Card of Thanks

I wish to express my sincere thanks to friends and neighbors for the many cards, treats and enquiries received by me, and also to the Cedarside Sunday School.

—Mrs. Robt. McMullen.

It is difficult to attempt to express in words the appreciation which Mrs. Boden and myself feel toward the people of Flesherton and surrounding district, and to those from Owen Sound, Toronto, Hamilton St. Thomas, Hagersville, Delhi and other towns, who have overwhelmed us with generosity and kind words at this time.

Only those who have experience it can fully understand the terrible feeling to realise that all the things dear to one's memory are gone forever, but we are very thankful that the Lord saw fit to spare us all.

To those who have worked so hard in the collecting of funds, clothing, bedding, household utensils, etc., and to the people who gave so magnificently, we say a humble "thank-you" and hope, with the help of the Company who owned the property, to return to the spot we had enjoyed as our first home in many years, and to carry on where we left off, helping to make Flesherton worthy of the good people who live there.

—Elizabeth and Reg. Boden

Motorists: If you are in a hurry, start sooner. Drive as though your own child were walking on the road ahead. Little children are carefree not careless. Watch out for them and give them a break.

VANDELEUR

1750 trees, pine, spruce and cedar from Midhurst Nurseries, arrived in the community last week and were heeled in by your scribe, in readiness for planting in the Community Reforesation Plot and Windbreak. Mr. J. C. Jackson of Owen Sound, Zone Forester for Grey and Bruce, who will supervise the planting has suggested that the job be done Tuesday April 26th, when it is hoped to have the assistance of the teacher and pupils, as well as every able-bodied person in the section. The Municipality has purchased the land and will supply the wire and steel posts, on the understanding that the community will plant the trees and erect the fence, and it will take a real community effort to put the project across. In his illustrated lecture in the Community Hall on Tuesday evening of last week, Mr Jackson stated that he had that day inspected the windbreak planted last spring south of the school and said he was delighted with what he saw. He further stated that this was the first Community project of its kind in the Counties of Grey and Bruce, as far as he knew, and he paid high tribute to the community spirit displayed on that occasion. He said that he had never seen a group of people work with greater enthusiasm or a more co-operative spirit on any community project. He stated that he didn't think that this spirit came by accident, but thought that it was a tradition in Vandeleur because, he added,, "As I came down into the school grounds I saw a monument to the pioneers of the section bearing a suitable inscription, erected by their descendents.

Mr. and Mrs. Rogers of Toronto were week end guests of Mr. and Mrs. Lundy Johnston.

A good program of moving pictures will be held in the Community Hall on Monday evening, Apdil 25th, by the Fieldman for the Federation of Agriculture. Everybody welcome.

ORANGE DEGREE TEAM

The Central York Orange Lecture School members will exemplify the Arch Degree in Flesherton Orange Lodge rooms on Friday, April 22nd, when all members of the L.O.L. are invited to be present.

Noble - Graham

A quiet wedding took place at the United Church Parsonage, Esterhazy Sask., by Rev. Howlett on Sat., April 9th, when Ruth Eileen Graham, elder daughter of Mr. and Mrs. Jack Graham of Eugenia, became the bride of Alfred Noble, son of Mr. and Mrs. Noble, Fairholme, Sask.

The bride wore a charming "Bellefair" gown of blue crepe with white gloves and shoes to match. She carried a bouquet of white carnations and maiden hair fern. The only attendants were Mrs. Reeves, assisted by Mr. John Gray.

After the ceremony a dainty dinner was srved by the bride's girl friends, the centre of attraction being a three-tier wedding cake made by the bride's mother of Eugenia. The diningroom was prettily decorated with pink and white streamers.

The bride was happily surprised when she received a long distance telephone call of congratulations a few moments prior to dinner, from her parents, sister and brothers.

The young couple will reside in Zaneta, Sask., where the groom is employed as manager of a store.
