R. SANFORD'S LIVER INVIGORA-

It has become an established fact that Dr. Sanford's Invigorator will cure Liver Complaint, Jaundice and general debility. Many people, personally known to us, whose word cannot be doubted, have given their certificates to prove this, and with such a mass of evidence who can doubt.

It is truly the invalid's friend, and will give relief when all other remedies fail, and in some instances that have come under our observation it seemed the means of snatching its victim from the grave. We wish all our readers who need medicine would try one bottle, for it will surely give relief.—True American 252

Should I be favored with your support, the interests of Cataraqui Division will always receive my best attention.

LEGISLATIVE COUNCIL.

To the Electors of Cataraqui Electoral Division.

GENTLEMEN:

In the Summer or Autumn of the present year, you will be called upon to elect a member to the Legislative Council for "Cataraqui" an Electoral Division composed of the Counties of Addington and Frontenac, and the City of Kingston.

It is proposed, I believe, to hold a convention at an early day to nominate a Candidate.

I should not have deemed it necessary to address the Electors in any way, prior to the holding of this Convention, did I not understand that an active personal canvass had been already commenced by another candidate.

Being unable to see you personally, I am urged by my friends in various parts of the Electoral Division, to adopt this mode of informing you that I hope to receive the Nomination of the Convention, and will be a Candidate at the Election in question, and to solicit your votes and support.

I do not deem it necessary at this time to enter into the discussion of the political questions of the day; my course as a private elector amongst you for many years is well known, and free from inconsistency.

Should I be nominated, it will be with the full knowledge on the part of the Convention that I cannot go into a personal canvass, and that my election must depend on the exertions of others more than on my own.

If, laboring under such a disadvantage, I am honored with the nomination, I shall continue the contest with an assured prospect of success, and if elected, will endeavor to carry into public life the principles which have so far, I would fain hope, secured me the confidence and good will of the general body of the Electors.

I am, Gentlemen, Your obedient servant, A. CAMPBELL.

Kingston, 11th January, 1858. 6

Frontenac Division No. 2 Sons of Temperance.

On Thursday evening, the 7th instant, the following Brothers were Installed Officers for the ensuing quarter:—

P. W. P., Joseph George for W. P.
B Hames, W. A.
P. W. P., E. W. W. Linton, R. S.
Br. O. T. Savage, A.R.S.
Br. Farr, F. S.
P. W. P. Jas Wadsworth, T.
Br. Moxom, C.
Br. Aislip, A. C.
Br. Gake, I S
P. W. P. Brown, O S.
P. W. P., J F R Comer, Chaplain

After the Installation the following Resolution was passed, and carried unanimously:—

Moved by J. F. R. Comer, and seconded by Br. Garden, G. W. P., and Resolved

That in view of the false and malicious reports circulated by our enemies, we are no longer a Division of the Sons of Temperance, especially to an advertisement published in the British Whig and Daily News, dated 31st December, 1857, signed Wm. Rudston E. Stacey, and J. Jones, stating that we had "been constitutionally and legally dissolved by the head of the order, Dr. Beatty."

This we flatly deny and assert to be false. Dr. Beatty attempted to suspend our Division, because we would not comply with the order of the Grand Division to expel two worthy Brothers, one of whom not even the shadow of a charge was brought against and the other, Brother Joseph George only a mock trial before that body (the G. D) for offences which could not be proven, and we assert that Brother J. G. is still a member of our Division, in good standing and further that our Division never worked so unanimously as it does at present, and we are encouraged by old members who had been disgusted with the same parties again rallying round us and new members joining our ranks every week. Owing to the shameful manner in which our Banner, Bible Regalias, and other property, were taken from our Division Room and our door barred, and locked against us, legal redress is sought and will be obtained, so we will only briefly revert to it. Suffice that we are in full possession of our Rooms and the full attendance of friends this evening at our Installation of Officers, is a pleasing proof that Old Frontenac Division No. 2, is only persecuted not destroyed, and that the above resolution be published in all the city papers, the dirty rag, Commercial Advertiser excepted.

UNRIVALLED ATTRACTIONS!!

EMERSON'S MAGAZINE AND PUTNAM'S MONTHLY,

TWO GREAT MAGAZINES IN ONE.

90,000 Copies the First Month!!

MAGNIFICENT PROGRAMME FOR 1858.

$20,000 IN SPLENDID WORKS OF ART.

