victorious 6-3 in a real fast game of hockey that had the fans on their toes most of the time. The Majors had their share of the play and buzzed around the Linwood net, dribbled shots past the corner and with the Linwood goalie making some fine stops. Ed. Ferris in goal for Flesherton outguessed his opposition when they went right in on top of him, especially in the last period, when the losers were pressing to gain a tie. Ed. was taken out of the net with fifty seconds to go with Flesherton two down, and the boys kept the play at the Linwood end for 45 seconds but were unable to score, and with five seconds to go S. Deckert broke away and skated the length of the ice to pop the disc into an empty net. It was a sensational finish and one to be remembered.

Linwood scored twice in the first period and added two more before Bannon took Boyd's pass from the corner and rifled a long shot into the top left hand corner to give the team added life, but the period ended with no more scoring. Linwood made it 5-1 early in the third and at 15.55 Acheson took a pass from Glord Chard in a ganging attack and netted a counter from about 20 feet out. Then at 18.20 Boyd gave a sweet pass to Cairns and Doug made sure of his effort. "Hank" Best appeared on defence for a short time, but could not stand the pace with his leg, which has not responded to expert treatment as was hoped.

As Flesherton had been eliminated from the Central Ontario first round play-offs, this loss meant the winding up of the senior hockey activities, but even in defeat the boys went down with their colors flying and never admitted the loss until the game was over. They were a credit to this district and only for injuries and sickness suffered by some of the star players, the result might have been different to what it is today. Next year is another year and we look forward to going places again.

IT AIN'T THE GIFT

It ain't the gift a feller gets,
It ain't the shape ner size,
That sets the heart to beatin'
An' puts sunshine in yer eyes.

It ain't the value of the thing,
Ner how it's wrapped ner tied;
It's something else aside from this
That makes you glad inside.

It's knowin' that it represents
A love both deep an' true,
That someone carries in his heart
An' wants to slip to you.

It's knowin' that some folk love you,
An' tell you in this way . . .
Jes' sorter actin' out
The things they really long to say.

So 'taint the gifts a feller gets,
Ner how it's wrapped ner tied,
It's knowin' that yer folks like you,
That makes you glad inside.
