Special Notices.

INSURANCE.—Mr Ambrose W. Thompson, No 10 Wall Street, has been appointed agent in this city of the Farmers and Mechanics' Fire and Marine Insurance Company of Philadelphia. This Company is one of the most respectable in Philadelphia, and has the Hon. Thomas B. Florence for its President. It has complied with the law of this State in regard to companies belonging to other States, and has provided an accruing trust Fund of $100,000 with Messrs Duncan, Sherman & Co. Messrs. Bushing & Co. publish a card of thanks in the Philadelphia North American, for the prompt manner in which this Company settled its losses on their establishment, thus enabling them to resume business without delay.—*N. Y. Tribune.*

S. ROWLANDS is agent for the above named Company in Kingston. Office No. 4, Wilson's Buildings, Wellington Street.

WOOD'S HAIR RESTORATIVE.—We refer the reader to the advertisement of this popular remedy. It is highly recommended by all who have used it, and has effected wonderful results by its magic influence. We know of gentlemen in this county who have been bald for years, had their hair restored to its former luxuriance and beauty, by the use of Wood's Hair Restorative.—[Lagrange Bulletin.

OFFENSIVE BREATH.—This is most disagreeable to every person of common sense. Many persons do not know their breath is offensive, and it is a delicate subject to mention. You can always avoid this affection (for it is that) by using Bridgetts "Persian Balm," for a Dentifrice, it neutralizes all acids of the mouth, and renders it pure as the breath of summer. Try it.

For sale at E. H. Parker's & E. W. Palmer's Druggists.

LIVER COMPLAINT.—Mr James Allerton, of Three Rivers, was for 18 years afflicted with a disordered liver, nausea, and a foul stomach, in addition to these distressing complaints, he was visited by frequent bilious attacks, rendering him entirely unfit for business, he was told nothing in the world would thoroughly cure him although he had spent a complete fortune in medicine and advice. At last, he was recommended to try Holloway's Pills, which he commenced using,—gradually the worst symptoms of his disorder disappeared, and after eight weeks steady adherence to the directions of Professor Holloway, he was entirely cured, and admits that he never before throughout his life enjoyed such good health as he does at present.

The first 380 Prizes, similarly printed and enrolled, are placed in another wheel.

The wheels are then revolved, and a number is drawn from the wheel of Numbers, and at the same time a prize is drawn from the other wheel. The number and Prize drawn out are opened and exhibited to the audience, and registered by the Commissioners, the prize being placed against the number drawn. This operation is repeated until all the Prizes are drawn out.
