IMPORTANT TO DAGUERREOTYPISTS MARBLE DEALERS AND OTHERS.

Monumental Daguerreotype Cases.

A METHOD has long been sought for, to insert in a durable manner, Daguerreotype Likenesses to Head Stones and Monuments. I have been manufacturing these Cases for the last two years, and can warrant them to secure the picture for a long number of years.

The outside case is made of Parian Marble, and the box which encloses the picture and keeps it, in a state of great preservation for a long number of years, is made of brass—a screw box. It makes a very neat job on a Head Stone or Monument. They are used in Greenwood Cemetery, Mount Auburn, Laurel Hill, and many other Cemeteries in the United States.

A liberal discount made to Marble Dealers and Daguerreotypists. Price from $2,25 each to $9,50. A circular of engravings will be sent to any address, free, with price list. Address,

A. L. BALDWIN,
Agent of Mausoleum Dag Co.,
335 Broadway, New York.

Money! Money! Money!

WHY BE WITHOUT MONEY? when it is just as easy for any one to be around with a pocket full as not, if they only think so. I have got a new article, from which from five to twenty dollars a day can be made, either by male or female. It is highly respectable business, and an article which is wanted in every family in the United States. Enclose me two dollars by mail, at my risk, and I will forward by return mail a Circular, with full instructions in the art. The business is very easy. Try it, if you are out of employment, and you will never regret it; for it will be better for you to pay the above sum, and insure a good business, than to pay twenty-five cents for a spurious advertisement. This is no humbug. Try it! Try it! Try it! Address your letters to

DWIGHT MONROE, New York.

I sent one of my Circulars to an Editor in Georgia, and he gave a notice in his paper says the following:

"Mr Munroe sent me one his Circulars, and I will just say to my readers that whoever of you are out of employment that Mr Munroe's business is a good business, and money can be made out of it by anyone who engages in it, for it is no humbug."

MESSRS. STEARNS & MARVIN Nos. 144 and 146 Wall-St., N. Y. GENTS:—Our city was last evening visited with the most destructive fire since its existence, and you may well think we felt interested and anxious to know the result of several safes of yours and others in the fire. We need hardly tell you yours came out of the fiery ordeal triumphant over all others. Immediately under Anderson's office was 50 or 60 tons of tallow, and of course made the hottest kind of fire; and in another Safe of yours, in the same building was $30,000 in Bank bills, checks, &c., all of which came out in perfect order, after lying in the ruins ten hours. All that have seen the effects of the fire on the different kinds of Safes, are satisfied of the superiority of your "Rich's improvement on Wilder's Patent Safe." Yours respectfully,

MORLEY & RAYNOLDS.

Cleveland, Oct. 28, 1854.

MESSRS. FRASER AND GEORGE have just received a fresh supply of the above valuable Safes, which they will sell at New York prices, with freight and duty added.

PROFESSOR WOOD'S

HAIR RESTORATIVE!

IT HAS WORKED MIRACLES!

THAT ALL the bald and gray can be restored perfectly to original growth and color, so far as their locks are concerned, does not admit of doubt; besides, it will cure every possible disease of the scalp, whether developed as dandruff, itching, or in the shape of cutaneous eruptions, even scald head, and in no possible case will it fail of curing, as it by magic, nervous or periodical headache, and if used twice a week by the young, regularly, it will preserve the color and keep the hair from falling to any imaginable age. Read and judge:

Logansport, Ia., June 1855.

Messrs. O. J. Wood & Co.,

GENTS: Yours of the 13th came duly to hand. Enclosed please find thirty eight dollars, being the amount for Hair Restorative. I have sold it all. * * * * If you choose you may send six dozen bottles Hair Restorative. I think I can sell it. It has worked miracles in this place. I sold a man six $1 bottles, that was bald, and it fetched new hair out all over his head.

Yours respectfully,

M. H. GRIDLEY.

C. R. R. Office, Vandalia, June 21, 1854.

PROFESSOR WOOD—

DEAR SIR: I take pleasure in bearing voluntary testimony to the excellence of your Hair Restorative. Three months ago my hair was very gray. It is now a dark brown, (the original color) smooth and glossy. The only application I have made to it has been the Hair Restorative, prepared by you, and which, from the result in my own case, I can most cordially recommend to others.

Respectfully yours,

EDWARD WOLCOTT,

Vincennes, Ia., June 21, 1853.

PROF. O. J. WOOD: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state for whomsoever it may concern, that I have used it, and known others to use it—that I have for several years been in the habit of using other Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use, will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance; and all this without discoloring the hands that apply it, or the dress on which it drops. I would therefore recommend its use to every one desirous of having a fine color and texture to the hair.

Respectfully yours,

WILSON KING.

St. Louis, June 29, 1853.

PROF. WOOD: As you are about to prepare and vend your recently discovered Hair Restorative, and as you requested my opinion of it, I will state that my hair was, a few months ago, very gray, but after using two bottles of your Hair Restorative, it resumed its original color; and since its application all dandruff has disappeared from my head, and I have been troubled with no disagreeable itching of the scalp. I am satisfied that those who use it will not regret it, as it gives the appearance of having been recently oiled. I am prepared, therefore, to recommend its use to all who are desirous of having a beautiful head of hair.

