Bell Telephone Company Desires Raise of Rates

During the past four years, the number of telephones in service in Flesherton has increased by almost 79 per cent, and local calls per day have more than doubled, Middleton Reed, Bell Telephone manager for this region, said this week in review ing the record-breaking post-war demand for service which has required the addition of much especially-made and costly equipment.

There aret now 420 telephones in use in Flesherton, compared with 235 four years ago. Local calls average 1,540 per day against 690 in 1945.

In order to meet this unprecedented demand for service, the company has continuously improved and enlarged its facilities. The conversion of the exchange from magneto to common battery in November, 1946, provided for this growth in telephones and traffic. Conversion is a complex task, involving much new equipment and wire and cable construction. Extensive outside construction was also carried out during 1948 to bring relief to rural lines. At present there are no waiting applicants for service in Flesherton, Mr. Reed said, as a result of this imporvement program, which has resulted in the addition of 185 telephones in the past four years.

Increases of 25 cents per month for two-party residence telephone service in Flesherton and of 35 cents for residence individual lines, are proposed in Bell Telephone's application for revised rates filed in Ottawa with the Board of Transport Commissioners for Canada, according to Mr. Reed. The proposed increase for individual line business service is $1.15 monthly, while the proposed rate for two-party business service is 90c higher than at present.

It is intended that the proposed rates shall apply to all standard types of telephones supplied by the company.

A comparison of present hand telephone rates for typical classes of service with proposed rates in Flesherton are as follows:

Residence	Pres.	Pro.	In.
Individual line	2.40	2.75	.35
Two-pary line	2.20	2.45	.25
Rural line	1.75	2.25	.50
Extension telephone	.90	1.00	.10
Business:			
Individual line	2.85	4.00	1.15
Two-party line	2.35	3.25	.90
Rural line	2.00	2.75	.75
Extension telephone	1.15	1.25	.10

Until hand telephones are available in quantity sufficient to supply all who desire them, subscribers who presently have wall telephones will temporarily pay 35 cents less, and those having desk telephones 15 cents less, per month.

Pres.; present; Pro.: proposed; In.: increase.

Father Of Eugenia Man Dies Of Injuries From Fall

William Crews, 58-year-old section foreman a Cataract, died in Orangeville Hospital Tuesday night of last week, the result of injuries sustained when he plunged from the railroad bridge spanning the Credit River at the Forks of the Credit.

After stumbling and catching his foot between two railway ties, Crews slipped from the desperate grasp of a fellow-worker, Thos. Wilson, and fell 90 feet to the river bed, landing among boulders on the bank. His injuries included broken ribs, broken right leg, arm and hand, and back and internal injuries, aggravated by shock.

Wilson was among the workmen with Crews inspecting the bridge and managed to grab the ill-fated man's shoulder when he saw him toppling at the edge of the bridge, but was unable to get a firm grip. Dr. J. T. Thomas of Caledon, who treated Crews on the scene, has ordered an inquest.

The accident victim had been with the C.P.R. for 42 years, 35 of them as section foreman. He is survived by his wife, the former Bertha Jane Birkhead, Cataract, one daughter, Mrs. Ben Ayres (Adeline), Cataract, and two sons, George, of Cataract, and Jack, with the H.E.P.C. at Eugenia Falls.

Interment was made in Forest Lawn Cemetery, Orangeville, Friday, October 28th.—Orangeville Banner.

Sectional Rally Held At Priceville Church

Beautiful autumn weather added in making a memorable day for those who attended the Sectional Rally of the W.M.S. held at St. Andrew's Presbyterian Church at Priceville, when 55 were present. Mrs. Dan L. McArthur, president of Priceville W.M.S., presided, while Mrs. Neil Stewart was appointed as secretary for the afternoon.

After the opening exercises, Mrs. John Nichol extended a warm welcome to the visitors. A lovely duet was rendered by Mrs. Percy Hunt and Mr. Grant Sayres.

