# The Flesherton Advance.

VOL. 69; NO. 36 — FLESHERTON, ONT., WEDNESDAY, FEBRUARY 1, 1950 — F. J. Thurston, Publisher

## Flesherton 9, Markdale 2

Flesherton Majors gave Markdale a solid trouncing Saturday night in the local arena, the score being 9-2, six of the goals being scored in the final period. The first period was the closest one of the three, when Markdale made their best showing. They had eight shots on goal to eleven by Flesherton and Milne notched the first goal for the Majors with 18 seconds to go, on Cairn's pass. Peters and Moore of Markdale were off at the same time, boarding and a bit of roughing, but Flesherton failed to score.

Flesherton added two more in the second period, the first by Acheson at the one minute mark and Juffs from K. Chard at 5.05. Markdale had their first shot on the Flesherton net in this period at 9.26, when Andrews made a lovely stop. Turney and W. Lawrence each scored in this period, but the scores were not counted. Markdale then got their first counter when Fitzsimmons took Moore's pass and Andrews did not stop the bounding disc. Three penalties were handed out, Moore and J. Lawrence for roughing and Milne for boarding. Flesherton had 21 shots on goal to Markdale's 7.

The third period Flesherton really went to work and slammed in five goals without a reply from Markale. Then at 15.45 Fitzsimmons scored on Ashmore's pass from a face-off inside Flesherton blue line. K. Chard then added another one to make the final score 9-2. Juffs scored three in this period on three passes from Boyd, with W. Lawrence assisting in one of them. The other goals were netted by Acheson alone and Cairns from Turney. Flesherton had 18 shots on goal to six by Markdale.

Markdale—Goal, Stewart; defence, Freeman, Peters; centre, Moore; wings, Cherry, McCullough; alternates: Ashmore, Bell, Alton, Mercer, Fitzsimmons, Farrow, Nuhn.

Flesherton — Goal, Andrews; defence, Acheson, Turney; centre, Boyd wings, Juffs, W. Lawrence; alternates: Cairns, K. Chard, Milne, J. Lawrence.

Referees: Tennant and Bloomfield of Owen Sound.

Dance in the Community Hall at Kimberley on Friday, Feb. 3rd. with music by Dermott's Orchestra, auspices of Kimberley L.O.L. Admission: 50c. Cafeteria.

## Flesherton 12, Honeywood 5

Flesherton went to Honeywood on Monday night and came home with the game tucked away with a 12-5 score. The fixture was another like that against Markdale with the locals dominating the play all through. In the first period Honeywood pressed hard and were successful in tieing the score twice, but the period ended 5-3 for the Majors. Goal scorers were Cairns from J. Lawrence, D. Cairns from Turney, Turney alone, Cairns from Milne and J. Lawrence from Cairns. Doug Cairns played one of the best games of his career in this period. Shots on goal 18 by Flesherton, 8 by Honeywood.

The second period was more even in play, with Flesherton scoring the only goals, Boyd from Acheson, D. Cairns alone, K. Chard from Boyd. Shots on goal Flesherton 16, Honeywood 10.

Flesherton made the score 9-3 with Milne sinking J. Lawrence's pass to the goal mouth, then Turney from J. Lawrence, and two by Hannon from Gibson and Moore to end the homesters' scoring. Flesherton added two more, Juffs from Cairns and K. Chard from Boyd to make the final score 12-5. Shots on goal Flesherton 16, Honeywood 9.

Bill Lawrence did not figure in any scoring plays, but this did not mean that he was not effective. He took a turn on the defence as well as on the forward line and worked well all night. Ken Chard is improving each game and with Turney back on defence, Russ. Acheson feels free to move out of his area and secure himself a few goals and assists.

—

It looks as though there will be a contest for the fourth play-off spot and who will occupy it will make good guessing. Shelburne have been losing games this past week and to be in they'll have to hustle. Markdale has also a good chance to be there when the schedule ends. Flesherton has to take another game or two to make sure of a spot. Stayner may be knocked off their high perch yet. They play here on Saturday night and another big crowd will be on hand for this one.

