ULCEROUS SORES.—A poor man named Mackey, in the employ of Lieut, Webster, of Pugwash, was terribly afflicted with several ulcerous sores on his body, and two on his leg, which rendered him a most miserable object, and frequently deprived him of the means of earning his daily bread; he obtained advice from some very eminent medical men, but he did not get any better; however, the gallant and humane Lieut. finally purchased for him a quantity of Holloway's Ointment and Pills, which Mackey commenced using; he persevered with these remedies for only nine weeks, when to the astonishment of every one, the ulcers had entirely disappeared, leaving scarcely the scar perceptible after 19 years of acute suffering. These famous medicines will cure old wounds even of 30 years standing.

We advise those of our friends, in a state of single blessedness, who would win the idol of their hearts, and enjoy that domestic felicity known only to those in married life, to restore the hair on their bald pates, change their gray locks to their original color, make them glossy as silk, by using Professor Wood's Hair Restorative. It is now the standard remedy for all diseases of hair and skin.—[Ohio Stateman.

Important to Every-Body.

FOR the last three years, I have been engaged in a business known only to myself, and comparatively few others, whom I have instructed for the sum of $200 each, which has averaged me at the rate of $2,000 to $3000 per annum; and having made arrangements to go to Europe next Spring, to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canada who will remit me the sum of $1. I am induced, from the sucess I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from $5 to $15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable, at a small cost. There is positively no Humbug in the matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they make from $5 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania, and Maryland, whom I have instructed are now making from $3 to $6 per day at it. It is a genteel business, and but a few shillings is required to start it. Upon receipt of $1, will immediately send to the applicant a printed circular containing full instructions in the art, which can be perfectly understood at once.

All letters must be addressed to A. T. PARSONS, 335 Broadway New York.
