The Original and only Genuine
SIR ASTLEY COOPER'S
MILD APERIENT ANTI-BILLIOUS PILLS
FOR THE CURE OF
Bilious Disorders, Liver Complaint, Indigestion or Dyspepsia, Habitual Costiveness, Sick Headache, Giddiness, Heartburn, Flatulency, Loss of Appetite, Irritability, Nervousness, Languor, Lethargy, Low Spirits.
THE distinguished Patronage with which these sterling Pills have long been honored, the beneficial effects which have constantly resulted from their use, the purity of the ingredients which enter into their composition, their careful and peculiar mode of preparation, and the great and increasing demand for them from every quarter of the globe, prove at once their superiority over all similar preparations in Europe or America. Prepared from the original recipe of the distinguished Physician and Surgeon, the late SIR ASTLEY COOPER.
IMPORTANT CAUTION.
In consequence of the great demand for these most excellent Pills, they have been extensively counterfeited by several unprincipled persons both in Canada and the United States, and in order to secure the public for the future from all danger or risk of counterfeits, the proprietors have caused to be engraved at great expense, a highly finished label, which is placed on the outside of the wrapper, and also on the top of each box, and on which is engraved the likeness of the late Sir Astley Cooper, from the celebrated painting by Lawrence, with the words "SIR ASTLEY COOPER'S APERIENT ANTI-BILIOUS PILLS."
And in order to afford the public a still further protection, the proprietors have placed the fac-simile of their signature on the outside wrapper and also on the directions which accompany each box; without these marks of authenticity, they are spurious and an imposition.

MARVELLOUS REMEDY,

For a Marvellous Age!
HOLLOWAY'S OINTMENT.
THE GRAND EXTERNAL REMEDY.
BY the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment, when rubbed on the skin, is carried to every organ or inward part. Diseases of the Kidneys, disorders of the Liver, Affections of the Heart, Inflammation of the Lungs, Asthmas, Coughs and Colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by any other means.
ERYSIPELAS, RHEUMATISM, AND SCORBUTIC HUMORS.
No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as his Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the globe, visiting many of the principal hospitals, dispensing this Ointment giving advice as to its application, and having been the means of restoring countless numbers to health.
SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS.
Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumors. Professor Holloway has despatched to the East, large shipments of this Ointment, to be used in the worst cases of wounds. It will cure any ulcer, glandular swelling, stiffness or contraction of the joints even of 20 years standing.
PILES AND FISTULAS.
These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.
Both the Ointment and Pills should be used in the following cases:—
Bad Legs, Bad Breasts, Burns, Bunions, Bite of Moschetoes, and Sand-flies, Cocoa-ay, Chiego foot, Chilblains, Chapped hands, Corns, soft, Cancers, Contracted and Stiff Joints, Elephantiasis, Fistulas, Gout, Glandular Swellings, Lumbago, Piles, Rheumatism, Scalds, Sore Nipples, Sore-throats, Skin diseases, Scurvy, Sore-heads, Tumors, Ulcers, Wounds, Yaws.
Sold at the Establishment of Professor Holloway, 244, Strand, (near Temple Bar), and 80 Maiden Lane New York, and by all respectable Druggists and Dealers in Medicines throughout the civilized world, in pots at 1s 3d, 8s 3d, and 5s each.
There is a considerable saving by taking the larger sizes.
N. B.—Directions for the guidance of patients in every disorder are affixed to each pot.

GREAT REDUCTION IN THE PRICE

THE EDINBURGH REVIEW, (Whig.)
3.
THE NORTH BRITISH REVIEW, (Free Church.
4.
THE WESTMINSTER REVIEW, (Liberal.)
5.
BLACKWOOD'S EDINBURGH MAGAZINE, (Tory.)
The great and important events—Religious Political, and Military—now agitating the nations of the Old World, give to these Publications an interest and value they never before possessed. They occupy a middle ground between the hastily written news items, crude speculations and flying rumors of the newspaper, and the ponderous tome of the historian. Written long after the living interest in the facts he records shall have passed away. The progress of the War in the East occupies a large space in their pages. Every movement is closely criticised by the friend or of foe, and all shortcomings fearlessly pointed out. The letters from the Crimea and from the Baltic in Blackwood's Magazine, form two of its most popular contributions, give a more intelligible and reliable account of the movements of the great belligerents than can elsewhere be found.
These Periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radical—but politics form only one feature of their character. As Organs of the most profound Writers on Science, Literature, Morals and Religion, they stand as they have ever stood, unrivalled in the world of Letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.
EARLY COPIES.
The receipt of Advance Sheets from the British publishers gives an additional value to these Reprints, especially during the present exciting state of European affairs, inasmuch as they can now be placed in the hands of subscribers about as early as the original edition.

GENTS:—Our city was last evening visited with the most destructive fire since its existence, and you may well think we felt interested and anxious to know the result of several sales of yours and others in the fire. We need hardly tell you yours came out of the fiery ordeal triumphant over all others. Immediately under Anderson's office was 50 or 60 tons of tallow, and of course made the hottest kind of fire; and in another Safe of yours, in the same building was $20,000 in Bank bills, checks, &c., all of which came out in perfect order, after lying in the ruins ten hours. All that have seen the effects of the fire on the different kinds of Safes, are satisfied of the superiority of your "Rich's improvement on Wilder's Patent Safes." Yours respectfully,
MORLEY & RAYNOLDS.