—

We believe the largest crowd ever to attend a hockey game in Flesherton arena was present for the Markdale-Flesherton contest last Saturday night. There were over 1000 paid admissions.

### BORN

SHORTREED— Saturday, Jan. 28, 1950, at Burnside Wing, General Hospital, Toronto, by caeserean section, to Mr. and Mrs. John Shortreed of Priceville, a son, David Robert.

## FLESHERTON L.O.L. HAS 28th BIRTHDAY

Monday evening was a special night at Flesherton Orange Lodge, No. 2855, when a large number were present for the occasion of its 28th birthday anniversary. A pleasing part of the evening was the presentation of an altar by Wor. Bro. C. J. Bellamy, a charter member and first Master of the Lodge. The gift was received by Wor. Bro. F. W. Duncan on behalf of the Lodge who expressed the appreciation of the members for the appropriate gift.

Among the visitors present were Wor. Bros. Howie and Caesar of Massie and Wor. Bro. Wellwood of Dundalk. The chair was occupied by Wor. Bro. J. W. Cook, Master of the Lodge. The guest of honor was a former Master, Wor Bro. Alf. Down of Chatsworth.

The Lodge rooms have recently been re-decorated, and the new altar is quite in keeping with surrounding color scheme. Bro. Mervin McFadden received the Royal Arch Degree.

Lunch of sandwiches, cake and coffee was served in the banquet room. A large birthday cake occupied the centre of the table, which was cut by Wor. Bro. Down, assisted by Wor. Bros. Duncan and Bellamy and the first Masters performed the ceremony, using the ceremonial sword of the Lodge. Wor. Bros. Howie, Caesar Bellamy, Cairns, Wellwood, Brackenbury and Down each expressed congratulations to the Lodge members for its present prosperous condition and exhorted the brethren to work and so live as to make our world a better place for future generations. Wor. Bros. C. J. Bellamy and G. Cairns gave papers on the history of L.O.L. 2855 and the work of Orangeism in the district, which was greatly enjoyed. For closing Wor. Bro. Brackenbury pronounced the benediction and all went home feeling that they had spent a very enjoyable and profitable evening.

## Farmers
### Artemesia Towhship

**If you desire compulsory warble fly treatment of all cattle, sign the petition which is in the hands of your school section secretary, NOW. It is necessary to have 66⅔% of all cattle owners sign before compulsory by-law will be introduced. Your school secretary also has application forms for calfhood vaccinatioin for Bang's Disease. Act now and blot out contagious abortion.**

ARTEMESIA TOWNSHIP FEDERATION OF AGRICULTURE

H. I. Graham, President. Clifford Allen, Secretary.

## LARGE CROWD AT FEDERATION MEETING

600 interested farmers braved exceedingly bad roads to attend a meeting of the Grey County Federation of Agriculture to hear reports of organizations and talk over the problem of marketing their products. There were no outside speakers. Mr. Edgar Lemon, the president, presided over the meeting, and outlined its purpose and requested everyone to feel free to discuss the problems of Agriculture. Mr. Lemon congratulated the large audience that filled the hall, with the overflow crowd being take care of in the basement by a public address system, on the interest they were taking in their own business.

The secretary, W. Magwood, reported on the different branches of the Federation and what had been done in this time of great crisis to farm people, and pleaded for more Farm Forums in Grey County, as he said it has provided a means by which farm people can make their opinions known, something they never experienced before. "We are satisfied," Mr. Magwood remarked, "that Farm Forums and farm organizations have paid the farm people greater dividends than they are aware of. Let us get behind them and make them still greater."

George Johnson, zone director for the hog producers of Grey, Bruce and Huron, was in his very best form and every hog producer should have heard him explain what had been done and what we, as hog producers, are up against in the marketing of our product. George has made a study of a central marketing agency for the marketing of Ontario hogs and believes the day has come when we need it and need it badly, and by the reception he was given, Grey County farmers are right behind him in his efforts.

