Fire Protection Discussed At Village Council

A delegation from the volunteer fire brigade met the Flesherton Council at the regular session Monday and discussed the loss of clothing by the members through the action of acid in the chemical equipment. The Council passed a motion that each fireman receive $1.00 for each trip made to fires, and that the Chief keep a record of all fires attended and the members of the brigade who attended. The feasability of the brigade taking the equipment to fires outside the village was discussed at some length, as in most cases no remuneration has been received from other municipalities, the expense and cost of materials being considerable. It was decided to try and reach an understanding with the Artemesia Township Council in regard to remuneration.

A letter was received from the County of Grey showing the levy for the Village of Flesherton as $2177.68, half to be paid by January 15th, 1949, and the other half by April 15th, 199.

A letter was received from Flesherton Women's Institute requesting garbage collection in the village, and on motion it was left over for further consideration.

It was decide that the Council will advertise for tenders to plow the village streets during the coming winter.

Accounts were ordered to be presented to the Artemesia Council for the following fires: E. Muir, Ceylon; J. Patterson, Durham Road corner, and Robt. Purvis, Eugenia; and to Osprey Council for the fire at Roy Fenwick's home.

The following accounts were ordered paid: F. H. W. Hickling, relief $30.12; County of Grey, calcium and spreading $161.08; C. J. Bellamy, postage $5.92, Old Age Pension applications, $6.00, preparing deed of land to Leslie Smith $5.00; Littlejohns Garage, account fire dept. $18.59; M. Dobson, wood for relief $19.25; Mrs. Wm. Kaitting, brush for town hall $1.75; L. Acheson, bulldozing dump $26.00.

The Treasurer was instructed to issue a cheque for $2,500.00 to the treasurer of the Athletic Commission as grant from the Dept. of Agriculture on the erection of the Community Centre and athletic field.

The following Hydro accounts were ordered paid: Line and Cable Accessories $43.03; Mrs. C. Best, refund $3.00; Co-operative 75c; H Milligan, salary, etc., $25.75; G. B. Welton, salary $25.00, labor $31.25; H.E.P.C. $6.10.

McIntyre United Church Holds 70th Anniversary

McIntyre United Church, now part of Maxwell Pastoral Charge, celebrated the seventieth anniversary of the present building on Sunday last, September 11th. Rev. A. G. MacPherson of Flesheron, a fome minister, conducted the special services. The present pastor, Rev. Albert Millen, took the services at Flesherton and Eugenia.

In the morning Mr. Donald Chisholm of Hamilton presented a large pulpit Bible, duly inscribed, on behalf of his mother in memory of his faher, Rev. John Chisholm, D.D., first minister of McIntyre church. Following this, Miss Margaret MacKinnon presented an enlarged photo of Dr. Chisholm. Mrs. Chisholm, who is 94 years of age, resides in Hamilton, and was formerly Miss Elizabeth MacKinnon, an aunt of Margaret MacKinnon and Mary (Mrs. Archie Priddle).

Rev. Mr. Macpherson spoke on the question: "What is the Church?" and opened his remarks by reading extracts from a letter he had received from Rev. Dr. Chisholm in 1932. In this letter Dr. Chisholm told of conditions at McIntye and in Osprey Township during the 70's. There were then five Wesleyan churches, a preaching station in Morrison's school-house on the Flesherton road, and a parsonage at Feversham. The Episcopal Methodists had a small church at Feversham. To the South there were Methodist churches at Badjeros and on the Centre Line. The Episcopal (Anglican) had a church at Maxwell. The Presbyterians came in to the picture with a church at Maxwell and one at Feversham. The McIntyre locality proper was served by Presbyterians (Church of Scotland), Congregationalists and Baptists. After the Presbyterian union of 1875, McInyre became definitely linked up with Maxwell and Feversham. On the arrival of Rev. John Chisholm in 1879, this vigorous and far-sighted young man quickly saw the need of consolidation. In five months his energy and leadership was largely instrumental in the erection of the present splendid building.

On the basis of this account, Rev. Mr. Macpherson appealed to the large congregatioin to regard the church not merely as an organization which has its many changes and ups and downs, but as the Body of believers in the Lord Jesus Christ, a glorious company with a glorious task to do, namely that of witnessing the good news of the Christian faith, and of waging war on all the evils that bar the coming of God's Kingdom on earth.

The church auditorium was beautifully decorated with fall flowers and fruits, and special music was rgendered by the Singhampton male chorus. In the evening, another large congregation gathered. The choir sang two anthems, and Rev. Mr. Macpherson chose as his subject "Security," preaching from the text "If God be for us, who can be against us?" Altogether, it was a great day for the McIntyre people, and their friends, who joined with them in marking this important milestone in the life and work of the Church.

Heather From Scotland

(By Vandeleur Reporter)

Friday of last week each pupil in Vandeleur school received "a wee bit o' Scotland" in the form of a sprig of bonny bloomin' heather, direct from the "auld sod." It was brought to the school by Miss Donna Wyville, who recently received a sheaf of Scottish heather as a reminder from her cousin, Mrs. J. M. Smibert of Edinburgh, Scotland, the former Alice Cutting, who visited here during the past summer.

SPRING FLOODS FOLLOW A DRY SUMMER

The Legislature Committee appointed to study all phases of conservation in Ontario, has been well timed. Onario citizens should be interested. Next year it will probably be floods. In the spring following the dry summer of 1936 the whole continent suffered the worst floods in history.

A stout cedar shingle makes a pretty effective board of education.

Ayre, R.R. Dog Died When Fed Glass

Saturday night Mr. Wm. McMaster of town lost a valuable hunting dog which had been fed glass Wednesday night of last week in some food. The dogs made quite a fuss against the intruder and he was seen going over the fence in escaping The next morning the dog was ill and a severe hemorrhage Saturday night ended the dog's days. How any self-respecting person with any kind of a conscience could feed a dog ground glass, which was the cause of its death, is beyond our imagination. Such cruelty to dumb animals is inhuman.

Baptist Church News

Two of the best services ever to be held in Cedarside Church were the aninversary services on Sunday. Rev. C. C. Boyter brought inspiring and helpful messages at both services. The special music was given by the pastor in the morning, singing the Lord's Prayer, and "Alone." McFarlands of Collingwood assisted in the evening service, singing several gospel messages, accompanied by the electric guitar. The church was nicely decorated with fall flowers and was well filled for both services.

The B.Y.P.U. met at the home of Miss Ada Whyte a week ago, and privileged to listen to a most interesting travelogue on South America by Mr. Earl Foster, who served as an engineer in the copper mines in Chili. Mr. Foster is staying for a few weeks with his brother-in-law, Milton Hutchinson.
