ARTEMESIA TAX NOTICES WILL SOON BE READY

The 1949 tax notices for the Township of Aretemsia are now in the hands of the Clerk and property holders will shortly receive their notices for the annual municipal dues, and payment may be made to Tax Collector A. B. Chard. Taxes are as inevitable as death, but we can receive the former with more grace than the latter, although the the former hurts more and we won't know too much about the latter.

Conservatives Organize At Flesherton Meeting

A Progressive-Conservative Association was organized in Flesherton on Thursday evening of last week. This was the first occasion that a meeting was held in Flesherton for the purpose. A fair representation of party supporters was present for the meeting.

The election of officers resulted in John W. Cook being elected as president of the Association, with E. J. Fisher as vice-president, and C. J. Bellamy as secretary-treasurer. The committee is composed of C. N. Richardson, Geo. Armstrong, Mrs. Wallace Hamilton and Mrs. Alex. Aberdein.

Harry Kress of Durham, president of the South Grey Progressive-Conservative Association, conducted the meeting through the initial stages and gave valuable advice and assistance in the formation of the new local Association.

John W. Cook read and explained the draft of the proposed new constitution, which consisted of a number of precepts and rules which were intended to be a safeguard and a guide in the conduct of political matters by the new organization. The constitution was discussed and adopted, point by point.

VISITED BOYHOOD SCENES IN EUGENIA DISTRICT

Mr. and Mrs. Newt. Wright of Carbon, Ata., visited with the former's cousin, Mrs. Geo. Lawler, last week. He also visited the scenes of his boyhood at Eugenia, where he was born. He remembered well the old home, where the post office now is and says it hasn't changed much except for the addition to the east side, where a wing was added. The falls, of course, are not what they used to be, now only a trickle. He missed the old home of Mr. Robert Purdy, who kept the post office, and Mrs. Hadley, Mr. Purdy's sister.

CEYLON PRESENTATION TO GORON NICHOL AND BRIDE

(By Priceville Reporter)

Friday night another of our Priceville boys and his bride were honored in Ceylon school, Mr. and Mrs. Gordon Nichol, now of Stratford, when a large crowd was present. Progressive euchre was enjoyed, with Mrs. Rutledge and Jim McMullon receiving highest score prizes At midnight the young couple were called to the front, where Mr. Grant Sayers read a nicely worded address and the presentation of a purse of money was made to them by Mrs. Mel Hogarth. Gordon thanked all for the gifts and extended an invitation to all to visit them at Stratford. A bountiful lunch was served and dancing was then enjoyed, with music being supplied by Willis and Grant Sayers with banjo and guitar. This community extends health and happiness for a long and happy wedded life.

ENGAGEMENT

Mr. and Mrs. W. E. Jepson of London, Ont., wish to announce the engagement of their younger daughter, Dorothy Jean, to L.A.C. Hutchinson, R.C.A.F., eldest son of Mr. and Mrs. R. J. Hutchinson of Kimberley, On., the wedding to take place in Talbot Street Baptist Church, London, on Saturday, October 29th, 1949.

SKI TOWN WILL BE BUILT IN VALLEY

For the past few months efforts have been made to open up the Beaver Valley for the benefit of ski enthusiasts of Ontario and these efforts have now resulted in the formation of the Beaver Valley Ski Company for the construction of a ski tow on the hill section of Mr. Frank Davis' farm, east of Vandeleur. Entrance to the ski-ing will be from the valley road, where the tow will be located. Mr. W. Turney of town has received the contract for the installation of the latest type of electric ski tow, and work will commence immediately. The company has been capitalized at $10,000.00. The valley project has been promoted by Mr. Jack McLean of the Park Hotel, with the assistance of Clint Melville, director of winter sports promotion for the Province of Ontario and Mr. T. S. Cooper of Markdale. The work is being started this Wednesday afternoon, when the first sod will be turned.

The program of building the finest ski tow in Cnada is being undertaken with the view of making this district the winter playground of Ontario and with the formation of hills and accessibility for ski enthusiasts, the dream should be more than realized.

Ross McFarland, one of Ontario's foremost ski instructors, and chief instructor at Limberlost Lodge, Huntsville, for the past four years, will give ski instruction to the local people and to his large following of ski enthusiasts, and will reside in Flesherton during the months when ski-ing is supreme. The west side of the valley was chosen as the snow lies on the hills two weeks longer than on the east side.

A meeting for the formation of a ski club to represent Flesherton, Markdale and Eugenia will be held this Friday night at the town hall, Flesherton, when free moving pictures of ski-ing events will be shown for the first time. Be sure and attend this meeting.