Five-Dollar Engraving TO EVERY SUBSCRIBER.

The Great Library Offer.

AGENTS GETTING RICH!!

The union of EMERSON'S MAGAZINE and PUTNAM'S MONTHLY has given to the consolidated work a circulation second to but one similar publication in the country, and has secured for it a combination of literary and artistic talent probably unrivalled by any other magazine in the world. During the first month, the sale in the trade and demand from subscribers exceeded 90,000 copies, and the numbers already issued of the consolidated work are universally conceded to have surpassed, in the richness of their literary contents, and the beauty and profuseness of their pictorial illustrations, any magazine ever before issued from the American press. Encouraged by these evidences of favor, the publishers have determined to commence the new volume in January with still additional attractions, and to offer such inducements to subscribers as cannot fail to place it, in circulation, as the head of American magazines. With this view they now announce the following splendid programme. They have purchased that superb and costly steel-plate engraving.

"The Last Supper,"

and will present a copy of it to every three-dollar subscriber for the year 1858. It was engraved at the cost of over $6,000, by the late celebrated A. L. Dick, from the original of Raphael Morghen, after Leonardo Da Vinci, and in the largest steel-plate engraving ever executed in this country, being three times the size of the ordinary three dollar engravings.

The first impression of this engraving are held at $10, and it was the intention of the artist that none of the engravings should ever be offered for a less sum than $5, being richly worth that amount. Thus every three-dollar subscriber will receive the Magazine one year—cheap at $3—and this splendid engraving, richly worth $5; thus getting for $3 the value of $8.

We shall commence striking off the engravings immediately, yet it can hardly be expected that impressions of so large a plate can be taken as fast as they will be called for by subscribers. We shall, therefore, furnish them in the order in which subscriptions are received. Those who desire to obtain their engravings early, and from the first impressions, should send in their subscriptions without delay. The engraving can be sent on rollers, by mail, or in any other manner, as subscriber shall order.

$20,000 in Works of Art.

In addition to the suburb engraving of "THE LAST SUPPER," which will be presented to every three-dollar subscriber for 1858, the publishers have completed arrangements for the distribution, on the 25th day of December, 1858, of a series of splendid works of art, consisting of one hundred rich and rare Old Paintings, valued as from $100 to $1,000 each. Also, 2,000 magnificent Steel-plate Engravings, worth from $3 to $5 each, and 1,000 choice Holiday Books, worth from $1 to $5 each, making, in all, over THREE THOUSAND GIFTS, worth TWENTY THOUSAND DOLLARS.

Inclose $3 to the publishers and you will commence receiving the Magazine by return mail. You will also receive with the first copy, a numbered subscription receipt entitling you to the Engraving of "THE LAST SUPPER," and a chance to draw one of these "THREE THOUSAND PRIZES."

REASONS WHY YOU SHOULD SUBSCRIBE FOR Emerson's Magazine for 1858.

First: Because its literary contents will, during the year, embrace contributions from over one hundred different writers and thinkers, numbering among them the most distinguished of American authors.

Second: Because its Editorial departments, "Our Studio," "Our Window," and "Our Office," will each be conducted by an able editor—and it will surpass, in the variety and richness of its editorial contents, any other magazine.

Third: Because it will contain, during the year, nearly six hundred original pictorial illustrations from designs by the first American artists.

Fourth: Because for the sum of $3 you will receive this splendid monthly, more richly worth that sum than any other magazine, and the superb engraving of "THE LAST SUPPER," worth $5.

Fifth: Because you will, very likely draw one of the three thousand prizes to be distributed on the 25th day of December, 1858—perhaps one that is worth $,1000.

Notwithstanding that these extraordinary inducements can hardly fail to accomplish the objects of the publishers without further efforts, yet they have determined to continue through the year.

THE GREAT LIBRARY OFFER.

To any person who will get up a club of twenty-four subscribers, either at one or more post offices, we will present a splendid Library, consisting of over Forty Large Bound Volumes, embracing the most popular works in the market. The club may be formed at the club price, $2 a year, without the engraving or at the full price, $3, with the engraving of the Last Supper to each subscriber. List and description of the Library, and specimen copy of the Magazine, will be forwarded on receipt of 25 cents.—Over 200 Libraries, of 8,000 volumes, have already been distributed in accordance with this offer, and we should be glad of an opportunity to furnish a Library to every clergyman, to every school teacher, or to some one at every post office in the country.

