VANDELEUR

A splendid program of sound moving pictures was given in the Community Hall Friday evening last, by Mr. Dave Andrews, fieldman for the Grey County Federation of Agriculture. Some of the outstanding pictures were The Work of the Canadian Mounted Police, The Opening of Canadian Parliament at Ottawa, Schools on Wheels and others. It was very interesting program.

A good game of softball in the park Friday evening was played between Vandeleur and Markdale, resulting in victory for the local boys. Each team had one big inning and some good ball was played by both sides. Mel. Buchanan and Bob Hutchinson was the battery for the Vandeleur team.

Mrs. J. Smibert of Edinburgh, Scotand, gave an interesting talk to the pupils of Vandeleur school one afternoon recently, and told of conditions in auld Scotland. Mrs. Smibert was a recent guest of Mr. and Mrs. Gordon Wyville.

The members of the ball team have recently been fixing the diamond in the park and considerable improvement has been made, including a new net behind home plate. The boys have entered the team in the league.

Mr. and Mrs. Stan Harvey and family visited with relatives in Lucknow over the week end.

Mr. and Mrs. Lorne Ormsby, in company with relatives took a motor trip to Niagara Falls, Hamilton, Buffalo and other points during the week end.

Mr. and Mrs. Miller McCallum of Ravenna were week end guests of Mr. and Mrs. Andy Fawcett and Miss Ethel Hutchinson.
