GREY COUNTY MEMORIAL CAIRN IN OWEN SOUND

Excavation work started last week on the memorial cairn which will be erected on the lawn in front of the Grey County Court House in Owen Sound. The cairn will be erected in front of the flagpole.

The granite cairn is being erected to honor the memories of those Grey County men and women who gave their lives in two world wars. The project is expeced to be completed about the first of November. The idea of a memorial cairn was first conceived some time ago, but actual work on the project has just started, after much consideration of the type of cairn to be erected.

The major part of the work in connection with the memorial has been in the hands of Warden George C. South of Collingwood Township and Andrew Beattie of Sydenham Township, chairman of the property committee of the County Council.

Disregarding the red light, a woman was crossing the street. She paid no attention to the traffic cop's whistle or to his upraised hand, but continued on her way.

The cop met her at the curb and said: "Lady, didn't you see my hand raised? Don't you know what that means?"

NICHOL — WRIGHT

White gladioli and ferns formed an effective setting in Central United Church, Stratford, for the marriage Saturday afternoon, October 1st, of Dorothy Effie, only daughter of Mr. and Mrs. E. H. Wright of Stratford, to Gordon Laverne Nichol of London, elder son of Mr. and Mrs. J. A. Nichol of Ceylon. Rev. N. A. Healey officiated at the ceremony at 3:00 o'clock' Talman J. M. Gotby played traditional wedding music as the bride entered the church with her father, who gave her in marriage. During the signing of the register the organist played "Because" and "Through the Years."

The bride wore duchess satin with fitted bodice with tiny buttons down the back, and long sleeves ending in points. The gown was fashioned with deep escalloped bertha and centre front panel, both embroidered in seed pearls. The skirt featured a graduating flounce extending into a cathedral train. Her long veil of embroidered net illusion was caught in a shirred headdress encrusted with rhinestones and seed pearls. The bridal bouquet was formed of Starlight roses..

The bride's attendants, Mrs. Jack Davis, Toronto, matron of honor, and the bridesmaid, Miss Norma Elligsen, were wearing identical gowns of aqua nylon over taffeta. The gowns were designed with basque bodices with deep draped berthas, caught with Butterfly bows. Their mittens harmonized with the gowns and their headdresses were aqua veils with ostrich plumes . Both attendants carried bouquets of pink Briarcliffe roses. Jim McGeoch, London, was best man, and Harold Nichol and Bob Cook ushered.

A reception was held at the Old Homestead, near Shakespere. For her daughter's wedding, Mrs. Wright had chosen a dress in wine shade, with which she wore black accessories and corsage of Briarcliffe roses. Mrs. Nichol, mother of the bridegroom, was in a navy dress with accessories in grey and corsage of red Better Times roses. Later Mr. and Mrs. Nichol left on a trip to Niagara Falls and Buffalo. The bride travelled in a wine suit accented with black accessories and a corsage of Dream roses completed her costume. Guests at the wedding were from Stratford, Mitchell, London, Windsor, Guelph, Toronto, Priceville, Flesherton, Waterloo.

Traffic Inspector: "Now, Miss, what gear were you in at the time of the accident?"

"Oh, I had on a black beret, tan shoes, and a tweed sports dress."

OSPREY COUNCIL

The Osprey Municipal Council met in regular session on Saturday, Oct. 1st, with all members present.

Mrs. D. Jamieson waited upon the council in regard to gravel which had been purchased from her property. She was of the opinion that the price paid was not high enough. However, after she was informed that the price paid her was the same as paid elsewhere, the matter was satisfactorily settled.

Snow plowing of winter roads and snow clubs came in for more than a considerable amount of discussion, as it was felt that the costs were becoming prohibitive. It ended with the understanding that the Municipality would be responsible for the plowing and maintaining of the 1¼ miles of road between Concessions 5 and 6, into McIntyre, and approximately 1¼ miles of road from Con. 13 to Townline of Collingwood Twp. from Rob Roy north, as it is expected that Grey County will maintain the 15th sideroad north from Feversham. This would make a network of snow-plowed roads which would give all residents a fair access to same.

By-law No. 6, was passed authorizing the Reeve and Clerk to sell Lot 12 in the Village of Kelvin.

General accounts ordered paid were: Mrs. J. Smith, care of E. Miller (Sept.) $63.00; Sheep claims, H. McIntyre $98, J. Scutt $69, C. Neff $18, W. Seeley $18, valuers L. Hill $4, B. Neff $2, R. Pedlar $2, Wayside Press, account $8.10; Treasurer Village of Flesherton, services of fire brigade $100.00; W. L. Taylor, equalizing U.S.S. 2, $10.00.

The Road Superintendent presented his voucher to $919.13, which was ordered paid.

Council adjourned to meet Saturday, Nov. 5th, at 2 o'clock.

The litte girl showed unusual interest in the church wedding and then suddenly turned to her mother with a puzzled expression.

"Did the lady change her mind?" she whispered to her mother.

"Why no, what makes you think that?"

"'Cause she went up the aisle with one man and came back with another," the child replied.
