2 GREAT CIRCUSES IN ONE MONSTER EXHIBITION!

Grand Consolidation of the two largest and most popular Circus Companies in America.

R. WELCH'S NATIONAL CIRCUS, OF PHILADELPHIA, and L.B. LENT'S NEW YORK CIRCUS, forming two distinct Exhibitions, for one price of admission. Both Companies travelling together, and exhibiting in one tent, all the great performers attached to both troupes appearing during each and every representation of the double establishment.

Five Lady Equestrians, Thre Great Clowns, Two Troupes of Talented Artists, and Two Studs of Performing Horses & Poneys.

AMONG the most prominent artistes attached to WELCH'S NATIONAL CIRCUS, will be found the names of H. W. Franklin, the Champion Vaulter, and the most versatile performer in the world; Mad. Louise Brower, the graceful and daring Equestrienne; J.G. Cadwallader, the great four and six horse rider; Frank Brower, the original and popular Clown; Herr Lee, the Herculean; W. Johnson, the fearless bare-back rider and hurdle leaper; W. Kincaide, the great performing Clown, and unrivalled Gymnast; Mad'lle Pauline, Mad'lle Angoline, R. Oldham, J. Kinney, and a full corps of Acrobats.

The leading members of LENT'S NEW YORK CIRCUS are, Mr A. Hemmings, the great English Tight-rope Dancer and Somerset rider; Mad. Virginia Sherwood, a Lady Equestrian, unrivalled for intrepidity and skill; J.E. Wallis, the great Musical Clown and Stump Orator; C.E. Sherwood, the great Character Rider; Luke Rivers, the "Lightning Rider," H Bertin, the celebrated Acrobat and Equilibrist; Master Charles, the infant wonder; H.F. Nichols, the accomplished Maitre du Cirque; Mad'lle Virginia Myers, the Sherwood Sisters; Le Jeune Grimalds, the Liliputian Clown; B. Wynhold, Master Roberts, Master Hubert, and many others of acknowledged ability.

N.B.—These Companies will not divide at any time during the season, under any circumstances whatever, and the entire strength of the double establishment will be brought forward at every place where they may be advertised.

The brilliant Cortege, including all the Performing Horses and Poneys, the Carriages and the Performers, and the Luggage Van used by both Companies, will enter town early on the day of exhibition, and parade the principal streets, headed by the ELEGANT BAND CAR, drawn by ten beautiful cream-colored horses, forming a pageant of imposing splendor. The public are earnestly invited to witness the public entree, in order to gain an idea of the extent of this mammoth establishment. The admirable performance of Otto Horn's Cornet Band, the best that ever travelled, will enliven the progress of the Grand Procession, while the String Band, including the entire Orchestra from the National Theatre, Philadelphia, will furnish appropriate accompaniments to the exercises of the arena. A new and extremely attractive feature in the representations of this Company will be found to consist in the Grand Magic Pantomime, entitled

The Miser of Bagdad!

A piece replete with wonderful transformations, Magic Tricks and Illusions, laughable Incidents and Surprising effects which will be produced with all the brilliant Costumes, Properties and Appointments used during its triumphant career of over one hundred consecutive nights in the city of Philadelphia, and which will conclude each evening's entertainment.

Excursion to New York City!

THROUGH IN TWO HOURS!!

BULLARD'S PANORAMA will be exhibited at Kingston in the

CITY HALL,

THURSDAY, FRIDAY, AND SATURDAY EVENINGS, JULY 3d, 4th, and 5th,
At half-past EIGHT o'clock. Also on SATURDAY AFTERNOON, JULY 5, at 3 o'clock.

The Panorama moves before the Audience for nearly two hours, and takes the spectator over SIX MILES through the streets of New York City, in the midst of the business—in places and through streets which to a stranger would be of most interest, and he would be most likely to visit; and while he is apparently passing along, he has extended perspective views of the buildings, on both sides of upwards of FIFTY STREETS, which, collectively, being about forty miles of buildings, gives him a view of "the city city and its people," as it would appear to him if he were to go there, and walk through the streets among the bustle and confusion of THE EMPIRE CITY. He will have a faithful and exact view of the magnificent churches, public and private buildings, the shipping and steamboats, horses and carriages, omnibuses, railroad cars, and the THOUSANDS OF PEOPLE who daily throng the streets of New York. Distinguished men and acquaintances are readily recognized among the crowd of persons in the streets. The signs can be read the same as if you were in the city, as all are **FAITHFULLY** represented upon this painting—public and private processions, military companies, firemen and their engines, bands of music, &c., &c. While the Panorama moves before the spectator, over 700 horses and carriages pass in view, and more than 10,000 of the people of the City at their daily business.

It is impossible to state all that is to be seen on this moving painting. Persons in viewing it can hardly persuade themselves that they are not actually in the city among its business and bustle—viewing the citizens and strangers as they really are in every day life at their avocations, and persons unacquainted in New York City, will get a better view, and gain more information of the city, and its people, by once seeing this Panorama, than they would to actually visit the city and walk its streets and thoroughfares for ten days, as thousands of persons have testified.

At each exhibition of the Panorama, as it passes before the spectator, an explanatory lecture is given by Mr George Doel, one of the Proprietors of Mr Albert Norton, illustrative of New York City, its statistics, business and resources its people, their go-aheadativeness; and much valuable knowledge of great importance to a stranger, and of general and instructive information to everybody.

Admission 25 cents, Children, half-price. Reserved Seats, 50 cents.

ALBERT NORTON, AGENT.

It will also be exhibited at Picton, Milford, Wellington, Northport, Demorestville, Consecon, Brighton, Colborne, Percy Frankford, Trenton, Belleville, Shannonville, Napanee, Newburgh, Mill Creek, Bath, Gananogue, Brockville, Prescot & Ogdensburgh.

MR. JAS. P. RALSTON, long a resident of Canada, will shortly visit this city for the purpose of introducing a most valuable Biographical work, just published by Messrs D. Appleton, N. Y. It will be offered by Mr R. at a less price than can be had elsewhere.