Mrs. R. W. Lindsay of Dundalk introduced the guest speaker, Miss Laura Pelton, travelling secretary of the W.M.S., Toronto, who gave a very interesting and helpful address. She told of many ways in which every Auxiliary, large or small, might increase its effectiveness. She had spent six months travelling around the world, and spoke of India, the people and the meetings they held on their verandah, conducted much the same as ours, but she found it difficult to understand their language without an interpreter. In Japan she said that Rev. Paul and Mrs. Rumble have done and are doing a great work. Miss Pelton also spoke of several other countries and emphasized the great need of Christianity. She said that she had been in Priceville in 1925 and jokingly remarked that faces and ladies' hats change so often.

Mrs. Fraser of Dundalk called the roll, the following centres responding: Maple Valley, Dundalk, Ventry, Hornings Mills, Swinton Park, Orangeville,

Miss Jack of Ventry rendered a lovely solo "An Evening Prayer," and Mrs. Granger of Hornings Mills moved a vote of thanks to the Priceville ladies for the lovely afternoon and to all who contributed to the success of the day. Mrs. Belle Aldcorn and Mrs. Angus Hooper took up the ogering.

Mrs. Alex. McMillan of Dundalk reported on the fine boxes of clothing sent in for the bale and asked all to put moth balls in the parcels another year. Mrs. Wallace McCormick of Swinton Park reported on the Mission Band work, Mrs. Hendry on Home Helpers, Mrs. Arthur Leith on Students' Secretary, and Mrs. Granger on Welcome and Welfare. The closing hymn used was "Rise Up O Men of God."

Injuries Proved Fatal

It was with regret that we learned last week of the accident which occurred in Toronto when Mrs. W. A. Armstrong was seriously injured while attempting to cross a street. Mrs. Armstrong had been at a meeting of the Ladies' Bibl Class at High Park United Church, which was in the form of a supper. On her way home at six o'clock she had to cross Annette Street and with the heavy traffic at that time she almost hit by a trolley but and the driver had to swerve to avoid hitting her. Apparently she became panicky and confused and ran across the remainder of the street in front of a car coming the opposite way. The driver tried to avoid her, but some part of the car caught her coat and twirled her around and threw her to the pavement. She was taken to a nearby doctor's office, given first aid and then to St. Joseph's Hospital. She suffered a broken right shoulder and had eight stitches in a cut above her right eye, was severely bruised and suffered extreme shock. Little hope is held out for her recovery, due to her age. Mrs. Armstrong's eyesight has been steadily failing in the past few years.

Eugenia United Church Observes Anniversary

Large congregations filled Eugenia United Church on Sunday, Oct. 30th, in celebration of the 54th anniversary of the erection of the present church. The minister, Rev. A. G. Macpherson, conducted both services, and in the evening was assisted by Rev. Paul Christensen of Dundalk. In the morning, Mr. Macpherson appealed to the members and adherents to make the Anniversary of permanent value. This could be done he said, by remembering with gratitude those men and women who had established the church in the early days, and by giving the Cause constant attention and support now. The text was Hebrews 10:24, "Let us consider how to stir one another up, not neglecting to meet together, as is the habit of some, but encouraging one another."

In the evening, Rev. Christensen preached a very interesting and inspiring sermon, picturing before the congregation his conception of an ideal church, spiritual, friendly and crusading.

Splendid music was rendered by the church choir, accompanied by Miss Blanche Walker at the piano, and Mr. Bert MacIntosh on the violin. "Sunrise To-morrow" was sung as as trio by Mrs. Ed. Breadner, Mrs. Elward Campbell and Mr. Harvey Boettger. In the evening, Mr. and Mrs. McFarland of Collingwood sang three gospel numbers, accompanying themselves on the electric guitar.

The church was beautifully decorated by the Woman's Association, and lent itself well to two inspiring services. The Eugenia congregation is justified in looking forward to a good season of worship and work. The music on Sunday, Nov. 6th, will be led by the Junior Choir, under the direction of Miss Blanche Walker. This choir was organized this Fall, and has already made a fine contribution to the enjoyment of the services of worship.
