Telephone Books Out

The "Book or the Month" for many residents of Flesherton and vicinity is the new issue of the telephone directory. The books were mailed to subscribers here last week.

Featuring on its cover the familiar figure of "The Spirit of Communication," the new green-covered edition of the directory replaces the buff-colored book issued last year. It contains 88 pages in its alphabetical section, 10 more than its predecessor.

The first telephone directory in Canada and probably in the British Empire, published in 1878. consisted of a single sheet, 18 by 5½ inches, and contained the names of a mere 68 subscribers.

The old book should be discarded, Middleton Reed, Bell Telephone manager for this region. warned, as there are more than 3.750 new and changed listings in the edition. As usual it contains listings for Owen Sound, Tara, Wiarton, Southampton, Dundalk, Chesley, Markdale, Flesherton and other centres.

The manager also cautioned subscribers to give the obsolete directories a thorough "Shaking out" before they are discarded, as old directories have been found to contain documents, folding money and letters. Lists of frequently called numbers kept on office desk-pads, on cards pinned to the wall by the home telephone or in pocket note books should also be checked and changed, he said.

STEPHEN'S CORNERS

We are glad to report that Mr. Lance Brownridge is improving, following his heart attack on Monday last while out hunting. His son, Harold, of Thessalon arrived home during the past week and is assisting in the farm duties during his father's illness.

Mrs. Clarence Winters and Roy, and Mrs. Joe Porteous spent a recent week end in Toronto and attended the Royal Winter Fair. They also attended the wedding of the former's cousin, Miss Dorothy Watson and Mr. Phillip Sye in Mt. Dennis church that Saturday.

Mr. and Mrs. Delbert Fisher accompanied Mr. and Mrs. Jas. Stewart to Toronto and attended the Winter Fair.

Mr. and Mrs. Lance Brownridge attended the wedding of their niece at Stayner on Saturday, Nov. 19th.

ROCK MILLS

We have had some real winter weather, with around nine inches of snow, but the milder weather the first of the week is lowering it considerably. Many are hoping the snow will disappear, as it is rather early for winter to set in.

Ted Croft was home over the week end from Burlington, where he has been employed all summer. The works closed down Monday for the winter and Ted has now gone to work at Grand Valley.

Some from here attended the Santa Claus parade in Owen Sound on Saturday and report it excellent.

Miss Helen Betts of Owen Sound was a recent visitor at her home.

Mr. Thos. Whitmore, Mr. R. Armstrong and Mrs. M. Whitmore of Durham were callers at the Newell home during the week.

Mr. and Mrs. Bill Summers of Markdale spent the week end with Mr. and Mrs. Ted Croft, returning home Sunday night.

Mr. and Mrs. Wes Smith and Sheila visited last week with relatives in Toronto and attended the Royal Winter Fair.

Mr. Mannie Dobson returned home last week, after a week's deer hunting at Ardbeg with the Dargavel Hunt Club.

ORANGE VALLEY

Orange Valley Farm Forum met at the home of Lorne Bumstead with about 30 present, the subject being "Are we good farmers?" Mr. Bumstead led the discussion, finding as follows: (a) financial success is the main standard in judging a farmer, and (b) other important factors in judging a good farmer, were by tidiness, a good wife, one who cultivates the land properly and keeps his work up so that he can take time out for recreation. It was decided that farmers could increase their efficiency of their farming operations by soil test, better machinery and more work on the land with shorter hours. Progressive crokinole was played with Alf. O'Neil and Mrs. Gordon Hill taking the high prizes and Leonard Alcox and Wm. McFadden the low.

Miss Marjory Bumstead of Stratford Normal School, spent this week teaching in the Markdale Public School.

Mr. Gordon Carefoot met with an accident last week while buzzing wood. He slipped and his hand was caught in the saw. Several stitches were needed to close the wound.

DANISH BACON

Danish hog numbers almost returned to pre-war levels according to the enumeration of August 27. Total numbers were 72 per cent higher than in August, 1948, and approximately the same as in August, 1938. Because of the high proportion of sows in the total pig population, it is expected that hog numbers will soon be larger than those of pre-war years.
