DON'T MISS THE FLESHERTON ICE CARNIVAL — FRIDAY, FEB. 17

Flesherton Prcatically Eliminated Shelburne 10-1

Just a remnant of the good team they have been in past years, Shelburne failed to hold the Flesherton Majors Monday night at Shelburne and were only able to score one goal against Andrews. Shelburne was very ineffective, their defence was shot and the forwards could not get in close to score. We might say that Earl Rayburn, their star goalie, was injured that morning and did not play and they brought up Fleming, a junior, who gave a good account of himself, but he had no protection.

Flesherton scored three goals the first period, Cairns and Turney on lone rushes and J. Lawrence from Juffs. Shelburne notched their only goal at the start of the second and the Majors then went to work and five more goals went past Fleming, Boyd counting two alone, Turney and Cairns alone, and Juffs from J. Lawrence.

The third period Shelburne backchecked a bit more and at 16.05 Cairns scored alone and to show they could get more if they wished, Turney took Boyd's pass for the tenth counter. Only six penalties were handed out to the players.

Shelburne — Goal, Fleming; defence, Firth, McConnell; centre, Willimas; wings, Grianger, J. Wood; alternates: Snider, McKelvie, Berry, F. Paget, Henry, W. Wood, Rolston.

Referees: Dales and Campbell of Dundalk.

This loss for Shelburne might just mean their elimination from the play-offs in the Central Ontario League, and if so, it will be for the first time since the League was started. This win for Flesherton still keeps them in the race for first place, two points behind Stayner, who have completed their twelve games, winning from Rocklyn Monday night, and have 16 points. The Majors have two more games yet to play and if they win both will end the season in first place.

Flesherton Overwhelmed League Leaders 7 - 3

Flesherton added another win on Saturday night, defeating Stayner 7-3 in a fast and interesting game on good ice. This was the Majors' third win in succession and lifted them to second place in the league standing, two points behind Stayner, who have been leading the entire season.

Stayner opened the scoring at 3.06 when the defence was split and Andrews didn't have much chance. Flesherton tied the score when Milne sank Boyd's pass at 4.15 and Bill Lawrence scored his first goal in several games when Acheson laid him a fine pass. This advantage did not last long, as Stayner nabbed the disc at centre ice when Flesherton was up ganging and sped on to beat Andrews. They again went ahead when they scored on a scramble. The period ended Stayner 3, Flesherton 2. Shots on goal: Flesherton 23, Stayner 12.

The second period was all Flesherton, with Boyd scoring from Milne at 2.24, Juffs alone at 6.14, Cairns on a lovely rush through the Stayner team at 17.44 and the fourth goal Milne from Boyd at 17.57. Flesherton 6, Stayner 3. Shots on goal: Flesherton 21, Stayner 5.

While only one goal was counted in the third period, Milne from Turney at .45, Flesherton had most of the play and Stayner was very ineffective in solving the tight defence Flesherton played when they did not have the puck. They missed several wonderful scoring chances when they were right on top of the Stayner goalie.

Milne has made a great improvement in his play this year and scored four goals and had an assist.

Stayner— Goal, Gartlan; defence, Nobes, D. Woods; centre, Walker; wings, Mathers, Bellwood; alternates: J. Woods, Sheffield, H. Adams, Handy, Cherry, W. Adams, Priest and Hannah.

Flesherton — Goal, Andrews; defence, Acheson, Turney; centre, G. Boyd; wings, Milne, W. Lawrence; alternates: Juffs, Cairns, K. Chard, J. Lawrence.

Referees: Tennant and Bloomfield of Owen Sound.

Inter-Church Youth Sunday Observed At St. John's

The various groups of church young people in the Flesherton, Dundalk and Priceville charges, combined last Sunday evening to hold a joint service in St. John's United Church. The auditorium was crowded with young people and their friends from Dundalk, Bethel, Hopeville, Inistioge, Proton, Priceville, Ceylon, Rock Mills and Flesherton.

The service was conducted by Alf. Olsen of Flesherton, assisted by Georgina White of Proton, R. J. Patterson of Inistioge and Don Reilly of Priceville. Musical numbers were rendered by Rev. A. Fletcher, Cedarside Baptist Church and a trio consisting of Joan Copeland, Don Copeland and Norma McMaster. Further musical numbers were enjoyed at the social halfhour after the service. Those contributing were Wilma Stevens and Paul Patterson of Inistioge, Misses Ruth and Hazel Fletcher, Isabel Minard and Rev. A. Fletcher.

The feature of the evening was a sound-film entitled "Beyond Our Own," presented by courtesy of Rev. L. W. Mould and his young people of Priceville. This film, excellently produced, portrayed the call of a young doctor and his lawyer brother to Christian service.

Rev. Paul Christensen of Dundalk was present and gave a short address to the young people, encouraging them to go all out for Christ and his cause. Following this, the Flesherton young people served lunch, which had been brought by the various groups represented.

Altogether, it was a grand evening, and gave evidence of the actual and potential strength of Christian youth in the district.

HELLO, MOM! HI, DAD!

AND HOCKEY SUPPORTERS IN FLESHERTON DISTRICT

You hear it in the garage, the barber shop, on the street corner and in the harness shop "Where are we going to do for a senior hockey team in 1955?" We won't have a Doc, Baldy, Lawrences, Cairns, Acheson, Chards, "Muscles" Andrews, Ferris; they're getting old.

Under the watchful eyes of Norm Scarrow there has come along in the last couple years a hockey team worth your recognition. He has, owing to business reasons, had to give up some of his time this year, but is still in there pitching.

A game has been arranged with Shelburne for tonight, Feb. 8, and more games are to come. This is the opening game for the kids and now its up to you, Mom and Dad, sister Mary, brother Bill, to come out and see the stars of 1955 in full swing down the ice.. It takes a cheering section to make the boys go, so won't you be on hand tonight at 8 p.m. and make the rafters ring. You'll make a bunch of kids very, very happy. An admission charge of 25c will be made for adults, proceeds to the midget club.

Proton Sttaion W. I.

The January meeting of the Proton W. I. was held at the home of Mrs. Elwood Stevens, with nine members and one visitor present. The meeting was in charge of Mrs. Clyaton Betts, 2nd vice-president, and after the usual opening exercises the roll call was answered by a "don't" for the kitchen.

The program was in charge of the publicity convener, Mrs. Ed. Stinson, who gave a very worth-while paper on publicity, stressing the fact that no matter what business we represent, it pays to advertise. As the Women's Institute is no small organizatioin, we can't give it too much publicity. Two readings were given, one by Mrs. Lloyd Little "A Recipe for a Happy New Year" and "The Snag and Snails of the W.I." by Mrs. Potts. The meeting closed by repeating the W.I. prayer and the Midpah benediction, and a social hour followed, with lunch served.

The penny is said to be overworked these days. We thought it had given up the struggle.

WES PLANTT SHOT WOLF NEAR BERKELEY

After trailing two wolves for three and a half hours near Berkeley on Friday, Wesley Plantt of the Fourth Line sent three shots through the body of a 50-pound speciman and ended its depredations among the sheep in that township. The other wolf, during that time, had separated from its fellow and escaped. It will be the target on another hunt. In the hunting party were Walter Akitt of Rock Mills, Clayton Betts and Luther Love of Victoria Corners. All four men are experienced fox hunters, and for a change tried the wolf hunting game. There seem to be a number in the area east of Berkeley. Th wolf was shown in town that evening and created a great deal of interest.