I am, Sir, yours, &c.,

H. L. STEWART.

PROF. WOOD—

DEAR SIR: My hair had, for several years, been becoming prematurely gray, accompanied by a harshness, which rendered the constant application of oil necessary in dressing it. When I commenced using Hair Restorative about two months ago, it was in that condition; and having continued its use till within the last three weeks, it has turned to its natural color, and assumed a softness and lustre greatly to be preferred to those produced by the application of oils or any other preparation I have ever used. I regard it as an indispensible article for every lady's toilet, whether to be used as a Hair Restorative, or for the simple purposes of dressing or beautifying the hair. You have permission to refer to me all who entertain any doubt of its performing all that is claimed for it.

MRS C. SYMONDS,
114 Third St.

Cincinnati, O., Feb. 10, 1854.

Watertown, Mass., May 1, 1854.

PROF. O. J. WOOD: Allow me to attest the virtues and magic powers of your Hair Restorative. Three months since, being exceedingly gray, I purchased and soon commenced to use two bottles; and it soon began to tell in restoring the silver locks to their native color, and the hair which was before dry and harsh, and falling off, now became soft and glossy, and it ceased falling; the dandruff disappeared and the scalp lost all the disagreeable itching, so annoying before, and now I not only look but feel young again.

Respectfully yours, &c.,

CHAS. WHITNEY.

LET US REASON TOGETHER

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE and the INFIRM, of all climes, ages, sexes and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorder of the liver, dyspepsia and stomach complaints generally. They soon give a healthy tone to these organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY—ILL HEALTH.

Many of the despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No female young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it.

Holloway's Pills are the best remedy known in the world for the cure of the following Diseases:—

Ague, Asthma, Bilious Complaints, Blotches on the Skin, Bowel Complaints, Colics, Constipation of the Bowels, Consumption, Debility Dropsy, Dysentery, Erysipelas, Female Irregularity, Fevers of all kinds, Fits, Gout, Headache, Indigestion, Inflammation, Jaundice, Liver Complaints, Lumbago, Piles, Rheumatism, Retention of Urine, Scrofula or King's Evil, Sore Throats, Stone and Gravel, Secondary Symptoms, Tic-Doloureux, Tumors, Ulcers, Venereal Affections, Worms of all kinds, Weakness from whatever cause, &c., &c.

JAMES SYDNEY CROCKER,
Manager for British North America.

The most Important Discovery of the Age.

THE Subscriber has the honor of introducing to the attention of the public the invaluable discovery in the art of cutting, of the celebrated Professor Klitt, of Paris, which has received the universal sanction and adoption of the first houses in Europe, England and America, and is admitted by the trade to excel any improvement or invention that has yet appeared, not excepting Oliver's recent patent.

The chief excellence of this philosophical system, which is based upon strictly Geometrical principles, consists in its combining unerring exactness and precision, with reference to fit, with the greatest possible ease and freedom, and the utmost conceivable gracefulness in style; possessing the invaluable merit that pertains to the triumphs of genius in whatever department; that of great simplicity in detail and application; only requiring the use of the tape measure, and consequently dispensing with the formal, tedious and incorrect adjuncts of Instrument strap, &c., thus producing, by actual measurement, an exact counterpart or model of the human figure, whether deformed or symmetrical, without even the semblance of a wrinkle on the garment, whether Coat, Vest or Pants.

The Subscriber having secured the exclusive use of this noted system for Kingston, is prepared to give practical instructions, accompanied with drafts, &c.

As all ordered work in this newly organized establishment will, for the future, be measured and cut according to this principle, he would beg to invite the sceptical, and all who can appreciate a model fitting garment, to afford it a personal test by favoring him with a call.

—NOW ON HAND—

A large stock of seasonable cloths and clothing, of choice value and style, carefully and personally selected from the best Houses in the trade.—Among the many improvements the subscriber has recently effected in his Tailoring Establishment is, the important advantage of having a superior selection of mechanics at work on the premises, constantly under personal inspection, thereby securing the best possible workmanship.—Charges fully $50 per cent below the old standards still so generally adhered to by the Trade.

FROM the wide basis on which the Colonial Life Assurance company has been established, from the extensive field of business which it is cultivating, and from the success which has attended its operations, the Directors do not think they over-estimate the advantages of the Company, in stating that no office affords so many facilities, and at the same time holds out the prospect of so many advantages to assurers.

The first investigation and division of profits took place as at 25th May 1854, and the addition to policies was at the rate of £2 per cent. per annum of Reversionary Bonus, as shown in the following Table—the examples being policies of £1000:—

Policy Opened before.	Original sum assured.	Bonus additions.	Total.
25th May 1847	£1000	£160	£1160
" 1848	1000	140	1140
" 1849	1000	120	1120
" 1850	1000	100	1100

" 1852	1000	60	1060
" 1853	1000	40	1040
" 1854	1000	20	1020

The additions to Policies of larger or smaller amount are in the same proportion.

Future Investigations and Divisions of Profit will be made every five years. The next will take place at 25th May, 1859.