Mr. W. G. Firth, speaking for the Cream Producers, said that because of an accident he had suffered in the fall, he had been out of touch with what was going on, but hoped that before Spring a meeting of the Cream Producers could be called and matters of importance could be discussed. Mr. Firth felt that the time was past due when a poultry and egg marketing organization should be set up.

Altogether twelve resolutions were presented, with eleven being carried unanimously and one tabled for the time being.

### St. John's United Church

## J. A. Davis Chairman Centre Grey Hospital Board

John A. Davis, Reeve of Artemesia Township, was elected chairman of the Board of Management of the Centre Grey General Hospital, when the permanent board held its first meeting Tuesday afternoon of last week in the Department of Agriculture office in Markdale. The vice-chairman is Stanley Acheson, Reeve of Proton Township, and the secretary is T. Stewart Cooper, the agricultural representative for Grey.

The committees were appointed as follows:-

Finance—G. A. Beaton, Markdale, as chairman; K. G. Betts, Reeve of Flesherton; Stanley Acheson, Reeve of Proton; C. R. Werry, Reeve of Dundalk; F. T. Hill, Markdale; Carl Rennie, Reeve of Euphrasia; Dr. H. E. Mountain, Chatsworth.

Property and House — Herbert Timmins, Reeve of Glenelg, chairman; Mrs. R. J. Boyd, Flesherton; Mrs. H. I. Graham, Vandeleur; Mrs. Wib. Sutcliffe, Holland; Wilfred Graham, Glenelg; Stuart Howey, Reeve of Holland; Dr. W. G. Breakwell, Markdale.

Public Relations — Mrs. Irene Fraser, Dundalk, chairman; Harold Dawn, Euphrasia; Mrs. Arnold Bowler, Artemesia; Mrs. Fred Fell, Proton; Fred Hale, Osprey; L. R. Dennison, Markdale.

### Money In The Bank

The average working citizen, considering the profits of industry, is inclined to feel that he has the short end of the stick. We suspect, however, that he is hardly doing himself justice, and that a sizable part of these profits find their way into the pockets of these average individuals.

If this working citizen was actually finding that all his gains in wage and salaries were being more than eaten up by costs of housing, costs of food, and cost of taxes, how comes it that he is steadily putting more money in the bank?

As the matter stands, there are 312,000 more savings accounts in the banks of Canada than there were in 1948, which was about the same number ahead of 1947. Not only that, but our deposits in dollars — this is in savings accounts, remember — totalled in November last $4.4 billion, or $363 millions over 1948, which again was almost similarly better than 1947.

Let us not argue that we must be talking of some other fellow, as the savings bank depositors represent six million of us individuals and another million of small business concerns. And 86% of our gain, both in number of depositors and money, are among those whose deposits are $1,000 and under. In other words, us average working citizens.

So Superman is married. Now we'll see if he really lives up to his name.

Cancer has proven more deadly than any war. Doctors say it is not the increase but that higher statistics are due to earlier and better diagnosis than heretofore.

### FLESHERTON CARNIVAL

## Two Local Rinks At School Boy Curling Bonspiel

Two rinks of curlers from Flesherton High School are attending the Ontario School Boy Bonspiel being held at Galt and Guelph Thursday and Friday of this week. The rinks are composed of skip Jack Milne, Bill Richardson, Phillip McMullen and Bob Falconer; skip Jack Milligan Don Smith, Gordon Morrison and Eldon Fawcett. The Milne rink has their first game at 11 a.m. at Guelph and the Milligan rink at 11 a.m. at Galt. This is the third year that Flesherton has been represented at the School Boy Bonspiel.

### In Memoriam

MacKENZIE — In loving memory of our dear sister, Eva (Turner) MacKenzie, who passed away February 2nd, 1946.

Away in the beautiful hills of God,
By the valley of rest so fair,
Some time, some day, we know not when,
We will meet our loved one there.

—Lovingly remembered by Brothers and Sisters.

The rivers in the greater part of Canada drain into Hudson Bay and the Arctic Ocean.
