Special Notices.

KINGSTON AS IT OUGHT TO BE.

It is with much pleasure we direct the special attention of the wholesale and retail merchants of Canada West to the Trade Sale of Liquors, Wines, Groceries., &c., &c., advertised to take place at the Stores of Messrs. J. Carruthers & Co. on the 2nd July proximo, by JACKSON, Auctioneer. It certainly is advantageous for dealers in such merchandise to have so favorable an opportunity in advance of the increased tariff; but if we are rightly informed, buyers may purchase either in or out of bond.

INSURANCE.—Mr Ambrose W. Thompson, No. 10 Wall Street, has been appointed agent in this city of the Farmers and Mechanics' Fire and Marine Insurance Company of Philadelphia. This Company is one of the most respectable in Philadelphia, and has the Hon. Thomas B. Florence for its President. It has complied with the law of this State in regard to companies belonging to other States, and has provided an accruing trust Fund of $100,000 with Messrs Duncan, Sherman & Co. Messrs. Bushing & Co. publish a card of thanks in the Philadelphia North American for the prompt manner in which this Company settled its losses on their establishment, thus enabling them to resume business without delay.—*N. Y. Tribune.*

S. ROWLANDS is agent for the above-named Company in Kingston. Office No. 4, Wilson's Buildings, Wellington Street.

Holloway's Pills the most efficacious remedy for Determination of Blood to the Head.—The immense power possessed by these wonderful Pills in the cure of determination of blood to the head, and all bilious disorders, although well known and appreciated by the mass, yet among some private individuals, it is perhaps not understood. To such as are afflicted with these sad ailments, and nervous disorders, we strongly recommend them; and would advise their having recourse to the same after having other means have failed, with the certainty of obtaining immediate relief, and by perseverance a lasting cure. The thousands who have derived signal benefit from the use of this inestimable remedy, is at once a proof of the virtues the medicine possesses, and renders it an indispensable requisite in every family, whether at home or abroad. These Pills are equally efficacious in all diseases of the liver and stomach.

Holloway's Ointment and Pills—cure of Piles, after fourteen years' affliction.—Mr M. C., of Montreal, was a martyr to this complaint for 14 years, rendering him an object of misery to himself as well as to his friends; he shunned society lest he should let those around him observe his affliction, and thus he suffered secretly. As he had tried every remedy without sucess, he at last gave upin despair all hopes of recovery; but resolved to give Holloway's Ointment and Pills a last trial, and fortunate it was he did so, for these potent remedies cured him in five weeks. He feels so grateful for the cure effected, that he wishes these facts to be made public for the benefit of similar sufferers.

Dr James McClintock's Sucess in treating diseases of the Lungs and Throat, while at the head of the Philadelphia College of Medicine, has given him a world-wide reputation. Cold and Cough Mixture removes every vestige of irritation from the Throat and Lungs in the worst cases of Cold Cough, Catarrh, Influenza, &c., and where these too-often-neglected complaints have become merged in Bronchitis or Consumption, his Pectoral Syrup will save the patient in cases which are usually pronounced hopeless.

Multitudes are now suffering under the debilitating effects of Fever and Ague, who might speedily be restored to health, vigor, and usefulness by a course of Dr. Jas McClintock's Fever and Ague Specific. Its curative results are certain and invaluable. If the complaint is complicated with Liver Complaint, resort should be had to Dr. McClintock's Anti-Bilious Pills which never fail to afford relief in Bilious diseases.

Dr Jas. McClintock's Whooping Cough Remedy and his Diarrhea Cordial have become the great leading and standard remedies in families, nurseries, and every where they are known. Whooping Cough, Croup, Asthma, &c., and Diarrhea, Cholera Morbus, Cholera Infantum, and Summer Complaints, are immediately relieved and speedily cured by their prompt effects. Are the discoveries of an eminent and scientific man founder of the Philadelphia College of Medicine.

Valuable Household Articles—Dr Jas. McClintock's Alterative Syrup, for purifying the Blood, Eradicating Pimples, Blotches, Scrofula, and all kinds of Taint from the system, thereby nourishing, strengthening, and building it up; also, his Dyspeptic Elixir, the Great remedy for Dyspepsia, Loss of Appetite, Indigestion, and all the diseases that follow these complaints. They are a combination of the virtues of the best remedies the vegetable kingdom affords.

A WORD ABOUT SICKLY SEASONS. The lives of thousands of children and grown persons might be saved and restored to perfect health by the timely use of Dr McClintock's Diarrhea Cordial. By its use Diarrhea, Cholera Morbus, Dysentry, Infantum, and Summer Complaints are instantly relieved and speedily cured. Discovered and administered to over two hundred cases in a single day, at the City Cholera Hospital and Cath. Priest. Philadelphia, during the dreadful epidemic of 1812.

Excursion to New York City!
THROUGH IN TWO HOURS!!

BULLARD'S PANORAMA will be exhibited at Kingston in the

CITY HALL,

THURSDAY, FRIDAY, AND SATURDAY EVENINGS, JULY 3d, 4th, and 5th, At half-past EIGHT o'clock. Also on SATURDAY AFTERNOON, JULY 5, at 3 o'clock.

The Panorama moves before the Audience for nearly two hours, and takes the spectator over SIX MILES through the streets of New York City, in the midst of the business—in places and through streets which to a stranger would be of most interest, and he would be most likely to visit; and while he is apparently passing along, he has extended perspective views of the buildings, on both sides of upwards of FIFTY STREETS, which, collectively, being about forty miles of buildings, gives him a view of "the city city and its people," as it would appear to him if he were to go there, and walk through the streets among the bustle and confusion of THE EMPIRE CITY. He will have a faithful and exact view of the magnificent churches, public and private buildings, the shipping and steamboats, horses and carriages, omnibuses, railroad cars, and the THOUSANDS OF PEOPLE who daily throng the streets of New York. Distinguished men and acquaintances are readily recognized among the crowd of persons in the streets. The signs can be read the same as if you were in the city, as all are **FAITHFULLY** represented upon this painting—public and private processions, military companies, firemen and their engines; bands of music, &c., &c. While the Panorama moves before the spectator, over 700 horses and carriages pass in view, and more than 10,000 of the people of the City at their daily business.

It is impossible to state all that is to be seen on this moving painting. Persons in viewing it can hardly persuade themselves that they are not actually in the city among its business and bustle—viewing the citizens and strangers as they really are in every day life at their avocations, and persons unacquainted in New York City, will get a better view, and gain more information of the city, and its people, by once seeing this Panorama, than they would to actually visit the city and walk its streets and thoroughfares for ten days, as thousands of persons have testified.

At each exhibition of the Panorama, as it passes before the spectator, an explanatory lecture is given by Mr George Doel, one of the Proprietors of Mr Albert Norton, illustrative of New York City, its statistics, business and resources its people, their go-aheadativeness; and much valuable knowledge of great importance to a stranger, and of general and instructive information to everybody.

Addmission 25 cents, Children, half-price. Reserved Seats, 50 cents.

ALBERT NORTON, AGENT.

It will also be exhibited at Picton, Milford, Wellington, Northport, Demorestville, Consecon, Brighton, Colborne, Percy Frankford, Trenton, Belleville, Shannonville, Napanee, Newburgh, Mill Creek, Bath, Gananogue, Brockville, Prescot & Ogdensburgh.