AGENTS GETTING RICH.

The success which our agents are meeting with is almost astonishing. Among the many evidences of this fact, we are permitted to publish the following:

GENTLEMEN:—The following facts in relation to what your Agents are doing in this section, may be of use to some enterprising young man in want of employment. The Rev. John E. Jardon, of this place, has made, since last Christmas, over $4,000 in his agency. Mr. David M. Heath, of Ridgely, Mo., your General Agent for Platt County, is making $8 per day on each Sub-Agent employed by him, and Messrs. Weimer & Evans, of Oregon Mo., your Agents for Holt County, are making from $8 to $25 per day, and your humble servant has made, since the seventh day of last January, over $1,700, besides paying for 300 acres of land out of the business worth over $1,000.—You are at liberty to publish this statement, if you like, and to refer to any of the parties named.

DANIEL GROVE, Carrolton, Mo.

With such inducements as we offer, anybody can obtain subscribers. We invite every gentleman out of employment, and every lady who desires a pleasant money making occupation to apply at once for an agency. Applicants should enclose 25 cents for a Specimen copy of the Magazine, which will always be forwarded with answer to application by return mail.

SPECIMEN ENGRAVING.

As we desire to place in the hands of every person who proposes to get up a club, and also of every agent, a copy of the engraving of "THE LAST SUPPER," as a specimen, each applicant enclosing us $3 will receive the engraving, post-paid, by return mail, also specimens of our publications and one of the numbered subscription receipts, entitling the holder to the Magazine one year and to a chance in the distribution.—This offer is made only to those who desire to act as agents or to form clubs.

AMERICAN AGRICULTURIST.

ORANGE JUDD, Publisher and Proprietor. } 189 Water Street, New York. } Terms—One Dollar a Year in Advance.

Vol. XVII. No. 1. JANUARY, 1858. New Series. No. 132.

Interesting Announcement.

FIFTY-ONE varieties of valuable SEEDS offered FREE to the Subscribers of the AMERICAN AGRICULTURIST For 1858.

The Seventeenth Volume of this Journal opens with such increments to all FARMERS, GARDENERS, and Cultivators of even the smallest Plots (ladies of course included), as have never been offered before by the Publisher of this or any other Journal, to wit:

The *Agriculturist* is enlarged to 32 Double Quarto Pages in each number.

Six of the best practical Cultivators in all the country have been secured to write for its pages during the year 1858, besides a host of occasional contributors.

Over 300 beautiful, instructive Engravings of Rural Objects, of interest and utility, will be given in 1858.

The January Number has 75 instructive articles, and over 30 Engravings, and this is a fair sample, though even less valuable than the succeeding numbers will be.

The January number gives a list of FIFTY-ONE varieties of FIELD, GARDEN and FLOWER SEEDS, of choicest kinds and best quality, mostly obtained from the best gardens in Europe. From this list every subscriber will be entitled to choose any three parcels he or she may desire, free.

The Seeds will alone be worth to many persons the full subscription price; but aside from them

Every number will contain as much first-rate reading, and more engravings, than most of the Dollar Books offered to the public.—Thousands of subscribers have said, even of the past less valuable numbers, that they would not part with them for $1 each. Still

Volume XVII (for 1858) will be furnished to subscribers, entire for $1; Six copies for $5; Ten or more copies at 80 cents each.

Do you ask how all this can be done?

Ans. The *Agriculturist* has a larger regular circulation than a dozen of the ordinary Agricultural and Horticultural Journals. A few cents profit on each subscriber gives a large sum to be appropriated to paying the best writers—collecting information—costly Engravings—and for Seeds for free distribution.

Further, the Publisher is determined to issue a Journal that shall not only be an honor to the Agriculture and Horticulture of our country, but one which shall be so valuable and so full of instruction in every department of Soil Culture, whether on a large or small scale, that no person (except those shut up in brick walls, without a foot of spare land,) can afford to be without it.

$30,000 were spent upon the Agriculturist last year, and as the present new and renewed subscription list warrants it, the sum will be doubled for 1858.

The Publisher's motto is: "get up the best paper first, and make money afterwards if he can."

If you want such a Journal, with the extra Seeds, &c., send $1 (in gold, or 3 cent P. O. Stamps, or bills of Banks in good credit at home,) and you will receive the January number at once, from which you can select the Seeds. The future numbers will be mailed on or before the first day of each month. Address as above.
