W. G. DRAPER, Esq.

From the wide basis on which the Colonial Life Assurance company has been established, from the extensive field of business which it is cultivating, and from the success which has attended its operations, the Directors do not think they overrate when they say that no office affords so many facilities, and at the same time holds out the prospect of so many advantages to assurers.

The first investigation and division of profits took place as at 25th May 1854, and the additions to policies was at the rate of £2 per cent. per annum of Reversionary Bonus, as shown in the following Table—the examples being policies of £1000:—

Policy effected.	Opened.	Original sum assured.	Bonus additions.	Total.
25th May	1847	£1000	£160	£1160
"	1848	1000	140	1140
"	1849	1000	120	1120
"	1850	1000	100	1100
"	1851	1000	80	1080
"	1852	1000	60	1060
"	1853	1000	40	1040
"	1854	1000	20	1020

The additions to Policies of larger or smaller amount are in the same proportion.

Future investigations and Divisions of Profit will be made every five years. The next will take place at 25th May, 1859.

Important to Every-Body.

FOR the last three years I have been engaged in a business known only to myself, and a comparatively few others whom I have instructed for the sum of $2 each, which has averaged me at the rate of $2,000 to $3,000 per annum; and having made arrangements to go to Europe next Spring, to engage in the same business I am willing to give full instructions in the art to any person in the United States or Canada who will remit me the sum of $1. I am induced from the success I have been favored with and the many thankful acknowledgements I have received from those whom I have instructed, and who are making from $5 to $15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant and very profitable, at a small cost. There is positively no Humbug in the matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed who will testify that they make from $5 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania, and Maryland, whom I have instructed are now making from $3 to $6 per day at it. It is a genteel business, and but a few shillings is required to start it. Upon receipt of $1, I will immediately send to the applicant a printed circular containing full instructions in the art, which can be readily understood at once.

All letters must be addressed to A. T. PARSONS, 315 Broadway, New-York.
