Important to Every-Body.

FOR the last three years, I have been engaged in a business known only to myself, and comparatively few others, whom I have instructed for the sum of $500 each, which has averaged me at the rate of $2,000 to $3,000 per annum; and having made arrangements to go to Europe next Spring, to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canada who will remit me the sum of $1. I am induced, from the success I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from $5 to $15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable, at a small cost. There is positively no Humbug in the matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they make from $5 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania, and Maryland, whom I have instructed are now making from $3 to $6 per day at it. It is a genteel business, and but a few shillings is required to start it. Upon receipt of $1, will immediately send to the applicant a printed circular containing full instructions in the art, which can be perfectly understood at once.

All letters must be addressed to A. T. PARSONS, 335 Broadway New York.
